2015

Hello Creative Family,

Wow! We just had our 25th anniversary celebration! I can't believe how fast the time flew by. We had so many people returning to buy again, enjoy all the food and beverages and take advantage of all of the manufacturers that were there to help with the special pricing that was given to us. It was non-stop from open to close! I personally just want to give you all a huge THANK YOU once again for your loyalty. April was our biggest retail month in our 25 year history. We continue to grow because we have great employees who we treat as we would want to be treated. And because of that, we have employees that will go the extra mile for our friends.

I would be remiss if I didn't thank God for all he has done. If you aren't a believer, that is okay. That's what makes America America! But for us, it is central to the way we conduct ourselves. We are in no way perfect, but we try to treat everyone as a valued human being - which they are. Your continual, repeat business is evidence that we are doing something right.

In any event, I want to thank you as always for your business and your referrals. I cannot emphasize enough what a referral means to us. Thank you so much.

Get ready to enjoy the summer that is right around the corner, and thanks for your continued support!

God Bless and Thanks Again!

Mark Sr.

DID YOU KNOW...

Creative Carpet & Flooring recommends our own soap-free spotter available for purchase???

The first step towards keeping your carpet clean is to never buy any spot cleaners with detergents in them. Most store-bought spot cleaners are detergents and will leave a soapy residue on your carpet. You won't feel it but will start seeing dark spots everywhere it was used. If you listen to us, there should be no reason to ever have reoccurring spots on your carpet. Just pour a little in your hand and see the soap, and you will understand what we are saying.

As always, feel free to call Creative Carpet & Flooring at 708-479-8600... we're here to help!

"I have used other carpet installers who have explained away bad installation work as 'the industry norm.' Creative Carpet has always done a great job installing quality products quickly and cleanly. I won't use anyone else." - Anonymous

"We're very happy with our new carpeting. I love taking my shoes & socks off and walking barefoot in it - If we have a need for more carpeting we will definitely use Creative Carpet & Flooring." - Ed & Ann Brink of Mokena, IL

"Creative Carpet installed a hardwood floor in my master bedroom. From the original visit to showroom, where they went out of their way to explain the many choices available, to the measure person, who was very professional and pointed out various possibilities, to the installation crew, who were extremely competent & went the extra mile to make certain the floor was perfect (AND did a great clean-up job) - everyone was great! I highly recommend Creative Carpet for any flooring needs." - Phyllis of Mokena, IL

Dear Markie...

Dear Markie: "I was told that new carpets will off gas for at least 2 years, is this true?" - aroma in Aurora

Absolutely not! Most "off-gassing" of new carpet is complete within the first 24 hours or so. Properly ventilate with good air exchange for approximately 48 to 72 hours. The new carpet smell should dissipate within this time.

Cheaper by the Dozen

Often it seems that bigger is better, that the large economy size of anything is automatically the best buy.

But is it really? Do other factors come into play?

Some grocery stores and other retailers are friendly enough to include “unit prices” on the shelf label. If they don’t, you can do a rough mental math estimate – which is usually close enough – or employ a calculator or app.

If it actually is a bargain, other considerations may include:

- ✓ Is it practical? Do you need or will you ever use all this merchandise?
- ✓ Will you use it up before the expiry/best before date?
- ✓ Do you have room for it?
- ✓ Penny wise and pound foolish: are you spending a lot to save a little?

STAINMASTER® Sit, Stay & Save Event

STAINMASTER PetProtect is the official carpet sponsor of the ASPCA. This year, Creative Carpet & Flooring will be hosting a “Sit, Stay & Save” pet adoption event with a local ASPCA affiliated shelter.

We are excited to team up with a local ASPCA shelter that focuses on placing homeless dogs and cats in forever homes. A portion of the sales from the day will benefit the animal shelter.

We are also excited to put STAINMASTER PetProtect to the test and give customers an opportunity to purchase STAINMASTER carpet at a reduced price. The STAINMASTER PetProtect carpet is specially designed to resist difficult pet stains, easily release pet hair and help reduce odors. It also offers resistance to foot traffic.

We are currently working on ASPCA affiliated shelter details, dates and times. Keep an eye open on our website, facebook and July's newsletter for event updates!
