On Our Cover...

... is **HRCH Outlaw's Sweet Magnolia**, a four-year-old female, yellow Labrador Retriever. Owned by Heather and Adam Gaylor, owners of Outlaw Ridge Kennels of Dennis, Mississippi. Photographed by Keegan Block.

"Maggie earned her HRCH this summer and headed to Kansas to pick up ducks for the season. This is her first season to pick up ducks and her outfitter has brought down 1000 ducks so far with her retrieving the majority of them! She loves to retrieve ducks and as much as she likes to snuggle on the couch!"

Do You Want Your Retriever On the Cover?

We're always looking for cover photos for HUNTING RETRIEVER magazine. If you have a photo you feel is cover quality, please send it in. Following are the guidelines:

1. All dogs in the photo must be UKC registered.
2. Supply the following along with the photo - the owner's name, contact information and HRC membership number, dog's UKC registration number, and a short write-up.
3. If the photo was taken by a professional photographer, written permission to reprint must accompany the submission; for example, an email.
4. Vertically aligned photos are preferred. All photos must be in focus, of sharp resolution, and in color. Digital photos must be 600 dpi. Send your photos by mail to: HUNTING RETRIEVER Cover, 100 E Kilgore Rd, Kalamazoo MI 49002; email to: huntingretrievermag@ukcdogs.com; or via the UKC website, <https://www.ukcdogs.com/cover-dog>.

INHERENT RIGHTS AND POWERS OF UKC

**(Revised December 18, 2009)*

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC.
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

Hello, everyone.

Hunt test season is already in full swing in the South. It seems we are starting earlier every year. Some of the early tests occur before duck and goose season ends.

We want to welcome five new clubs that will be holding preliminary tests during the next few weeks. The clubs are Cimarron Valley HRC in Oklahoma, Mountain West HRC in Utah, AmberJack Farms HRC in Arkansas, Hoosier Creek CRA in Iowa, and Lake Country RC in Minnesota. We are looking forward to these five clubs' preliminary tests and welcoming them to HRC. HRC continues to grow.

The Spring Grand has closed with 834 entries. We are excited and happy to be going back to Omaha, Georgia. Renee Archer

and Scott Norman, along with the Old South HRC, have been hard at work with Tracy Stubbs and the Grand Committee to make the Spring Grand another successful and entertaining event. Good luck to all the owners and handlers.

It is that time of year again when club charter fees are due. Dues will become overdue on June 1. Clubs that are overdue will not have a vote at the annual Board of Directors meeting nor be able to schedule or hold a licensed hunt test.

The National Meeting will be in St. Louis, Missouri. We will be at the Sheraton again. The annual Board of Directors meeting will meet on June 8. If you are making a reservation, please notify the hotel that you are with the Hunting Retriever Club.

Please take time with your clubs to read, discuss and vote on the new running rules proposals. Each club has one vote per proposal and your vote should be returned to your Running Rules Rep for final tabulation. The Executive Committee wants everyone in HRC to have a voice in our organization.

Happy spring!

Train hard, play hard.

Dog to the line!

Jack, Glen, Sarah, and Kristine

Note for Dogs who had Earned 100 Upland points before January 1, 2024:

For dogs that earned 100 Upland points before January 1, 2024 and wish to have the Upland Hunter Champion title, submit a Title Issue Application found under "Forms and Rules" in the "Hunting Retriever" section of the UKC website.

MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

Entries for the 2024 Spring Grand must be **ENTERED** on or before
12 noon CST March 6, 2024 at www.HRCEntry.com
Opening date to enter will be February 14, 2024.

REQUIREMENTS AND POLICIES FOR PARTICIPATING IN HRC INTERNATIONAL GRAND HUNTS

THE PREMIUM REQUIRES THAT YOU HAVE READ AND UNDERSTAND THE FOLLOWING INFORMATION:

ENTRY FORMS: must be made online at www.HRCEntry.com. The participant will have until **12 noon CST March 6, 2024** to enter to be eligible for entry in this Grand Hunt.

IN ORDER TO ENTER ONLINE:

- HRC Membership number for both the Owner and the Handler must be valid as of the entry deadline date.
- A valid UKC Registration at time of deadline.
- Only one (1) Handler - the individual actually handling the dog.
- Electronic acceptance of the Release of Liability and certifying the immunizations of the dog are current and appropriate.
- Acknowledgment and acceptance of the terms and conditions of refund policies.

CONDITIONAL ENTRY: A Conditional entry may be received on or before **12 noon CST March 6, 2024** without a dog acquiring the necessary 100 HRCH points to enter the Grand event. It is the **OWNER'S** responsibility to ensure that his/her dog is eligible to be entered. Any dog entered in the Grand that does not have 100 points **PRIOR** to the Grand, will not receive Championship Points or Grand Pass credit, if the dog passes the Grand. Please contact the Secretary to remove the conditional entry from the Grand Hunt. Entry fee less \$75 scratch fee will be refunded to the Owner. **Plaque fees are not refundable.**

ELIGIBILITY - It is the owner's responsibility to ensure that:

1) his/her dog is eligible to be entered (has earned HRCH); 2) the Owner listed is the Registered Owner on record with UKC; and 3) both the Owner and Handler have provided HRC Membership numbers and both must be **valid as of the entry deadline date of March 6, 2024.**

ANY OF THE ABOVE ITEMS LISTED IN ERROR SHALL PREVENT THE AWARDING OF POINTS AT THE CONCLUSION OF THE EVENT.

REMEMBER GUN SAFETY & SPORTSMANSHIP!

HRC, Inc. Grand Hunt Committee:

Tracy Stubbs - Grand Hunt Chairman
Dean Roy, Jimbo Earles, Leroy Mason, Kim Olson, Pat Johnson, Mark Leahy, Ken Reinert, Kevin Hannah, Rusty Noahr, Clayton Taylor, Derrick Watson & Mike Botts

Judges: TBA

Local Grand Hunt Committee:

Hunt Chairperson: Renee Archer
Co-Chair/Marshall: Scot Norman

LOGISTICS: Handlers choosing to travel in the same vehicle must make their own logistical arrangements in order for each handler to be at the appropriate series when it is their turn to run.

FLIGHTS/RUNNING ORDER: Handlers MAY request being in a Flight with someone else and all reasonable attempts will be made to honor the request. Handlers sequence preference of running their dogs will NOT be accepted. **No changes will be made after the deadline date.**

SCRATCHES: Scratches no longer require a Veterinarian's Certificate (Illness, Injury or Bitch in Season). Plaque fees **are not** refundable. Scratches are subject to a \$75 fee after the close of the entries. This fee is not imposed on scratches with replacement dogs. Scratches prior to the close of the entries are fully refundable less any processing fees.

Handlers - Check-In and Meeting: Friday, April 19, 2024

Handler Check-in and Meeting - times will be announced at a later time.
ALL GRAND FUNCTIONS WILL OCCUR ON EASTERN STANDARD TIME.

The Bradley Farm is located in GA. But on the Georgia/Alabama border and Alabama is CST zone. Therefore, if your phone setting is on "automatic date and time" the phone will bounce between CST and EST. Please make sure your time zone is set on EST which is the time zone all Grand functions will occur regardless of function location.

See Hotel / Lodging sheet for bird ordering informaton.

Handlers must wear Camo/Hunting Attire

COURSES: Ducks, Chukars/Pheasants will be used in all hunts.

PRIZES: 40 United Kennel Club Championship Points

ENTRY FEE: \$400.00

PLAQUES: \$42.00 Plaques of participation in the Grand Hunt are available by pre-order only and will be mailed directly to owner/handler by the company. The Grand is not responsible for the plaques. They are ordered through EntryExpress. **Fees are nonrefundable for plaques ordered.**

"It all began when my future husband (Although I didn't know that at the time) gave me a little black puppy from a litter that I helped to raise. Thus started a wonderful journey for me and my little black pup. Learning to train and handle a hunting retriever, handling a Remington 870, running HRC hunt tests, judging hunt tests, travelling and meeting dog folks from all over this country and Canada, all as a consequence of that little black puppy with the blue ID collar. Tom often jokes that he had to marry me to get his puppy back. Thank you, Blu, for what you have given to me..."

HALL OF FAME SHOWCASE

GRHRCH(6) HOG LIVER'S LOAD'EM UP JEEP MH MNH HOF

Requirements for earning a Hall of Fame certificate were set forth by HRC. A dog is required to have passed four Grand Hunts and have accumulated 1,000 Championship Points. Fewer than 100 dogs in the history of HRC have accomplished this. UKC has reached out to HOF dog owners to showcase these incredible athletes. Read about them in this series.

“Since Jeep was a puppy she has had an old soul about her. She seems to interpret your mood and her surroundings – and she adapts her level of excitement to match what is needed.”

Amateur Handler, Dustin Hightower from Bremen, GA

GRHRCH(6) Hog Liver’s Loed’Em Up Jeep MH MNH HOF, Female, Labrador Retriever

Feature Photo Provided by: Dustin Hightower

Q: Are you a professional or amateur handler?

A: I am an amateur handler.

Q: How long have you been involved with HRC? And how did you get involved?

A: I have been involved with HRC since Jeep was a young pup. Mr. Jerry Day introduced me to the HRC hunt test world, and I will be forever thankful to him for his friendship and guidance. I spent a lot of time at Mr. Jerry’s place in Coweta training Jeep. As Jeep’s talents developed and matured, Mr. Jerry introduced me to Stephen Durrence. Stephen polished Jeep’s work and demanded perfection. I also learned Stephen demands a lot out of his amateur handlers as well. Jeep has passed the HRC Grand six times, and with Stephen’s guidance Jeep *and I* have passed the Grand two times (Stephen and Jeep passed together the other four). I can [say] with confidence, the world would have never known Jeep’s full potential without Stephen Durrence.

Q: What is Jeep’s personality like?

A: Since Jeep was a puppy she has had an old soul about her. She seems to interpret your mood and her surroundings—and she adapts her level of excitement to match what is needed. When we have visitors to our home, Jeep is laying on the floor like a dog twice her age—I cannot tell you how many times we have heard, “That’s the dog that won all those ribbons and plates in the other room?” I always smile because the look of confusion on their faces says everything, they cannot understand how a dog seemingly this lazy can also be the dog with the intense drive, focus and agility needed to achieve the titles they see on the wall. With my children, she will lay down and let them pull on her from head to toe—she lets my daughter dress her up and she allows my son to pretend she is a dinosaur. However, when I bring her to the field for training, she is all business, and solid as a rock.

