Lever Operated

If you're manufacturing timber front entrance doors for a property that requires classic style ironmongery and modern multi-point locking mechanisms, then we've got you covered, with these furniture products from our Timber Series range. What's great is you can match your handles with a letter plate and door knocker to complete a suited look.

Hardware required

1 x Door Handle, 1 x Letterplate, 1 x Door Knocker

+

or

+

or

Slam Shut

If it's a slam shut door required, you can replace lever handles for an escutcheon pull and door knobs, all matching in either of the 7 finishes available.

Whichever style or locking mechanism you're using, this range of furniture will provide a consistent look throughout the property.

Hardware required

1 x Cylinder Pull & Escutcheon, 1 x Door Knocker, 1 x Letterplate & 1 x Door Knob
