

LAWN AND GARDEN PRODUCTS 2024

THE COCO DEPOT

Welcome to The Coco Depot: Your Premier Store for Coco Coir Products Step into the world of Coco Depot, revel in revolutionizing your gardening and horticultural experience. As a premium coco coir merchandise, we take pride in imparting a comprehensive variety of premium-grade coco-based products satisfying the diverse growers, landscapers and garden enthusiasts.

The Coco Depot is a manufacturer and distributor of coco-based products. Based out of the Bay Area in California, we handle the design, development, manufacturing and production of products for various vertical markets. We are a family run company with over 30 years of industry experience. Our processing units are located in key procurement areas with an abundant supply of raw materials.

OUR BRANDS

PURE COCO[®]
PURE MIX[™]

Why Choose Coco Depot?

Premium Quality: Our coco coir products are crafted from the finest coir materials and undergo rigorous processing to ensure expected result

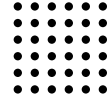

Sustainable Sourcing: We are committed to sustainable sourcing practices that reduce environmental effect and assist neighborhood coconut farming communities

Versatility: Our merchandise are flexible and adaptable, appropriate for a extensive variety of applications, from coir grow media, amendment to erosion control solutions

Expert Support: Our knowledgeable group is dedicated to offering extraordinary customer support and professional steerage that will help you make the maximum of our products

Grow Media

Grow media is the cornerstone of every successful gardening and farming, providing essential assistance, nutrients and moisture to help plant reach its complete capability. Our grow media products are made from the finest coir particles and subjected to rigorous testing to ensure they meet the best of standards. Each product is meticulously formulated to guide throughout plant lifespan, improve yield, and simply your gardening experience. We are committed to high quality and sustainability, fulfilling the multiple expectations of each gardener, from hobbyists to expert growers.

PURE COCO® ORGANIC COCO COIR BAG

Pure Coco® made of premium quality coco coir processed to specs and utmost quality standards. Pure Coco® products are clean, ready-to-use and easy to use.

Size : 31"x20"
Material : Organic coco coir
Packing : 80 bags/pallet

SKU: TCD01PCORG50L

PURE COCO® ORGANIC COCO COIR COMPRESSED BLOCK

Pure Coco® made of premium quality coco coir processed to specs and utmost quality standards. Pure Coco® products are clean, ready-to-use and easy to use.

Net Wt. : 11lbs / 5kg
Size : 11.5"x11.5"x5"
Material : Organic coco coir
Packing : 200blocks/pallet

SKU: TCD02PCO5KGPK

PURE COCO® ORGANIC COCO COIR COMPRESSED BLOCK

Pure Coco® made of premium quality coco coir processed to specs and utmost quality standards. Pure Coco® products are clean, ready-to-use and easy to use.

Net Wt. : 650 g
Size : 8"x4"
Material : Organic coco coir
Packing : 20 units/case

SKU: TCD02PCO650GM

PURE COCO® CHIPS COMPRESSED COCO BRICK

Size : 8"x4"
Material : Organic coco chips
Packing : 20 units/case, 54 cases/pallet

Pure Coco® chips made of premium quality coco husks processed to specs and utmost quality standards. Pure Coco products are clean, ready-to-use and easy to use.

SKU: TCD01PC0650G

PURE COCO® CHIPS COMPRESSED PACKAGED BLOCK

Net Wt. : 4 - 4.5 kg
Size : 12" x 12" x 4.5"
Material : Organic coco chips
Packing : 80 bags/pallet

Pure Coco® chips made of premium quality coco husks processed to specs and utmost quality standards. Pure Coco products are clean, ready-to-use and easy to use.

SKU: TCD01PCC4KG

PURE COCO® CHIPS 30L BAG

Net Wt. : 1cuft bag
Size : 17.5" x 26"
Material : Organic coco chips
Packing : 130 bags/pallet

Pure Coco® chips made of premium quality coco husks processed to specs and utmost quality standards. Pure Coco products are clean, ready-to-use and easy to use.