Q: Who were Jeep's sire and dam?

A: Sire: FC AFC Fen Wizzard;

Dam: Amelia PF Flyer

Q: What are her strong points? Does she have any weaknesses that you've had to work through?

A: As a strength, Jeep would hunt, train, and follow my lead everyday all day. Jeep is very consistent. She is going to give me the same level of excitement and drive in almost every situation. Weakness, Jeep will sometimes test what you will let her get away with, and this tendency has grown as she has aged.

Q: At what age did Jeep acquire her first title and at what age was she when she entered the Hall of Fame?

A: Jeep earned her Started title (SHR) at ten months; she earned her Seasoned title (HR) at fifteen months; she earned her Finished title (HRCH) at eighteen months; she earned her Grand title (GRHRCH) at four years old and finally, Jeep earned her HOF status at eight years old.

Q: Did you train Jeep? If not, who did you train with?

A: While Jeep and I train a lot together, there is no way Jeep would be the dog she is today without the help of Stephen Durrence, Jerry Day, Josh Cantrell, Shawn Sims, and several

others from training groups and club members. I would love to take all the credit for Jeep's success, but that would not be the truth. It often takes a village.

Q: How would you explain your relationship with her?

A: Jeep is my dog of a lifetime. She goes almost everywhere with me. I look forward to seeing her each morning almost as much as she looks forward to seeing me each morning.

Q: What is a favorite hunting story that you have with Jeep?

A: We were hunting in Arkansas in a pit blind over a flooded rice field, and a member of our hunting group winged a duck that locked up and sailed out of sight and over a levy on a field adjacent to our field. We all saw the duck finally drop, but we never saw a splash because the terrain and levy blocked our view, and there was a large irrigation ditch approximately eight to ten feet deep and 25 to 30 feet wide between the fields separating one levy from the other. The guys said send Jeep. I said, "No way, I don't even know if the bird is actually dead, and that has to be 400 to 500 yards away." However, Jeep was locked in. I told her no bird twice, but she would not turn away. I very reluctantly gave in to better judgment (I don't think I would send her today), and I placed my hand over her head and gave a loud "JEEEEEEEEEP!" She took off like a rocket. I watched her crash through the water, dead set

on what she saw. I watched her climb the levy and then disappear. She reappeared for a moment as she topped the levy of the other field, and then she was gone again. My stomach was in knots. I was immediately regretting my decision. I had no idea if this bird was dead, crippled, or anything. I had made a decision based on pride and ego, and I was hating myself for giving in. After what seemed like ages, I couldn't take it. I emerged from the pit and set out to find my dog. I took the levy road the pit was buried in. When I finally saw Jeep, she was only a dot in my binoculars, and she was crashing through the water after that cripple. I watched her relentless drive and determination. She finally pounced on the duck and headed back to me. I wasn't about to take this huge moment from her. I raced back to the pit, and awaited her arrival. When she finally returned, everyone in the pit agreed, what we just saw was amazing. To many this seems like just another day in the flooded fields of Arkansas, but this was Jeep's first official Arkansas hunt—I was a proud daddy.

Q: What, to you, makes Jeep a Hall of Fame dog?

A: Her unwavering love for me and my family.

Q: What does having this Hall of Fame accomplishment mean to you?

A: This is an accomplishment that Jeep deserved. Everyone

knows that it is extremely difficult to pass the Grand one time, let alone four times (the number required to be eligible for the HOF). In the spring of 2023 Jeep and I made a full sprint to achieve the points required to qualify. The HOF lets everyone see how special Jeep is and shows how good of a teammate she is. I do not know if I will ever achieve HOF status with another dog, but Jeep and I did it together.

Q: What words of encouragement do you have for those striving to reach the Hall of Fame?

A: Enjoy the ride! Enjoy the journey! To reach HOF status Jeep and I have run HRC hunt tests from Texas to Arkansas to North Carolina to South Florida, and just about every state in between. Enjoy every moment and memory you make together as a team. My wife tells me that I am never going to be ready for the day Jeep is no longer with me and my wife is right, but I will have cherished memories and stories that I will hold tight forever.

Q: Do you have any final advice for those just getting into the world of HRC?

A: Jump in, and start enjoying your dog. We only have them for a little while. Join a club, find a training group and have fun with your dog.

HRC Youth: Seasoned and Finished Test Handling

Rich Carpenter | 22039 County Rd 9, Weldona, CO 80653 | rich@theriverbottom.com

“Why a youth guide for handling and not just a general guide?” You ask. Well, for most of our young folks, when they step to the line for a dog’s first run at Seasoned or Finished today, it’s likely with the first dog they’ve trained to this level, and the first time they’ve ever handled at this level. Also, my experience is that most of our young folks are eager for information they can use, are quick studies, and (unlike us grown-ups and geezers) are not convinced they already have “the plan” when it comes to handling. Plus, they don’t have so many bad habits to break, so they can just gradually, and more quickly, become good handlers. Another reason is that for us grown-up handlers, we can pick the brains of other adult handlers. Often there are few youngsters running Seasoned and Finished, so fewer of their peers to learn handling from.

You might also ask, “What makes you think that you are qualified to write any guide on handling, let alone steer us youthful handlers astray?” Well, finally a question I can answer easily and quickly: because I have made every bone-headed handler mistake that is known in all of HRC, and most of them six or eight times. I represent the finest of the “do-as-I-say, not-as-I-do” HRC handlers. Anyway, I like kids and young adults. They got the right attitude and always make me glad I refused to grow up.

Any of you who know in your heart you just plain ain’t still in the youth category, go ahead and read this, but don’t expect it to help you as much as those younger folks who got quite a few more active brain cells than us.

If you are still running Started and have not yet tried your hand at Seasoned or Finished, what makes handling there so different? Well, pretty much when you kick a dog off after a bird from the Started line, you have done most of your work. Oh, you can hope and pray and display all sorts of grimaces and body language, but pretty much, the dog will be back with the chicken or it won’t. You can be happy or sad at the results, but you usually can’t affect the outcome too much. The judges tell you what bird to pick up, and there are no choices you need to make.

Now when you get to Seasoned, things are a little different. You and your retriever are going to need to begin to come together as a team. While judges make a real effort to isolate the various parts of the Seasoned test, there is still more excitement and complexity than Started. You as a handler are now going to start earning your keep. Clearly you need to train for a higher level of retriever skills, but you also need to train yourself to handle such that you give your dog the best chance of passing.

Taking time to get the best initial line possible on blind retrieves is important. But we don’t want to overdo it, particularly with a young Seasoned or Finished dog that still doesn’t have the fine adjustment clicks.

Then you survive Seasoned and work on the skills needed to make the jump to Finished. What a difference! But, how you approach your handling job becomes a major ingredient in whether your dog typically passes tests with flying colors, regularly hangs you out to dry on the ‘dog’ clothesline, or way too often, ends the run with a swirl and a gurgle as any chance at a ribbon goes down the drain. Even when the dog has the proper training to be running in Finished, you as the handler can really make that much difference.

We are not going to talk about training here. That’s something you are clearly doing or you wouldn’t be thinking about handling at these two levels. I will only say

that as you go up in level, control becomes more of the game. For every time you will fail in Seasoned or Finished (and particularly Finished) for lack of marking skills in your dog, you will fail ten times for control-related weaknesses. If you do not have a reliable “Sit,” use all your training resources and contacts to get that. So much of control somehow comes back to Sit. Without Sit; you ain’t got squat! Remember the basis of my expertise? I once had a Finished dog who thought saying the word Sit and a blowing a single whistle blast were just things I did to amuse myself, and really didn’t apply to him. We didn’t pass a lot of Finished tests. Since then I make sure I have a dog that sits 99.9% of the time. I’m gonna let you guess which one makes my life more pleasant on the line at a test.

Finished set-ups can be very different in terms of getting to and from the line, whether you have the working dog or the honor dog. Judges may indicate how they want working and honor to come and depart.

Seasoned Level Handling

Much of what you will start applying to Seasoned, will carry over to Finished. We’ll look at a number of handling issues, in no particular order. If you run as #1 dog, you only get to see the test dog before you run, so watch closely and listen carefully to the judges’ description and

instructions. Fire away with any questions you have. If you ask it, there are probably several others glad you did. If you run later, closely watch as many dogs ahead of you as you can. If you have time before you run, ask for a little advice from an experienced handler.

You head for the line. You have a blind to run. If you’ve seen dogs run, where are the problem points? If you’ve not seen a dog run, other than the test dog, what’s your best guess or the thoughts of an experienced handler? If each dog ahead of you has been sucked right, be ready for it with your dog. What is the alley you will try to hold your dog within on the way to the blind? Get the dog lined up as close as you can on a line to the blind. But understand that most Seasoned dogs and even young Finished dogs, can’t be aimed as finely as we like. Read your dog, but if it’s getting nervous, get as good an initial line as possible, kick it off and handle. *A major ingredient of good blind running is that you must be quick enough on the whistle to keep your dog from ever getting off the acceptable alley to the blind, not reacting once the dog is off the alley and in trouble.* Ginormous difference! How fast is your dog? If the dog is a fire-eater, you best kick it off and immediately pop that whistle in your mouth, plug the opening with your tongue and build up some pressure so you can instantly blow it. It’s just amazing how much ground a fast dog can cover while you reach for your whistle. And that’s if it’s not under your coat when you need it. Again, don’t ask how I know that. If your dog is slower, you have a bit more time, but the plan is the same. When it comes to the whistle, you can almost never blow it too soon. When you give a “back” cast and your dog goes “over,” you have a cast refusal. You can hope the dog will turn that illicit over into a back, but trust me, it ain’t gonna happen. Well, maybe once in your lifetime, but that’s long odds. The instant you sense or see your dog is responding other than the way you want, get back on that whistle. Don’t let it build momentum going the wrong way. It is far easier to keep a dog out of cover than to get it back out. Your dog is rolling right for the blind and you think it may line the blind. Have the whistle pressurized and ready to blow. For many a high-rolling dog has passed one step upwind of a blind and suddenly the “lined” blind turns into a rodeo. No extra points awarded for lining the blind. Don’t let that happen to you. Don’t be afraid to blow the anchor whistle as the dog arrives. As you run blinds in training, focus on what your dog does in response to you, and to various factors. Learn to read your dog and know what it most likely will do in different situations.

