

Expand LightBox Portable

Light Up Your Brand

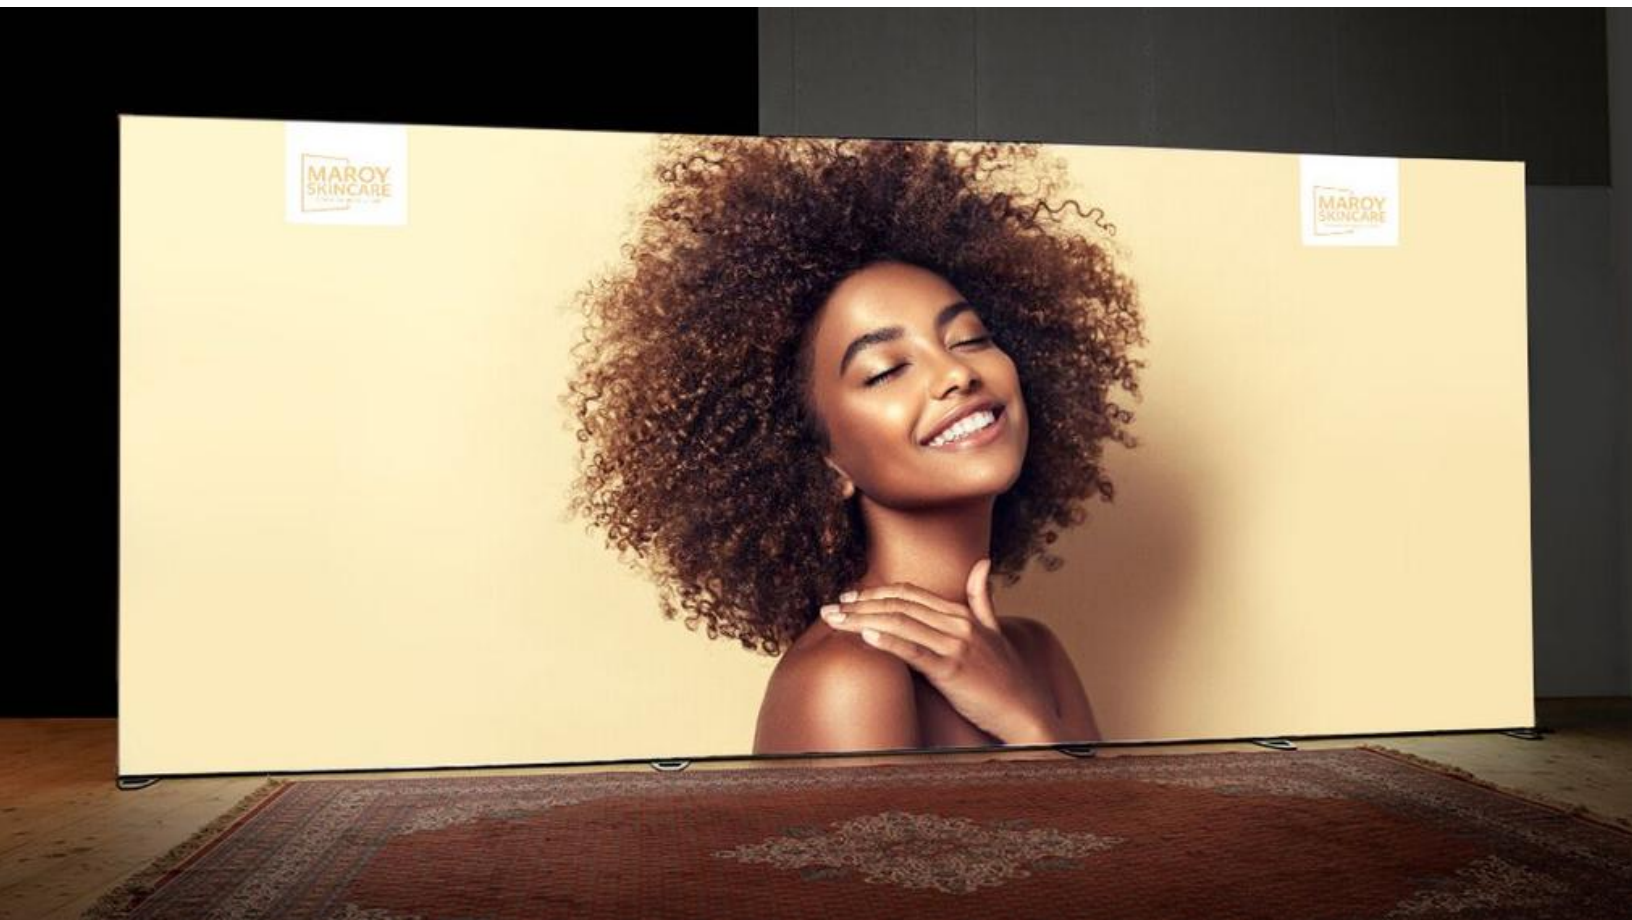

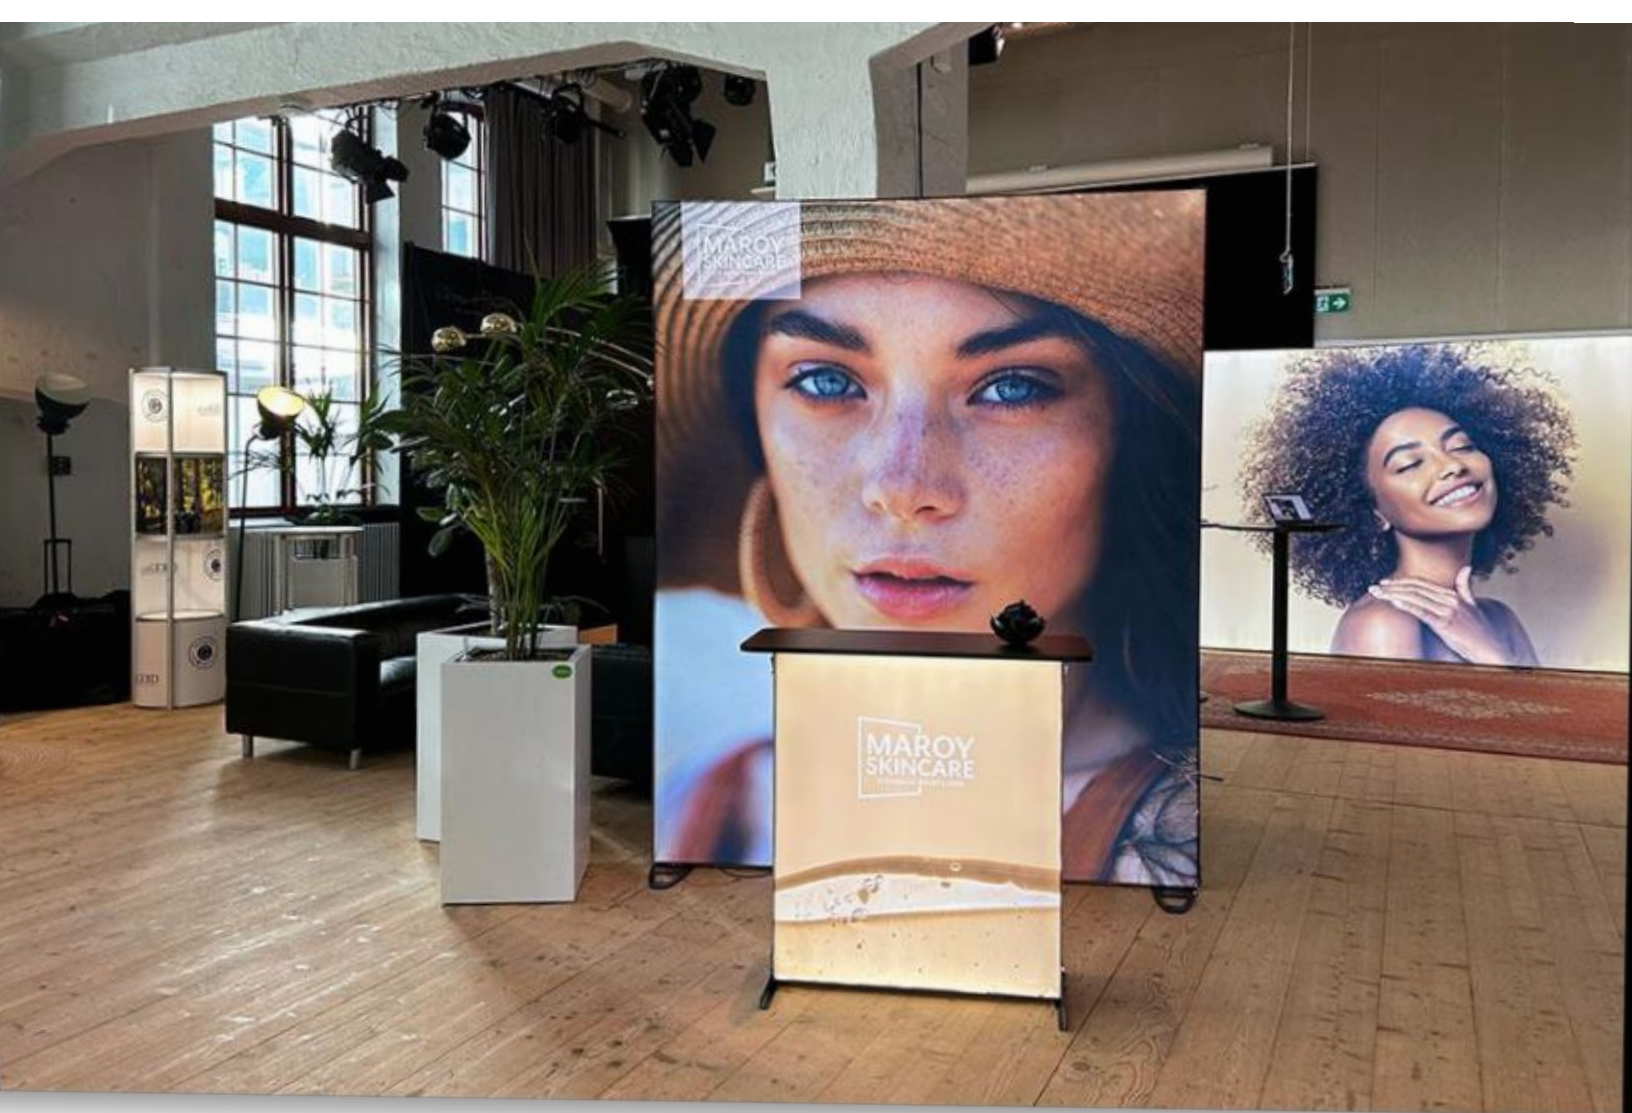

Branding & Event Displays

Elevate your live events to new heights with our show-stopping Expand LightBox Portable

Tailored for success at trade shows, exhibitions, and promotions, the Expand LightBox Portable is more than just a light box – it is an experience, canvas for your creativity, the pedestal for your innovations, and the catalyst for unforgettable moments!

- Illuminated with LEDs - create a focal point that draws everyone's attention with lit up graphics
- Portable and easy set up – no tools needed
- Choose single or double-sided pillowcase or SEG fabric print
- Available in many different sizes
- Comes in nylon bag

The frame parts are made of lightweight aluminum, just click them together.

Great light distribution
Illuminated with LED lights placed in the top and bottom profiles to provide an even glow over the graphic

Excellent fabric print- Your graphic is dye sub printed on a wrinkle-resistant stretch fabric with excellent print quality for brilliant backlit graphics.
