Valid from April 15th 2024

Founded on rebellious curiosity and a passion for the unique, Karakter is a bit out of the ordinary. Rooted in the proud Danish design tradition, but always maintaining an international outlook, Karakter presents a striking portfolio of furniture, lighting and objects from designers who have already written the history of design to those who are aspiring to write the future. All designers collaborating with Karakter are curated for their ideas and creativity and shared by all of them is an inspiring level of curiosity and an uncompromising take on their work. Boasting both the relevant and honest, the beautiful, the playful and the expressive, all designs have a clear, undeniable character. Ready to spark curiosity and start conversations.

At Karakter we produce great design pieces with character, honesty and beauty that move people emotionally and enhance their lives. Drawing on Italian and Scandinavian traditions, we build on the legacy of the mid-20th century masters and foster the same daring spirit in the contemporary generation. A portfolio of furniture, lighting and objects bound by shared beliefs and distinguished by form and expression. Pieces that become more beautiful with time and are treasured in any environment.