You are going to get a walk-up and a diversion. You’ve trained your dog. Have you trained yourself to have your whistle in your mouth as you start both of these parts of the test? Do you remember to give a come-in or sit whistle as the diversion bird goes up? Just remember, it’s usually much harder to stop a dog heading full tilt for the diversion than it is to just keep it coming to you.

Are you ready for the marks? Where will they land?

Will the marks have nice reasonable separation, or will you need to come around 180 degrees? Can the dog just sit and move its head, or will you have to reposition it to bring it around? Where should you have your dog pointed initially to maximize its chances of marking both birds if it doesn't reliably mark off the shotgun? A controlled break may not be fatal, but a full break is guaranteed to fail you. Have you thought about the situation where your dog has some trouble finding a bird? When might a recast make sense? You won't have this luxury when you move to Finished. At what point do you decide to handle?

Finished Level Handling

Now things get even more interesting, and teamwork between you and your retriever should be spelled with a capital "T." While the Seasoned tests try to minimize any interaction between various aspects of the test, in Finished it is just the opposite. Now we are talking about not just a good hunting dog that has the HR title, but with the HRCH title we are talking about bragging rights on the swamp. We are talking about the hunting dogs that will get that small percentage of the most difficult birds to retrieve, which otherwise would become dinner for the foxes and raccoons. So, within reason, all is fair, and tests are set so that marks and blinds interact with each other, control becomes critical, and tests can be of a nature and level of difficulty where each team needs to approach running the test with a strategy that reflects the strengths, weaknesses, tendencies and experience of both the dog and the handler. For example: A test may be set up where three marks are thrown from left to right. The judges instruct that handlers may have their dogs pick up the birds in any order. But, the diversion bird will be thrown when the dog is returning with its last bird of triple, and thrown basically in the path from the center bird to the line. Now we see where we have a different situation than Seasoned. The handler needs to decide how to approach this. Does your dog ever switch? Does your dog tend to go outside-outside in its order of picking up marks if one of the outside birds is the go-bird? So what? Well, if your dog tends to be an outside-outside retriever, then that will have your dog coming toward you and likely needing to possibly almost run over the diversion bird coming in. If your dog is bullet proof in the switch department, fine. If it can only handle a little switching temptation, then maybe you better choose the select order and get that bird picked up second, so the diversion bird is thrown off the side of the dog's return path. But, depending on the marks, selecting order may weaken the dog's memory of a tough mark it's selected off of. Finished is full of choices.

But, there may be other times when, if you really understand what's up, the choice is made for you, or you and your dog will likely pay the price. For example: Birds are thrown with the center bird first (not quite as long as left bird), long left bird second and right bird last as the go-bird. The center and left birds are thrown fairly tight. There is a cross wind that will blow scent from the middle

bird across the path to the go-bird. Now the outside-outside dog, having picked up the right bird, is vulnerable to winding the center bird on the way to the left bird. Depending on the difference in line and distance, most dogs will be hooking to pick up that center bird thinking they have the long bird, and then set up a hunt for a center bird that has already been picked up. Now the handler must handle to the fall area to get the left bird. You don't want that, so in this case, selection of order is not mandated by the judge, but is almost mandated by the nature of the test. And you need to mark the falls in case you need to handle. You always have every bird marked in training. But a handler can get a little nervous and distracted in a test.

Each dog is different, but a decent rule of thumb is to select order of retrieves only when there is a compelling reason. That will vary from dog to dog, but will minimize hurting the dog's marking that often comes with selection of order. When judges set tests where they require order of pickup of marks, or have a diversion before the last bird retrieved, they may give you a break on handling. When it's your chosen strategy that necessitates handling, expect no quarter from the judges.

There are a lot of scenarios, so before you start running Finished, go watch as many as you can and ask people for examples of tests they've seen. When you run, look at the test and see what is there in general and specifically for you and your retriever. Go to those experienced handlers you respect and ask them to identify the challenges. Did you find them all? Do they see something an inexperienced dog or handler is in particular danger of that may not grab an experienced team? Now, knowing your dog and your skills, set your running strategy and fix the safe alley to the blind in your mind, and be ready to run.

In terms of specific handling tips, just remember that things are tighter and harder and more complicated in Finished. Something little in Finished may make all the difference, when it might not make any difference in Seasoned. For example, in a tight water blind, if your dog needs to go close to some cover, knowing which way it

Who knows how many ribbons you may collect with your dog? I can assure you that not in my wildest dreams would I have thought I'd collect this many HRC hunt test ribbons in a 12 year career. Hope some of you and your dog gather gobs more!

usually turns around to face you when you hit the whistle can be critical. If your dog always turns around to the left, you can leave a little less cushion on danger to the right than the left. Doing it on the other side may result in your dog out of sight and your mouth getting really dry and your whistle getting a real workout.

Gun safety always comes first in the HRC. If this dog had crept out just a little more, it would be important for the handler to stand up to shoot safely. We don't want to fail an otherwise solid test by going out for poor gun safety.

Whistle timing becomes absolutely critical, and blinds are often set up where a dog can disappear in a heartbeat. Another judge and I have often said that if we could just tell the handler when to blow the whistle on the Finished blind, with everything else the same, we could probably pass another 5 dogs in a typical Finished test. The slow or poorly-timed whistle is absolutely, positively the most common and costly Finished handler mistake made. And it is made every test, again and again. You are young, bright and have good reflexes. Blow that whistle quickly and with authority and blow it so the dog never gets out of the alley to the blind. Show us grownups how it really ought to be done. Go back to the Seasoned section and re-read the part on whistles. Do that and you will collect a bunch of ribbons you'd otherwise miss.

Know your dog and learn to read your dog. It's a tough assignment, but essential. Can you trust its momentum to drive the distant water re-entry on a blind? Or will it bounce and you better stop and cast to drive back strongly? Does your dog know the no-hands back cast (verbal only)? Can you use it to stop the ping-ponging down a channel or bouncing off the water at distance? If not, go train it and join the rest of us that now have it tucked away in a special spot in our handlers' toolboxes. Play the odds, whether it is selecting order or deciding when to whistle and cast on a blind. Trust me, if you run 15th and you've seen 14 dogs hook right at the end of the water channel, you better expect your dog to hook right, even if it lines water channel blinds regularly in training. The excitement of being on the line does strange things to dogs and handlers. Don't ask how I know that!

Focus. When you are on the line, focus on your dog. When you are the working dog handler it is important, but it is just as important when you are the honor dog handler. When honoring, stare holes in the back of your dog's head, and don't look away for an instant. When you are excused on honor, plan your turn and exit to minimize

nearness to the other dog and birds. Be able to reach for your leash without looking for it, when you arrive at the spot the judges have instructed you to put the dog on lead. Plan when and how you safely put the gun in the rack. Work on your line routine, and letting the judge know the gun is open and safe, so in the excitement of the moment, you don't find your dog helping the working dog with a retrieve, or turn a treasured pass into a gun safety failure.

Apply general good handling techniques, but apply them tailored just right for your dog. Each dog is a little different and your understanding your dog will help make your team all it can be.

I've not covered everything and each of you will come up with questions related to the uniqueness of your dog. But, this should get you started thinking about some things that caused some of us to stack up a gob of unnecessary failures before we got a clue. Making your own mistakes can be fun, but don't go overboard! Don't be bashful to pick brains of the good handlers. You'll not need to watch many tests at these levels to know who they are. Also, watch the poor handlers, as you can learn from them. Don't be afraid to try different things that you think might work. All the good handling ideas started somewhere, and they probably are not all discovered yet. And just spend some time thinking after tests, whether they go well or not. If you get a chance to have someone video you running, you can learn a lot and be in for some real surprises in what you really do on the line when you run your dog.

As you are learning to be an accomplished blind handler, it can often help you a lot with your timing and strategy to have an experienced handler analyze a blind you are about to run in training, describe a strategy and then tell you when to blow the whistle and what cast to give. Two or three tough blinds with this coaching can give you a real feel for timing and applying tactics as you attack the blind.

A lot to remember, huh? Don't expect to remember everything each time. But, over time you'll establish good handling habits and much of this will become second nature and require little thinking, so you can focus on the true meat of the test at hand. Perfection is a wonderful dream, but not a realistic expectation of you or your dog. We can never get perfection in retriever training, but we can attain excellence thru a series of successive approximations. Go for it!

Oh, it will have nothing to do with your dog passing or failing, but a sincere "Thank you, Judges," as you leave the line, is always deserved and appreciated. Tough to do that when your dog has just augered into the ground, but the judges still took a day off and gave up running their dogs so they could judge for you.

I wish much success to all you young HRC folks. From what I'm seeing in this neck of the woods, if the future is in the hands of our youth, we are in very good shape. 🐾

ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.

The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.

- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.

- Very Important! If you are emailing photos, please send each one as a separate attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.
- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- *If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

Ottawa Valley HRC - Submitted by Rod Stoddart.

Ottawa Valley HRC is busy preparing for our hunt test this year. Premium should be available soon. We look forward to seeing you all there and enjoy watching all the dogs work.

We have been attending banquets around our area, trying to let everyone know we are here for them and their retrievers.

We had our elections, and I (Rod Stoddart) am the new president. I look forward to all the challenges ahead and am excited to work with you all to promote this awesome retriever club (HRC) that we all belong to.

With spring-like temperatures in the valley so early, we can do some training outdoors now and get a head start on preparing for this year's tests.

Looking forward to gathering with you this year. See you soon!

Luther Marsh HRC - Submitted by Erica Wilson

Luther Marsh HRC is looking forward to a fun and exciting summer. We have our upland planned for April 13, 2024, and our 30th anniversary regular hunt on August 10 and August 11.

We are well on our way to a fun and exciting one-day, two-test upland test. Entries are open, and entries are starting to come in. We are looking forward to some great dog work. There, of course, will be some amazing lunches from your lunch ladies.

