# UP-TO

WITH THE GENERAL MANAGER

Dear Members,

We are officially on to a new year! Twenty-twenty-four is in the books and concluded another step forward in the continued improvements to

The Country Club of Indianapolis and the overall facility.

We fixed cart paths #1 and #18, renovated the upstairs bathrooms, repaired an aging irrigation pump, repaired the existing lift station, and replaced an HVAC unit in the women's locker room, to name a few improvements to CCI! We welcomed in 46 new members to our CCI family. With CCI's continued insurgence in attracting new members, particularly our young professionals and families, we have altered our social calendar to include more family-friendly events.

Our Team is preparing plans for this year's events and looking at adding some pop-up events too. Be on the lookout for our 2025 Events Calendar coming in the mail.

We are adding new staff to our team as we head into 2025. Please welcome to our CCI Team:

Casey Underwood—Golf Course Superintendent

Marissa Bruton—Banquet Manager

We have had a few bumps in the road with staff in the past year or two. I feel like we have improved upon our hiring/interview process this year and expect a more long-term focus with the staffing we have in place.

# -THE-MINUTE

I would like to thank our existing team for all their efforts in providing tremendous member experience and service on a daily and weekly basis. Our team has been extremely diligent in creating a positive work environment and a quality team culture. I am excited for the future growth of CCI in 2025 and beyond.

We are working diligently at finalizing our simulator room and should have that over the goal line soon.

Our membership and marketing team is embarking on a Q1 Membership Drive that will hopefully attract new members who will add to the vibrant club culture we have developed over the past few years. We are also working on a 2025 Member Referral Program to be promoted by the end of February.

January is off to a cold and snowy start, so those members who are in Florida- we are all very jealous!!

We look forward to an exciting 2025 season, and we look forward to seeing you all around the Club!

Sincerely,

**JEFFREY PARSONS**

WITH LIZZY MIDLA

---

Hello everyone,

We want to make sure you never miss out on the exciting happenings at the Country Club of

Indianapolis! One of the best ways to stay up to date with all our upcoming events, dinner specials, and important announcements is by utilizing the Clubster app. This easy-to-use app provides you with real-time updates and is the perfect way to keep your calendar in sync with all that's going on at the club.

For those who prefer a more traditional route, you can always find printed event flyers in a few key spots: right outside the workout room, at the bottom of the stairs outside the men's card room and outside of the main office.

### **WINE PAIRING DINNERS—A CLUB FAVORITE!**

Our Wine Pairing Dinners have been a huge hit, and we're thrilled to see so many of you enjoying these intimate events! With only 29 spots available per dinner, they offer the perfect opportunity for great conversation

and exquisite food and wine pairings. Spots fill up quickly, so if you are interested, we highly encourage you to RSVP right away to guarantee your place.

---

## *Events to Beat the Winter Blues*

---

While winter may be a quieter time for the club, we're still planning plenty of fun events to keep things lively from February to March. Whether you're looking to enjoy a cozy Date Night, try your hand at Poker Night, or enjoy a fun evening of Trivia, Euchre, or a Cork & Craft event, we've got something for everyone. Of course, we'll be hosting even more Wine Pairing Dinners, so there's no shortage of exciting things to look forward to.

Stay tuned for more details and make sure you don't miss out on any of the fun! We're excited to keep the energy high and the good times rolling all winter long.

Best,

## *Looking Ahead in 2025*

---

The calendar year may have just begun, but 2025 is already PACKED with some exciting and new clubhouse events for everyone! My personal favorites are:

**DATE NIGHTS:** CCI will entertain the kids so you can enjoy a nice, quiet meal...alone.

**CORK & CRAFTS:** Learn a new skill or create something special while sipping on some wine.

**BRUNCHES:** My favorite meal of the day, highlighted once a month!

---

## *New Year, New Members*

---

If you see a new face around the club, introduce yourself! In 2024, we welcomed 57 new members into the CCI Family. It is exciting to think about the membership possibilities in 2025! We invite you to share the joy of membership this year. Experience the club lifestyle with your closest friends, family, and colleagues. If you have someone in mind that would cherish our exceptional offerings, send them my way!

## Private Events

Room rentals are always free to members, but did you know that you could also sponsor a non-member? That means, if you know someone looking for a venue, you can send them to CCI and they will not be charged a room rental fee just because they know you! The type of events that can be hosted here are unlimited: corporate meetings, holiday parties, graduations, weddings, and more!

**BALLROOM:** 180 person capacity

**PARLOR:** 50 person capacity

**19TH HOLE:** 50 person capacity

**FOUNDERS ROOM:** 50 person capacity

## New Features

We are continuously looking for new ways to elevate the CCI experience. This past year, we updated the main level bathrooms and created a golf simulator room. Next time you are at the club, be sure to check both these spaces out!

## Shining Stars

Along with our valued members, the staff at The Country Club of Indianapolis are committed to producing lasting impressions that help make the club experience a spectacular one. If you notice a shining star amongst our staff, please share your experience with us. We want to celebrate the staff personnel that go above and beyond for our members and their co-workers.

# TEE BOX

Dear CCI Members,

Happy New Year! As we tee off 2025, I am thrilled to provide some off-season tips and share some exciting developments at our club that will enhance your golfing experience both on and off the course.

## *Off-Season Fitness Tips*

The off-season is a fantastic time to focus on your fitness and overall well-being. Incorporating strength training, mobility exercises, and cardio into your routine can not only enhance your golf performance but also improve your everyday life.

Improving your golf swing starts with focusing on key fitness areas during the off-season. Here are some specific aspects to target:

**CORE STRENGTH:** A strong core is essential for stability and power in your swing. Incorporate exercises like planks, reverse crunches, and heavy carries.

**MOBILITY AND FLEXIBILITY:** Dynamic stretching and yoga can improve your range of motion, helping you achieve a full backswing and follow-through.

**LOWER BODY STRENGTH:** Squat and lunge variations will enhance your ability to generate power from the ground up.

**SHOULDER AND BACK STRENGTH:** Strengthen these areas with exercises like rows and shoulder presses to improve swing consistency and prevent injuries.

**CARDIOVASCULAR FITNESS:** Build endurance with activities like running, cycling, rowing, or swimming to maintain energy levels during long rounds of golf.

# STATE

# OF T

Hello Membership,

Please allow me the pleasure to introduce myself. My name is

Casey Underwood. I have a nine-year-old son named Max and a beautiful fiancé named Katie. Our home wouldn't be complete without our two cats Slayer and Boots.

I started working on a golf course in my later years of high school soon to find it was something I enjoyed and decided to further my education at SUNY Delhi. During those years I had the opportunity to work at some great golf courses along the east coast. In 2014, I accepted a job at Victoria National Golf Club and dedicated 10 years to a wonderful property. After years of hard work, I am happy to be here and call CCI home.

All the best,
