

Economy Shelving

Specification

BISLEY

However unique your environment, with Bisley you'll always find storage that's durable and flexible. Bisley's high-density storage solutions are designed specifically for freeing up space where it's needed most.

Economy Shelving is a practical and versatile steel shelving range that can be organised to suit diverse space requirements. Assembly is quick and easy and once assembled, the shelving is strong and robust.

Features & Benefits

Supplied as self assembly for ease of transportation.

Smooth roll-formed uprights.

Load bearing of 45kg per shelf.

Range Overview

All Economy shelves are available in 4 depths: 300mm (11.8”), 360mm (14.2”), 400mm (15.7”) & 460mm (18.1”)

Available in 2 heights:
1832mm (72.1”) &
2192mm (86.3”)

Available in 4 widths: 800mm (31.5”), 832mm (32.8”),
1000mm (39.4”) & 1032mm (40.6”)

1022ESSTK40

Specification Notes

Finish options:

All Economy Shelving are available in the steel paint finish 'Light Grey' only.

Light Grey
AV7

Additional information:

Please note that a frame is comprised of one upright and two end plates.

Extension kits and shelves need to be ordered separately using the codes listed.

* Frame = one upright and two end plates.

** A cross bracing kit needs to be supplied for every second extended bay.

*** We recommend having six shelves per bay.