We are over the moon excited about our 30th Anniversary Regular Hunt test, planned for August 10 and 11. We have our judges, land, and premium posted. Our lovely lunch ladies are planning our lunches and our big Saturday night dinner. Our raffle lady is well on her way to some amazing raffles to be won. This year is one for the books, so if you're looking for something to do on that weekend, send me your info.

Spotlight of the month: We would like to spotlight the lunch ladies of Luther Marsh HRC. Thank you to Tracie and Rachel for all your hard work in making sure that we are always well fed. From meal planning to purchasing and storing food to cooking and delivering the food, they are top-notch. We thank you for always making sure we never go hungry and for always being willing to make just one more meal.

Lake Ontario HRC - Submitted by Coady Melvin.

It's getting nicer here in southern Ontario, and our training days have begun. Again, we would like to thank Cedar Meadow Game Farm for their cooperation and use of space,

which helped make our upland test a success! Everyone is looking forward to getting back into the swing of our regular hunt tests and training. LOHRC AGM was held, and everyone has been settling into their new or reinstated roles within the club. Matt Pomeroy, one of Lake Ontario's newest members, writes about his first upland hunt test experience; "We managed our way through the honoring and the retrieve work, and now onto finding some upland game birds. My job was to remember the test rules of the handler, and I was thankful that Riggs did his search and sit to flush and shot without much extra effort from me. It felt like we were now in the game. The first run was a success, and by the end of the day, Riggs had passed his first two upland hunt tests. After an initiation like that we are now eager to keep our momentum going in this upcoming hunt test season." We are glad to have new members this year and the experience has been positive! LOHRC is happy to announce that we have members contending in the trial being held at the Toronto Sportsman Show on March 14 to March 17, and we will also be holding demonstrations at the great outdoor show April 12 to April 14 held in Lindsay, Ontario! These shows will be a great opportunity to bring in new members and provide insight into what we do..

Essex HRC - Submitted by Curtis McFadden

As I sit to write this report, it is 7:18 p.m. (EST), and it is still light out. This is thanks in part to the time change last night, but it also signals spring, longer days, and warming temperatures.

Hooray! Let's get the wingers set and put these dogs through their paces to get ready for the hunt test season. Well, I woke to reality this morning. The ground had a fresh covering of snow, and there was a bone-chilling wind to go with it. Not to worry; the temps will warm, and we will be training soon.

The Essex HRC has had a couple of busy months. We had our annual awards/game banquet in February with approximately 150 people attending. Then, in March, we held our upland hunt test, with 39 dogs being tested across the four tests. It was a great day of great dog work and camaraderie.

We are looking forward to getting our club training going in the coming weeks and planning for our two-day hunt test on July 20 and July 21.

Georgian Bay HRC - Submitted by Hannah Edwards

Georgian Bay HRC is gearing up for a busy and fun year! We are already planning our traditional Labor Day weekend HRC hunt test, and we hope to see many of you there! This early mild weather has us thinking about upcoming training days and getting in the water early! But first, Georgian Bay HRC will be helping Georgian

Bay Shed Dogs at their spring elite shed dog test, which is coming up in April at Georgian Bay Hunters and Anglers Club property. This is a perfect example of three community clubs working together and collaborating to achieve common end goals and hosting successful events in our community.

Conowingo HRC - Submitted by Cleo Curry

Spring is in the air (some days), and we are all looking forward to getting out in the field more with our dogs. Conowingo HRC is making plans for our spring hunt test in mid-May. Please look for our dates. Conowingo has held monthly training days all winter long. If you are interested in joining us as a guest on our training days, please contact us through our website or Facebook page.

Granite State HRC - submitted by Jeffrey Enos, President.

The worst part of the year is upon us as we all sit and wait for the rain to stop and the fields to dry up. Water is slowly beginning to open up in New Hampshire; those members in Massachusetts and Connecticut have at least had a few weeks of open water and fields. The club welcomes several new members; Kevin Ostrom, Jeremy Noury, David White and Dom Valeri. All of them are chomping at the bit like the rest of the club to get into the field.

The first tests of the season are upon us, and for those of us crazy enough to travel to North Carolina, we will shortly know if our winter training has paid off.

It has come to our attention that Wayne Sumner has been ill, and the club wishes him a speedy recovery.

The annual meeting was held in January. Thank you to everyone who braved the cold and attended, and thank you to Cabela's in Hudson, Massachusetts, for hosting us. The only notable change to club officers was Penney's departure as our club secretary and Michelle Light's appointment as the new club secretary. Thank you both for helping keep us informed and staffed.

The International Grand will be closing entries tomorrow, so it would be great to see other members enter. For now, Jeff Enos and Tom Balderacchi will both be attending and running dogs. Judges from our region will also be at the Grand; thank you, Phil, Tim and Jill, for once again providing your experience and expertise as judges.

The GSHRC will be hosting two spring events this year. The first is an upland hunt at the Markover game farm in Danielson, Connecticut.

The second is our regular hunt at Timberdoodle Hunt Club in Temple, New Hampshire. We hope to see you there.

Guns Up HRC – submitted by Roxanna Gould.

Guns Up members are again taking part at the Penobscot County Conservation Club's annual sportsman's show at the University of Maine in Orono. This year, we will not be having an information booth but will be doing pool demos. These demos show people what our dogs can do, and people really enjoy watching how talented the dogs are. After this, we will turn our efforts to our annual two-day regular hunt and four upland hunts.

Hudson Highlands - report submitted by Bob Tunney, President.

We just held our annual meeting, kicking off the 2024 season. It's been a long, wet winter season here in New York, limiting our ability to do much serious training, but that's changing finally. Membership enthusiasm for HRC is growing each year, and we expect a few more new members to come on as they see the benefits of the HRC program and meet the handlers and their dogs who make HRC special. Several member dogs in our growing group of HRC members earned HRC titles in 2023, one of which became an HRCH, and we have a few more that we expect to reach that level this year as enthusiasm grows. Our 2024 annual hunt has been approved for June at Stewart State Forest in New York. A great slate of judges has been assigned who will certainly put on challenging but fair tests. There will be a nice tailgate on Saturday, and we expect to have it posted on Hunt Secretary shortly. We look forward to seeing our fellow HRC members at the upcoming tests in the region.

Lake Audrey of South Jersey HRC - submitted by LuAnn Riebel, President.

We here at Lake Audrey HRC enjoyed our awards/holiday dinner in January. Great food and a great time with friends. This year, We started a new tradition of awarding a handler dog team with a trophy for most improved/most titles. This year's recipient was Bob VonSuskil and his golden retrievers, Storm and Gauge. This award will be given annually at our next awards dinner. Congratulations, Bob, on a job well done.

This year, Lake Audrey HRC hosted the 2024 Judges/Handlers Seminar at Inskip Antler Club in Hammonton, New Jersey.

Lake Audrey is busy getting ready for our spring hunt test in April. It will be held at Blue Springs Kennels and Winslow WMA, Hammonton, New Jersey. We are looking forward to seeing everyone and starting the HRC 2024 hunt test season. We have also started planning our august hunt test, which will be our tenth anniversary. We hope to see many of you

there.

We hope everyone has a nice Easter and enjoys spring!

Eastern Carolina HRC – submitted. Will Webb, President, Four Oaks, North Carolina. jackwebb3rd@hotmail.com

Hunt test season is underway in Region 3, and our members are busy making preparations for what we all hope will be a successful spring test season. Mother Nature has been a bit erratic with weekly rain and wind, but warmer temperatures are just around the corner.

We are excited about our spring test, which will already have been held by the time this issue gets sent out to all the HRC members. It was great to see the number of entries, particularly in Finished. It has been a while since we ran three flights of Finished!

We are very thankful for our landowners who allow us access to their properties! We are not able to host first-class events without their generosity.

Rappahannock River HRC – submitted. Justin Diericks, gander_lander34@hotmail.com.

Rappahannock River HRC members have had an action-packed hunting season chasing birds in the fields and marshes in Virginia, Canada, California and everywhere in between. As hunting season draws to a close, our attention turns towards preparing for the upcoming hunt test season. Our monthly training days continue to be a cornerstone of the club, providing a great opportunity for handlers and retrievers to sharpen their skills.

The club recently held its annual meeting in February, where we took a moment to celebrate the club's achievements from the previous year. Several members and junior handlers were recognized for their outstanding contributions throughout the year and were awarded custom duck calls made by Chris Jabs of Jabs Custom Calls. Our junior handlers were also presented with toy pump action shotguns to practice safe gun handling as they progress in their training. Additionally, outgoing president, Justin Diericks was honored with a legacy award for his dedication to the club and his instrumental role in revitalizing the HRC spirit in Virginia.

As we look ahead to the upcoming hunt test season, let's continue to embody the passion and camaraderie that makes HRC such a special community. We can't wait to see everyone at the line!

Contentnea Creek HRC – submitted. Jeremie Lovejoy, contentneacreekhrc@gmail.com.

I want to thank all those folks who came out and supported our club by running their dogs in our preliminary hunt test this past March in Kinston. We enjoyed hosting you all, and it felt good to kick off the hunt test season in eastern North Carolina. We got to see a lot of great dog work and ribbons and titles earned this weekend.

As we all know, it takes a village of people to come together just to put these hunt tests on. This being our first test, we were blessed to have the support from surrounding clubs and individuals who allowed us access to properties to conduct the test as well as bringing in equipment to run the test until we can get enough funds to purchase our own club equipment. We had a lot of members pitch in this weekend to ensure everything operated smoothly, and it didn't go unnoticed by those who attended.

I also want to thank our judges, Kevin Nunn, Mark Parsons, Richard McCullough, Charlie Whitehurst, David Lambert, Marcus Bullock, Brian Lanning and Shawn Swindell, for taking the time to sit in the chair all weekend and challenge the dogs.

Again, we thank everyone for coming out and

making our event a success and wish everyone a successful year chasing ribbons.

Etowah HRC - submitted by Eric Ingram. Melissa Dobson, President.

Spring has sprung here in Georgia, and the Etowah club has been busy! We kicked off February by partnering with the MidSouth Boykin Spaniel Club to hold a quad upland in Section, Alabama. We had a full test, and several members' hunting partners earned their Upland titles. Congratulations to everyone who earned passes! We followed that up with our spring training day at the end of February. We had a great turnout and perfect weather. It was great to see the familiar faces, and we added a couple of new members as well! Great to see the club continue to grow.