SKU: TCD01PCC1CUFT

Amendments

Enrich your soil, enhance your harvest: Introducing Soil Amendments

Soil Amendments are dietary supplements that act as catalysts for transform your harvest. Enriched with essential nutrients, aiding in microbial activities, our amendments are designed to invigorate depleted soil, restoring its vitality and fertility. Soil Amendments are meticulously crafted to rejuvenate and strengthen your soil for bountiful harvests, unleashing the potential of your soil.

PURE KARANJA BUCKET

Karanja Seed Meal is an excellent all-natural fertilizer derived after cold-pressed karanja seeds to extract Karanja oil. Great source of NPK & essential micro-nutrients. Improved soil biological matter. Slow release of nutrients helps balances feeding cycle.

Net Wt. 5 Gallon (18.9L)

Material Cold-pressed Karanja cake

Packing 80 bags/pallet

SKU: TCD01PKMEE-5G

PURE BIOCHAR BUCKET

100% pure premium biochar derived from coconut shells. Helps the plants get the nutrients they need & increases soil water retention & prevents water runoff. Improves soil microbiological activity & soil organic carbon content level.

Net Wt. 5 Gallon (18.9L)

Material Cold-pressed Biochar cake

Packing 80 bags/pallet

SKU: TCD01PBCEE-5G

PURE NEEM BUCKET

Neem Seed Meal is an excellent all natural fertilizer derived after cold-pressed neem seeds to extract neem oil. Nutrient-rich, neem seed meals are natural slow-release fertilizers and enrich and increase plant biology.

Net Wt. 5 Gallon (18.9L)

Material Cold-pressed Neem cake

Packing 80 bags/pallet

SKU: TCD01PNMEE-5G

PURE KARANJA POUCH

Karanja Seed Meal is an excellent all-natural fertilizer derived after cold-pressed karanja seeds to extract Karanja oil. Great source of NPK & essential micro-nutrients. Improved soil biological matter. Slow release of nutrients helps balances feeding cycle.

Net Wt.	0.5 Gallon (2L)
Material	Cold-pressed Karanja cake
Packing	80 bags/pallet

SKU: TCD01PKMEE

PURE BIOCHAR POUCH

100% pure premium biochar derived from coconut shells. Helps the plants get the nutrients they need & increases soil water retention & prevents water runoff. Improves soil microbiological activity & soil organic carbon content level.

Net Wt.	0.5 Gallon (2L)
Material	Cold-pressed Biochar cake
Packing	80 bags/pallet

SKU: TCD01PBCEE

PURE NEEM POUCH

Neem Seed Meal is an excellent all natural fertilizer derived after cold-pressed neem seeds to extract neem oil. Nutrient-rich, neem seed meals are natural slow-release fertilizers and enrich and increase plant biology.

Net Wt.	0.5 Gallon (2L)
Material	Cold-pressed Neem cake
Packing	80 bags/pallet

SIZE : 12" Dia x 10' Long

COCO NETTING

Eco Netting is a highly durable, organic netting made from a combination of natural fibers and is used for erosion control and sedimentation. It protects the soil and vegetation by acting as a barrier allowing water to pass through. It is woven with straw mulch to provide additional reinforcement and help reduce the carbon footprint in the area. Eco Netting is the perfect choice for any eco-conscious consumer looking for an effective erosion control solution.

EcoNet 400

THE COCO DEPOT

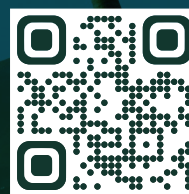

GARDEN AND HORTICULTURE PRODUCTS

We specialize in the design and development of coco based products. Founded in 2012, a start-up geared to service our Garden and Horticulture communities in the Bay Area. We have an assortment of Organic products for a more natural and environmental friendly gardening experience.

We own and operate 3 raw material processing units and contract 2 other large units to ensure adequate supply. Since inception, our customer base has and continues to grow.
