Tarantulas and Other Spiders (model book)

Spiders are everywhere. With tens of thousands of species, there are three million spiders for every one human on Earth. As it turns out, only a few deserve our fear, but all deserve our respect. Prepare to enter the world of venom-spewing, poop-flinging, protein shake-slurping, dart-throwing creatures that are much more interested in eating each other than in biting you! Includes a greenbottle blue tarantula exoskeleton model blistered on the cover!

ISBN: 9781546148449

List Price: \$13.99

Age Range: 8 and up

Components: Book with greenbottle blue tarantula exoskeleton model