In addition, by the time you read this, we will have just completed our spring 2024 regular test. At this time, we already have four full Finished flights with a lengthy wait list, we are nearly full on a 40-dog Seasoned flight and have a solid number of entries in Started. We hope all that ran did well and that many title baths were taken!

Middle GA HRC - submitted by Lane Blanchett, President.

Hello from Middle GA. We are well into spring hunt test season and we have enjoyed seeing old friends and making new ones. It is always fun to see a new crop of dogs coming up. It seems all we have to do to get rain is plan a hunt test. But the rain didn't stop folks from showing up to our March test. We had full flights in all stakes.

We would like to congratulate Brittany Maxey on becoming a Started apprentice judge. If you need a Started judge, give her a shout. Congratulations also to everyone who earned a title at MGHRC. There were several title baths given.

Finally, congratulations to the East Laurens Marching Band, who have worked as our bird techs for the last three years, on being selected to perform at the Liberty Bowl this coming December.

See you at the line.

Central Florida HRC - submitted by Carol Caito, Ray Caito, President.

Central Florida is well into the swing of things this time of year, with many members busy running hunt tests and preparing for the Grand. Best of luck to all of you!

We kicked off the season with our spring hunt test, where we had good weather and turnout. We held a quad upland in addition to our Started, Seasoned, and Finished flights at our test. Congratulations to all who earned passes! Our Saturday evening tailgate was held in conjunction with our annual raffle, where we had lots of great prizes. Lots of work by many people goes into these hunt tests, and we want to thank all of those club members who helped to make this another successful weekend. And a huge thank you to our judges and bird techs who worked hard all weekend. We couldn't do it without your help. We would also like to thank Annie Gey, Justin and Clark Gey for letting us use your property to run our dogs. We truly couldn't do this without your generosity.

The SRS season has started, and Carol and Ray Caito have been busy running their dogs in several SRS events. They ran last weekend down in Indiantown, Florida, where Ray and Traeger finished first, and Carol and Frank finished third, which qualifies both for the Crown Championship this fall.

Our training coordinators, Kelli Riggs and Sue Barnett, continue to hold monthly training days for our club members, where they set up several training concepts and drills for our dogs to work on. Thank you, Kelli and Sue, for your dedication to our sport!

Charleston HRC - submitted by Bob Jones. Steve Guzman, President.

The 2024 spring hunt test season is here. We are getting out of the duck blinds across the country and into the holding blinds for

the season that never ends. The spring testing season is well underway, and we have lots of ribbons and new titles to show off. Many of us are getting ready for the Spring Grand in Omaha, Georgia, and many other hunt tests in the southeastern U.S. This time of year is the introduction of our new pups to the hunt test game and bringing back the experienced dogs from the duck blind to the holding blind.

Several club members ran the Midlands quad upland test this spring, and several new upland hunters were titled. We also have the new Upland Hunter Champion title offered by UKC. I recommend that all of you check your upland passes, and if you are close to ten, consider running more upland tests to earn this new title. Those with ten passes can request your title certificate be awarded. If you earn ten passes, UKC will issue your title like usual.

We are about to enter the heat of summer. Be sure to keep your four-legged friends well-hydrated and cool during your training day. We never make it through summer without losing several dogs to the heat. This is a problem that can be prevented with a little care. Water and fans are the keys to prevention. Take care of your duck hunting buddies, and good luck at the Grand and training this summer. Belly up marks and straight blinds, good luck!

Coastal Empire HRC - Report submitted by Torrey Massey, Kevin Stewart, President.

Spring is blowing in quickly down here with warmer temperatures and (lots) of pollen. That hasn't stopped our members and their dogs from staying busy. Ian Gee's two labs, Kate and Deke, enjoyed a busy hunting season, rotating hunts almost every day. Kate is back at school in preparation for the Grand, and Deke may be coming out of retirement soon for some training work. Tyler Massey's girl, Grace earned her HRCH title at the December Dogtown test with Chesapeake Plantation's Taylor Allen. She also enjoyed a busy waterfowl season and several pheasant tower shoots.

Three club members have been staying busy training for the Grand. Kevin Stewart is taking Rave, Jeffrey Ervin will have Katie, Chaos and Rona, and Pat Hudspeth will run Red, Blue and Scout. Ian Gee's lab, Kate, will be run by one of her trainers from Chesapeake Plantation. We wish them all the best of luck!

We are sorry to share that two of our long-time members have lost their cherished pups. Rocky Semken's Boykin Spaniel, HRCH Rocky's Repeat Offender "Peat," passed away last month. As an amateur handler, Rocky worked diligently with Peat as he made his way up the ranks, earning his HRCH title. In 2013, Jeffrey Ervin traded a sneak boat for a little black lab pup. HRCH Sir Briar Patch of Old House "Briar" accompanied him on many hunting trips and

was the reason Jeffrey got into the hunting retriever games. They worked together, with Briar attaining his HRCH title. Both of these exceptional pups will be missed by their families and friends.

Lowcountry RC - submitted by Amanda Brown. Doug Heaton, President.

We are thrilled to bring you the latest news from the Lowcountry, and this edition is particularly special as we celebrate the success of our recent preliminary hunt test.

Filled with excitement and camaraderie, the grounds were alive with anticipation as handlers and their four-legged companions gathered to showcase their training, discipline and purebred abilities. From pros to newbies still waiting to receive their HRC number, everyone arrived excited with hopes of success.

Throughout the weekend, the air buzzed with the sound of whistles, quacks and the splash of water...loud poppers and encouraging yet respectfully quiet cheers. Each evening, we gathered to honor the achievements of our participants. Their success was a testament to the dedication and hard work put in by both handler and retriever. We extend our heartfelt congratulations to all who participated, whether you achieved your desired results or faced challenges along the way that might have altered the trajectory of your future training days!

As the sun set on the first day, we gathered to announce passes, handing out ribbons and

some titles. But the true prize Saturday night was the memories created as we shared a meal together: a delicious Lowcountry boil paired with steamed oysters! On Sunday afternoon, we celebrated our very first recipient who was awarded their Hunting Retriever Champion (HRCH) title with us. We also gifted them with a custom-made wooden plaque after receiving their ribbon.

Our judges meticulously evaluated each run, ensuring fairness and accuracy in their assessments. Their expertise added a level of prestige to the event, and we are grateful for their commitment to our club's successful weekend. Both test days could not have been executed so well without the incredible mentoring by hunt secretary Torrey Massey from Coastal Empire HRC, our club members who helped marshal, and the bird techs from a local AFJROTC. Thank you to everyone who made this event possible, especially the generous property owners. Everyone's support ensures the continued growth and success of the Lowcountry Retriever Club, and for that, we are truly grateful.

As we reflect on the success of our preliminary hunt test, we also look ahead to future events with eager anticipation. We learned a few lessons and took a lot of notes on how we can better serve everyone who joins us for our next hunt test. Until next time, may your training be productive, your retrievers be swift and the bond with your retriever unbreakable.

Hope to see you soon on Johns Island!

Saturday night we gathered for ribbons and soon shucked oysters or ate a Lowcountry boil near a fire pit. It was a great night!

We designed and ordered our bright and beautiful, Charleston-inspired, ribbons from Centaur Ribbon World. They've got an incredible team to work with; tell them Amanda sent you from the Lowcountry Retriever Club!

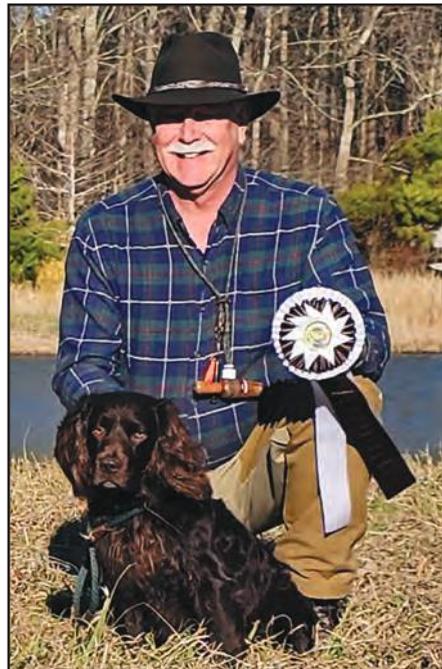

Northeast Florida HRC - report submitted by Susan Poole. John Spivey, President.

NEFHRC conducted a successful hunt test in February at a new location: Shadd Deer Farm near Lake Butler, Florida. The property contained several fields next to pine forests and four natural ponds bordered by light cover. There were 117 dogs entered on both days, with a combined passing percentage of 66%. The weather was perfect on Saturday (sunny and cool), but Sunday was cloudy with off-and-on rain showers. Luckily, there were no thunderstorms or lightning in our vicinity,

but there were tornado warnings elsewhere in northeast Florida. If you missed this one, then try to join us next year. The pictures include our members at this test and other local tests.

Midlands HRC - submitted by Donna White. Steven Highsmith, President.

At the beginning of February, Midlands held its annual meeting at the Palmetto Shooting Complex in Edgefield, South Carolina. Club members who attended, and were interested were treated to a round of sporting clays by the club. We had good attendance; fortunately, it was not as cold and windy as last year's event. The complex has a sizeable meeting room where we were able to have lunch and hold our meeting. Lunch was delicious sandwiches from a local sandwich shop, ordered and delivered by Heather Highsmith.

Based on a proposal by Larry Mitchell at a prior board meeting and seconded by Steven Highsmith, members were asked to vote on making Don and Donna White lifetime members of the club. The Whites were granted this privilege and want to thank everyone for this honor. Donna was then voted in as a member-at-large. This is a non-voting position and an ambassadorship position. An election of the remaining board positions was conducted and voted on unanimously for the following positions: President, Steven Highsmith; Vice President, Greg Shaffer; and Secretary, Heather Highsmith. Don White will stay on as Treasurer until the end of the year, and a new election will be held in January 2025 for this position. Stephen Edwards has offered to take on this position if elected. Thank you all for stepping forward and taking on these positions.

