We offer a vibrant program for women that perfectly complements any in-house professional development. Through high-impact engagement, practical tools, and carefully designed resources, your female employees can navigate their careers with balance, clarity, and confidence.

KEY THEMES INCLUDE:

Leadership &
Influence

Resilience and
Adaptability

Relationship
Building & Strategic
Networking

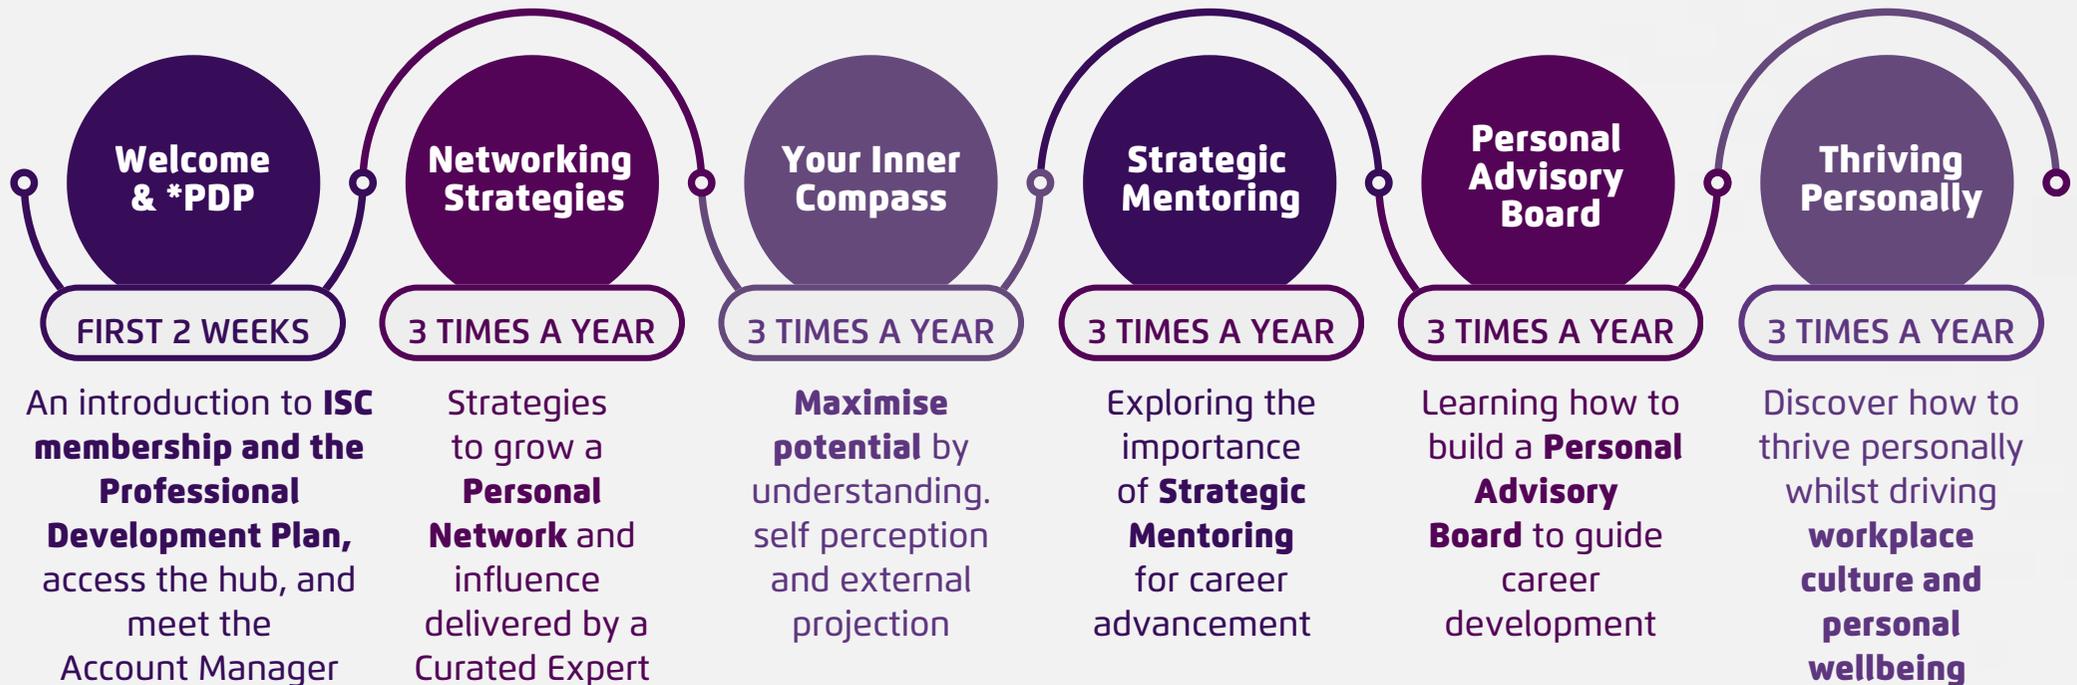

Navigating
Career Progression

Digital
Transformation
and Innovation

Breaking
Barriers

ISC MEMBER JOURNEY - NEW

The structured 12-month Member Journey is designed to build confidence, expand networks, and provide practical strategies for professional growth. Your female employees can take part in five core sessions, plus a welcome session on a rolling programme. This closely follows the ISC Professional Development Plan gifted to each member to personalise. Many of our corporate partners are now making this a mandatory part of their in-company staff development for ISC members. Sessions include:

Open to:

UK | US | Canada | Switzerland | France | Ireland | Bermuda

CREATING FUTURE LEADERS - WEBINAR EXAMPLE

This webinar series invites leaders and rising talent to explore bold, authentic, and embodied leadership rooted in emotional intelligence. Through interactive dialogue and coaching reflections your female employees can hear real-life examples and strategically develop their career. Using high-profile speakers, coaches, and mentors all of our programmes, our program offer a value estimated at 20 times the cost of membership.

Redefining Power:
Leadership on
Your Teams

Holding Your Space:
Embodied Presence &
Emotional Authority

Speaking with Power:
Voice, Visibility &
Vulnerability

Boundaries, Self-
Trust & Leading
Without Apology

Intuitive Leadership:
Reclaiming the
Wisdom Within

The Future is
Balanced: Visioning
& Legacy

CREATE INCLUSION AND BELONGING WITH THE ISC CULTURE TOOLKIT

Drawing on our work with more than 100 organisations and over 20 years experience, we can help your organisation uplift women and strengthen workplace culture through bespoke in-house workshops, round-tables, and development sessions. Our curated network of speakers, facilitators, coaches, and mentors deliver high-value, engaging, and practical experiences that drive meaningful change and lasting impact for your teams.

ISC Culture Toolkit offers a range of trending theme and topics, with sessions tailored to your organisation's needs. Each session is grounded in deep expertise, reflecting our experience of equipping leaders and managers to foster meaningful internal conversations that drive culture change.

Themes include:

Leadership &
Management

Creating a
Balanced
Culture

Wellbeing

Upskilling &
Development

Talk to the ISC team about how we can support your leaders and managers through the ISC Culture Toolkit.*

^Pricing may vary based on speaker selection. Requests for specific senior or high-profile speakers will incur additional costs, negotiated by ISC on the client's behalf.