Donna then gave out title pins, which has become an annual club procedure for those handlers and dogs who have gotten titles/accomplishments in the previous year. Started pins were given to Ann Mitchell/Sonny and Curtis Hooks/Kiona. Seasoned pins were given to Cam Ellyson/Whiskey, Stephen Edwards/Rocky and Greg Shaffer with Wren and Whiskey. Finished pins were given to Greg Shaffer/Wren, Shawn Radford/Rye and Deb Metts/Bat. An Upland pin was given to Don White/Maverick and a 500-point pin for Maverick (finally!)

Grand pass pins were given to Don/Ali and Shawn/Rye. Now, let's get the Grand title pins! Congratulations to all recipients. Midlands loves seeing our members and their dogs successful. And speaking of success...Zach Clark was the lucky winner of the drawing for the Garmin Sport Collar.

MidSouth Boykin Spaniel Retriever Club, jointly with Etowah HRC, held a successful upland quad on February 3 and February 4. Many dogs titled, and many received their points for the new UHCH title. A big thank you to everyone who made the event a success. We had great grounds and good flying birds.

We are working on our summer training schedule in preparation for our fall hunt test.

West Mississippi held its spring (winter) hunt on February 17 and 18. We ran almost four full Finished flights, one full Seasoned flight, and 20 Started dogs. The weather was cold and windy on Saturday, but Sunday turned out much nicer. Big "thanks" to all our judges who endured the elements.

We had our usual catfish dinner on Saturday evening, where if you left hungry, it was your own fault. Thanks to all who participated.

The club is preparing for our mid-June test and possibly a fall test.

Deer River HRC - submitted by Billy Carey.

Members of Deer River finished the waterfowl season and are preparing their dogs for the upcoming tests. We have had great attendance at our monthly meetings and added some new members. We are currently preparing for our spring test on March 23 and 24 at Scot Whitaker's Farm in Lavinia. Our club is also excited about scheduling training days for our members and those interested in developing their dog into a better retriever.

We want to wish all of our club members the best of luck while running the HRC International Grand this spring.

Tennessee River HRC - submitted by Hannah Chandler.

Reflecting on our fall 2023 hunt test, the air buzzed with excitement as handlers and their canine athletes converged on the final flights grounds. It was a day marked by success, with multiple participants proudly leaving with pink slips and ribbons fluttering in their hands, along with the joy of newly titled dogs in their hearts.

Our club has much to celebrate, but a special congratulations is in order for our president, Leland Davis. His dog, Revi, achieved her first Grand pass this past fall, expertly handled by Matt James at the Grand. This milestone not only signifies Revi's exceptional skill but also the dedication and spirit our club embodies.

As we revel in the achievements of the past, we also look forward to the future with anticipation. Our spring 2024 hunt test is on the horizon, and preparations are in full swing. We're pleased to announce that we will be hosting the event on April 13 and 14 at the Quail Haven. This is an open invitation to all members and enthusiasts to join us for what promises to be a weekend of camaraderie, challenge, and celebration.

We eagerly await your presence and the opportunity to create more memorable moments. Until then, let's train hard, aim high, and continue the legacy of excellence that defines our club.

Our club election has taken place, and I'd like to welcome our new slate of officers: President, Mike Dammerman; Vice President, Chris Morse; Secretary, Kirk Keene; Treasurer, Lyndsey Watson, and Elected Board Members: Andrew Kanik and Austin Korte. We've also gained a few new members to help take Gun Creek to the next level. Many hands help lighten the load and keep the ship running smoothly.

Due to our hunt test date again falling on Mother's Day weekend, our club has voted to cancel our 2024 spring test. We have been unable to find reliable bird techs over Mother's Day weekend, and we do not feel it's fair to ask our handlers to work a test instead of focusing on running their dog(s). Our goal has always been to put on an efficient, well-run test, and we feel we cannot do so without reliable bird techs. We will host a fall test in September and hope to see many of you back in Kevil, Kentucky, at the fabulous West Kentucky WMA.

Tri-State HRC had a quiet winter season, but we kicked off 2024 with our annual banquet and had a great time with great food and great friends. We had several club dogs title, earning their HRCH in 2023; those dogs and their owners were honored at the banquet, with each receiving a plaque. We have a work session scheduled in the next couple of weeks to get everything ready for our spring test, the first weekend of April. We also have our first of many club training days scheduled before our spring test to get everyone tuned up. We cannot wait to see everyone at our test. With our test being the first weekend of April, it will be one of the last dogs and handlers get to work those kinks out before the big dance of the 2024 HRC

International Spring Grand. If you have never had the opportunity to witness a Grand, I would encourage you to make plans to do so. It truly is the Super Bowl of our sport. It can give you the highest of highs or the lowest of lows at times, but man, it is worth it. A big thank you to Old South HRC for hosting again this spring. The grounds that we get to run on there are spectacular. With all that said, we at Tri-State want to wish everyone running the Grand good luck. May all of your birds be belly up.

We had a very successful Upland training season with a wonderful Upland test weekend on March 2, 2024. We had wonderful weather with a lot of great dogs running. Many earned ribbons and had many good laughs. We had quite a few of our members attend the Judges /Handler Seminar in Wausau in February. It was a great seminar and a reminder to familiarize yourselves with the most updated rulebook.

We are in the process of going live with our regular summer hunt, which will take place on Father's Day weekend in June. Please keep an eye out on Hunt Secretary in the next couple of weeks.

Lastly, I'd like to tell everyone to keep an eye on your dogs for ticks! We've been hearing lots of stories of people finding ticks on their dogs as early as the beginning of March this year!

We have been busy with non-training activities to start 2024, in anticipation of and preparation for this summer/fall and for years to come. MWRC recently purchased six new wingers to train in multiple groups more adequately and to sufficiently equip each of the stakes for our fall hunt test. Through our participation in the Mead Grounds Association (MGA), a group comprised of representatives from each of the dog clubs that train/test/trial at the Mead Dog Training Area, which in turn coordinates/communicates with the Wisconsin Department of Natural Resources (WI-DNR), we have been instrumental through a donation of money to pay for an expansion of "Field 2" (one of the existing fields where tests have been held) by more than nine acres. This will increase training and testing scenarios and better serve all the clubs involved. In addition, we have been laying out long-term plans to continue improving the grounds and providing input to the DNR in the form of a "wish list" of items. These efforts will lead to long-term expansion and improvement of the grounds for years to come!

Along with the above participation, MWRC has applied for the WI-DNR "Adopt a Wildlife Area" (AWA) program to become an adopting partner for the Mead Wildlife Area (with an emphasis on the dog training grounds). Through this program, MWRC commits to continuing the volunteer work to maintain and improve the grounds. The AWA agreement demonstrates

that the relationship we have with, and to, the grounds and the DNR is one of a mutual desire to improve and maintain the property for the clubs that use the grounds, the guests that participate in tests and trials there, and the general public who has access to, and engages in recreation on the property all year long.

MWRC also recently hosted an HRC Judges/Handlers Seminar presented by Ken Reinert in Wausau which nearly 40 people attended! We are looking forward to a great summer of training and have planned several Saturday training days for members. We are anticipating a “media day” to draw attention to our club. We are already planning the fall hunt.

WISILL HRC – submitted by Maureen Shaw.
Ken Reinert, President, kdhomes1996@gmail.com.

In February, WISILL hosted its annual upland quad. With the unseasonable weather and no snow, the event proved to be a resounding success, with attendees relishing the opportunity to showcase their dog’s upland skills in the field. Passes were well earned as handler and canine participants navigated the challenging test set up by the judges.

The club is fortunate to have access to a diverse range of training grounds, including both state and private lands. However, maintaining these grounds requires continuous effort, and club members have stepped up to the task, volunteering their time and energy to ensure that these areas remain conducive to effective training. Through collective efforts, WISILL members and members from other area clubs have all worked tirelessly to preserve and improve the training areas at Richard Bong Recreation Area and Willow Creek Ranch.

With the upcoming regular hunt test season on the horizon, members are seizing the opportunity to fine-tune their handling techniques and prepare their canine partners for the challenges ahead. The upcoming annual WISILL fun hunt will provide a taste of what to expect in real hunt test scenarios, allowing handlers to assess their dogs’ strengths and areas for improvement.

Looking ahead, WISILL eagerly anticipates the upcoming June hunt test, where participants will have the opportunity to put their training to the ultimate test and showcase the results of their hard work.

Please join me in recognizing and congratulating two amazing superstars, Hooch and Wally, on their hunt test retirements. They are owned by Casey and Jessica Dowler.

The Dakota HRC Upland test was a bittersweet day for Jessica, Wally and Hooch. It was the beginning of their 2024 hunt test season, and the retirement runs for Hooch and Wally.

After the UHCH title was announced, Hooch needed two passes, and Wally needed just one. So, Jessica decided to give it a whirl.

In typical Wally fashion, he ran the test flawlessly and earned his UHCH. Wally proved he was still Mr. Consistent to the very last bird. Wally officially retires as HRCH UHCH MH 1,020 Points.

Wally is pictured with his championship ribbon, owner Jessica, and judges, Deb Eckhardt and Jerry Schroeder. Deb and Jerry were so honored that Jessica would want them to judge the retirement runs. Jerry and Deb have a very special place in their hearts for Wally.

Hooch was there to make her own statement and was referred to as the “Shooting Star” as she did what she’d always done best, wanting to retrieve the bird. Jessica mentioned that Hooch had picked up a few too many pheasants in her life and just wanted to have fun, so that’s what she did!

After she was out on her last run, the judges asked Jessica if she wanted Hooch to work the last bird. Jessica said, “Yes,” and told the gunners to please not miss. Jessica wanted Hooch to have that last bird. The gunners pulled through with great shots, and Hooch got her bird.

Hooch officially retires as HRCH UH MH 555 points. Hooch is pictured already enjoying retirement life.

Retirement runs are never easy, and many tears were shed for both of these amazing dogs. They have given the Dowlers more than

they ever dreamed up. Casey and Jessica want to give them both the retirement they deserve, lounging on the couch with an occasional hunt.

The club would also like to congratulate the Goemans on achieving their UHCH with Rose.

We had a short winter, and spring-time weather is here, even if it's not officially spring! I hope you have taken advantage of the great weather to get your four-legged duck hunting partner back into hunt-test mode. As you know, it seems like all the closest hunt tests happen in March and will be rapidly followed up by the Georgia Spring Grand in April.

We have club members running all over Arkansas, and of course, the Georgia Grand is on the horizon for many. I wish everyone great success in all their hunt test efforts in the coming months.

Our club is getting ready to host the spring hunt in just a few days. We are going back to Westbrook Farms in North Little for Started, Seasoned, and one flight of Finished. The second Finished flight will be at Two Prairie Dogs Training in Jacksonville, which is on the personal grounds of club members, Larry McMurry and John Borchert. This is our first trip back to Westbrook Farms in about five years, and we are very appreciative of the generosity of J.C. Crabtree and the Westbrook family. Four States HRC has been busy preparing for our spring hunt test, being held March 16 and 17, 2024. We are excited to have a new group for bird techs this year. The Springhill Athletic Dept, and coach Greg Smith, seem eager to be a part of our spring and future tests. We met with them and held a little "winger training" day at their school to show them what was involved. Looking forward to them being a part of our hunt tests.

We are also proud to have several judges

moving up and getting involved in judging within HRC. They have ranged from Started through several judging at the Grand. We currently have approximately (10) club members actively judging and serving in various positions with HRC and the Grand: Roger Gray, Derrick Watson, Curtis Treadway, Glen Scarborough, Greg Harrell, Damian Stroderd, Doug Attaway, Larry and Melissa Fyffe, and Tom Vandenbrand (hope I did not overlook anyone). Judges are another integral and valuable part of HRC. Being an HRC Judge carries its own responsibilities. It is an honor and not to be taken lightly or performed half-heartedly.

HRC Judges Code Of Ethics - HRC hunt test judges, to the best of their ability, will uphold these high ideals becoming of HRC judges. (A) Be mindful and consistent with the philosophy and purpose of the HRC and its programs and the UKC licensed hunt tests. (B) Portray a neat and appropriate appearance and manner. (C) Refrain from gossiping about individuals, dogs, or other judges. (D) Be mindful to be fair in judging the dogs' performances, not the handlers' personalities. (E) Set an example to which future judges and participants will seek to aspire. (F) It is understood and agreed that the judge's license may be withdrawn, suspended, revoked, or not renewed by HRC, Inc., at its sole discretion and judgment at any time, with or without cause.

Well, waterfowl season has come to an end here in Oklahoma and we're ready to get going with hunt test season. Members are looking forward to running their dogs, and we have several members who are judges, and they'll be heading out near and far to judge. One thing GCRC loves is traveling to other clubs. You might see several of us show up together. We enjoy seeing our fellow dog people.

To get tuned up for hunt test season, GCRC tries to hold a training day once a month. Our last one was held in February at the Retriever Academy. It was still a little chilly but not too bad for this time of the year. We had a nice turnout with members, guests, old dogs, and new. Since we're getting geared up for hunt test season, the day was spent learning an eight-pole pattern

blind drill followed by marking drills under and through old falls. As always, questions were welcome, and help was given as needed. Thanks to The Retriever Academy for access to the facility. It was a beautiful day to spend with friends.

Watch GCRC's Facebook page for upcoming training days. Everyone is always welcome to join us. Also, watch for info about our test in June. We're working to make it a great one. Things are coming together. We'd love to see you all there.

Good luck with the upcoming test season and to all those running in the spring grand! It's always good to see friends, enjoy great fellowship, and watch dogs do some awesome work. Until next time, God bless.

North LA members have been training, judging and running their retrievers, but best of all, I see them using their knowledge to help others become better handlers and trainers. We held a very successful training day in February and have had groups training every weekend. We are just a few days from hosting our first SRS club event, and committee members are working hard to make it a success for all involved. Coming up in May, we will hold our 40th Anniversary hunt test; everyone, including Omar, is excited to celebrate another milestone for HRC. We have so many to honor and thank, including all the owners and handlers who make our organization a success.

Good luck to you and your retriever. Stay safe, and may God bless you all.

Lake Charles Retriever Club - submitted by Chris Fontenot. Curtiss Lindsay, President, lindsayslabs@yahoo.com.

We are getting back into the swing of things after winter and duck season. Curtis has invited anyone to come out to train with him. Several members have joined him to train. Several members attended a judges seminar hosted by Central LA HRC. Vince Liggio and Joe Alexander were the instructors and did a great job. Lake Charles Retriever Club will host a hunt test in the fall.

Hope to see you at the hunt test soon.

Amite River HRC - submitted by Ron Lewis, Jeff Holley, President, www.amiteriverhrc.com.

Amite River HRC members have been busy

preparing for our spring hunt test in March. Many members and their retrievers are now back training in preparation for the spring hunt test season. Thanks to Brian Beatty for organizing these training days and Gary Leblanc for getting the equipment ready for training and hunt test season. Also, thank you to Steve Riggins and Jeff Holley for allowing us to use their property. We have had some great (but chilly!) training days and fun reconnecting and socializing.

By the time you read this, our spring hunt test, hosted in Jackson, Louisiana, in March, will be in the rearview mirror. Hope you were able to come out and run your dog and help make the event a success.

Future events:

- We will host an SRS event May 9 to May 11 and another in late August.
- We will likely have our fall hunt test in late September or early October.

Please mark your calendars to come out to help. We always need volunteers to assist with hunt tests.

Follow Amite River HRC on Facebook for event news, meeting announcements, and training days. We encourage all club members to join in the fun and fellowship at these events by participating and helping in any way possible. Good luck to everyone running in events this spring and those running in the HRC Grand again in Georgia this April. Have fun, and hope to see you at an event soon.

Central Louisiana RC - submitted by Mary Anne Sayer. Scott Ducote, President, masword@suddenlink.net.

Central Louisiana Retriever Club is having a busy spring that began by hosting the 2024 Region 10 Judges/Handlers Seminar at our clubhouse in Pineville. With a chalkboard, coffee, and donuts, and Region 10's Field Representative, Vince Liggio and Running Rules Representative, Joe Alexander, 14 attendees participated in an interactive review of the three HRC regular hunt categories and how they are judged. There was great discussion and chalkboard work about the area of the fall, the challenges that the handler must overcome, and what the judges are looking for. The details presented in this seminar are well worth attending as a handler. In mid-February, CLRC held their spring regular hunt test with one flight each of Started and Seasoned and two flights of Finished. The highlight of this event was the camaraderie on Friday and Saturday evenings. CLRC hosted a fish fry for its working members and category judges, with some amazing fried fish and homemade pecan pie. After tests completed on Saturday, the Puppy Run introduced us to two young handlers with the heart and enthusiasm it takes to go all the way in HRC. Congratulations to Buba Coco and Shane Ducote on your successful puppy run, and we hope to see you run your retrievers in Started in August! After puppy run ribbons were awarded, all enjoyed a tailgate supper and some southern favorites like chicken fricassee and banana pudding. Thank you, President Scott and Stacy Ducote, for your southern hospitality - Avoyelles Parish style! During supper, CLRC honored Bill Autrey by thanking him for his dedication to our club, from his charter membership in CLRC to remaining a lifetime HRC member for more than 45 years. You will see him at the 2024 Spring Grand in Omaha, Georgia, in April. Good luck to all CLRC members who have a dog in the hunt at the Grand this spring. In the meantime, our club meetings are on the third Thursday of most months, 7:00p.m., at 1889 Monroe Highway in Pineville, with a training day on the following Saturday. All retriever enthusiasts are welcome!

Cajun HRC - submitted by Katina Hebert, Darrell Hebert, President, cajunhunter911@bellsouth.net.

Cajun has had a busy few months. We hosted our upland test on February 10. Five dogs reached their 100 points for their new UHCH title. We want to congratulate Wayne Labry and Tasso, Bill Morgan and Susie, Kaine Pace and Hoss, Glenn Stelly and Maggie, and Butch/Alene Gandy and Chip for achieving this milestone. We also want to thank everyone who judged, gunned and ran the test.

On March 9 and March 10, the Cajun HRC hosted its spring hunt test. Besides Louisiana, we had handlers from Michigan, Texas and Alabama who attended our test. We ran 113 dogs on Saturday and 107 dogs on Sunday. The Started flight ran the youngest handler—three-year-old Beau Richard, with his dog Sadie. He ran Sadie two weeks ago at the Central LA test and passed both days. Beau ran Sadie on Saturday and Sunday at Cajun, earning her SHR title. We are so proud to see these young kids wanting to run their dogs just like their parents. After all ribbons and point slips were handed out on Saturday, we held our 3rd Annual Lloyd Courville Memorial Puppy Run. There were nine kids participating in the event including William Joubert, Mary Ellen, Beau Broussard, Bailey Broussard, Jaycee Pousson, Isaac Monceaux, Bentley Thompson, Beau Richard and little sister. We want to thank everyone who stayed and supported these great kids running their dogs. We hope to see everyone next March.

Colorado River club members have been on the hunt test trail this season! We also could not be prouder to have club members volunteering their time and talents at all levels of this organization, including Club President, Randy Crable, judging for the Spring Grand, Jason Luker, Region 11 Field Rep, and Carrie Shaw, Region 11 PR Rep.

Club historian and Region 11 PR Rep, Carrie Shaw, also celebrated her dog, Blue earning Hall of Fame status! Blue will be 11 years old in April, and is still going strong. He won't be retiring any time soon according to the Shaw/Hall Family.

Colorado River committee members are also already working on details for our fall hunt. Scheduled for mid-October, we look forward to seeing all of our friends and family back down in Dickinson, Texas to share and celebrate with us.

Until then...Dog to the line!

March 2 and 3 we had our yearly hunt test at Pecan Ridge Outdoor Center in Scurry, Texas. We

had a great time! The raffle was ginormous with lifetime decoys (fabulous product) and their new dog waterer and feeders, tons of member donations including paracord products for the handlers, a duck dryer, place boards, dog ruff stand, OFA submissions from our vet, heeling sticks made by our vice president, training guns made by our president, if you didn't make it you missed out on some great gumbo at the tailgate, hope to see you next year.

Many memories were made, lots of new friends were made, lots of dogs made a good show for the spectators. Titles were given along with first passes. We have a new group of Started dogs coming up that look fabulous.

Club members have been doing a lot of pheasant shoots. We like doing these because we work with our dogs in some fast, chaotic situations. It helps with steady issues, honoring, marking, etc.

If you're looking for a good working training club, you've found it. Join us in the Kaufman, Texas area. Contact us at ravenswaytx144@gmail.com for an application. If you have any questions about training, I bet we have someone to help you find answers.

Big D HRC - submitted. William Goodnight, President, www.Bigdhrc.com.

Amazingly it's already the first week of March 2024 as evidenced by the hunt tests in our region kicking off last week and next. So much for a winter spent working on the finer points of lining and casting.

Most club members spent the winter either hunting or training independently, however when we did meet we focused on some of the training concepts dealing with the transition. Hardly enough time can be spent on this aspect of retriever training, since much like basic obedience, it directly contributes to an enthusiastic and capable dog in the field. In that vein, we intend to host regular club training days as the weather warms and are investigating professional training seminars for our members so stay tuned for developing news on that.

As a club, we wish you and your retrievers the very best of luck throughout the upcoming test season, and look forward to seeing you in the field.

Lonesome Dove HRC - submitted. Sharon Freis, President, www.Lonesomedovehrc.org.

The hunt test season is now upon us, and our club members are enjoying getting back into the game. Numerous members have successfully run their dogs in tests this season and we send big congratulations to all the passes and a big encouraging congratulations for all the attempts. We are always excited to see our club members at other clubs' tests and supporting those clubs as they support ours.

We recently completed our spring 2024 hunt test held in Graham, Texas. With all the great club members and bird techs help, and with all the handlers that came to Graham to play, we were able to have a very successful test. As with any hunt test, we were able to catch up with old friends and make new ones.

We will complete this spring with our annual Snake Avoidance Clinic held in San Angelo, Texas in April. This part of the country, venomous snakes are a part of life, and this event always generates a huge participation from the community and surrounding areas. We are very pleased that the club can provide this service to our members and the community.

Duck season is over and the ducks finally made it, well there's always next year. The newly elected officers and board are gearing up to keep things rolling at Cowtown. We have been busy getting ready for our April hunt test, which still has openings by the way. We are so lucky to be able to use the grounds at Pin Oak Kennels for our hunt test, which everyone seems to enjoy.

Hunt test season is now underway, and our club members came out in force in February for a great day of fun and fellowship. We have had several new members join since the first of the year, so it's been great to be able to share what HRC and our hunt tests are all about. Several members and their dogs have already earned titles this spring. One in particular I would like to mention is Matt Nelson. Matt joined our

club just over a year ago with his rescue dog Olive and both were neophytes. Matt became a constant attendee at meetings and training days and always had questions for club members. The team quickly obtained their SHR title and recently earned their HR title. What an awesome job by Matt and Olive. Until next time, play hard and train harder!

The seminar was a success with good attendance and several new faces.

The whole crew got a decent amount of hunting in throughout the season, even with the marginal bird numbers. Training days are starting to be scheduled along with a club recruitment day where every club member will be tasked with bringing someone new to the training day.

The warm temperatures here in Colorado in March had a lot of us out shaking off the dust from the training supplies, fixing wingers and sadly stashing away the hunting gear. The days will be longer now, and that sure helps us get

ready for the test season. Here at PVHRC we have been spending time readying the dogs for our spring upland test on March 16. This last weekend we held our upland training day, and had a solid turnout! A great group of willing and helpful handlers allowed us all to get a day of solid training along with reuniting with club/region friends.

Hello from the Southern Colorado HRC!

We have been back to weekly organized group training for a couple of months now, and have experienced really good turnouts at all of our training days. Although we started with a few really windy training days, the weather has turned in our favor and have had very nice days to run our dogs as of late! Thanks to all of our experienced club members who have continued to step up and share all of their knowledge and helped to pull off new member orientation, as well as our training days with concept training and tips to help the newcomers to the sport and our club. Also, thanks to all of the new members for the desire they have shown to pitch in and load wingers, hand throw marks and do whatever is necessary to help out! Finally, by the time you are reading this, the SCHRC 2024 hunt test will be in the books. We hope that everybody who attended our hunt test had a successful weekend, enjoyed our social event, and even won some great raffle items (especially the 12 GA Semi-Auto Browning Silver Shot Show Special, donated by SCHRC Club Member, Nick Parton). Cascade HRC - submitted by Pam Ulsh, Boyd Ulsh, President, prescascadehrd@gmail.com

As we get ready for our annual general meeting and training day on Saturday, I can't help but laugh. "Cascade" weather is being forecast for the day: mixed snow and rain in the morning. Thankfully, our members are die hard when it comes to training and hunt tests. We have the first hunt test in Region 14 in April, and we joke it is your last chance to be sure your rain gear is still waterproof before you put it away after waterfowl season. Our hunt test weather is usually cold, wet and windy with the chance of snow, hail and maybe even sunshine. Oh yes, and maybe lightning too!

Cascade started our monthly training days the first weekend in February. We had a great turn out. It was great to see old friends, both handlers and dogs, as well as meet new people and new dogs. We will continue with these training days until the calendar is too busy with hunt tests.

We are excited to be able to have two flights of Finished at our hunt test, both Saturday and Sunday. We will also have an upland hunt on Saturday and Started and Seasoned both days. We are encouraged at the growth of the number of dogs wanting to run Finished in Region 14. Hopefully, we all continue this trend.

The clubs in the northwest are working to support each other by networking for judges, help, birds, volunteers, etc. It is going to be a great hunt test season with lots of ribbons, titles, and good times. Happy training!

We just had our banquet in February and elected members for the club's officer positions. I wish to acknowledge our past president Elroy Olsen, for all the volunteer hours upon hours over the years judging, hunt chairman, vice president, president, Region 14 area rep, and working full time as a Columbia River Pilot (now retired). Thanks buddy, love you!

Awards were handed out to several members, recognizing their accomplishments with their dogs. Colt and Jenny, owned and handled by Gregory Marks/Dustin Wilson. Bizzy, owned and handled by Sue Foley. Our Duke of Earl Award went to Charlie, owned and handled by Jerry Rainwater. Congratulations to all.

We have a number of training days planned this year as well as our hunt test and a quad upland weekend. We are hoping the June/July weather this year is a little bit cooler than what we have had in the past. The hunt test committee is on top of all the requirements to make these successful events.

Duck season has come and gone; the late goose will have closed by the time you read this. Back to training, hopefully no one let their standards down and won't have a lot of fixing to work on.

Train hard and enjoy the journey with your dogs.

NEWGDC co-hosted a judges and handlers clinic with Spokane Bird Dog Association (SBDA) on February 24 in Spokane Valley with instructor Elroy Olson. This was a great opportunity for handlers to learn what judges require for a successful test and satisfied the three-year renewal requirement for judges. Special thanks to Elroy for his expertise at the clinic and for contributing to the club fundraiser at our Labor Day 2023 test!

The NEWGDC is based in Chewelah, Washington, and centrally located between Spokane, Washington, and the Canadian border. Winter puts all outdoor club activities on hold, but the Northeast Washington and Northern Idaho areas offer great opportunities for those

who hunt birds. Spring is in the air, and we are excited for our annual meeting and first training day of 2024 scheduled for March 16. Thanks to Ron Stahl for hosting this event on his grounds in Deer Park, Washington. We will be finalizing our training dates in 2024 and electing officers at this annual meeting. Save the date!

The Salt Chuck HRC started the new year with our annual AGM on Sunday January 14. We welcome our new club president, David Aberdeen.

We finished off 2023 with a fun day of training in a joint field training day for all three retriever clubs on Vancouver Island on December 17. It was a beautiful mild day and there was a fantastic turn out of dogs and handlers. The set up was four marks that could be run in a variety of combinations accommodating all different levels of dogs. The dog/handler teams were presented with great opportunities for dogs to honor, practice line and holding blind skills and offered lots of help for newcomers to the sport.

Our first training day of the year was held on March 3 and we welcomed some new members to the club. A typical Vancouver Island March day greeted us with both sunshine and heavy rain! We had a review of gun and equipment safety, line mechanics and test setups. Any day out training with dogs and friends is a good day whatever the weather when we are at the beautiful grounds of the Ducks Unlimited Swallowfield Estuary in Crofton, British Columbia. Thank you to member John Costello for capturing these great photos of the day.

We are looking forward to our upcoming spring hunt tests and HRC judges seminar in late April. We are excited to announce that the event will be held at Swamp Dog Farm in Black Creek in the Comox Valley, Vancouver Island. We invite everyone to join us on this amazing retriever grounds which was the recent site of the National Retriever Club of Canada's National Retriever Championship and in the summer of 2025 will be the host site for the CKC Canadian National Master Hunt Test.

The co-hosted HRC handlers and judges clinic in February was well-attended. Our instructor was Elroy Olson. Several club HRC judges shared their experiences and asked tough questions. Some people with judging experience from other hunt test organizations are considering taking on HRC judging responsibilities. It was good to have new and experienced handlers join the presentation and discussions.

Our first training day in March had 41 dogs and 33 handlers. We appreciate the volunteers

who stepped forward to help with managing the event. Another training day is scheduled for late March following a judging clinic. We have a picnic test on April 6 following HRC or NAHRA rules. Our HRC hunt test is the Saturday and Sunday of Memorial Day weekend. The ponds on the Espanola Training Grounds should be at capacity for the May tests. As the seasons change, WWHRC members have been working diligently with their retrievers to prepare for the upcoming hunt test season here in the Pacific Northwest. Members are taking advantage of the good weather days as well as the sunshine days to improve the abilities of their dogs and themselves.

WWHRC members have had the opportunity to help further retriever science by participating in two research studies on gastrointestinal parasite exposure and the transmission of avian influenza in hunting retrievers. We would like to thank Dr. Adam Black, Dr. Justin Black and Rachel Ziejka for all their hard work in this research.

We are looking forward to many events coming up this year. Our monthly training days are continuing with running set ups in the morning, breaking for a hot dog lunch followed by skills sessions in the afternoon. We have

enjoyed seeing a good turnout of current and new members. Our spring hunt test will be held the first weekend in June in Monroe, Washington and we look forward to seeing friends from across the region. Western States Boykin Spaniel Club and WWHRC are hosting a foundations seminar featuring Mr. Stephen Durrence on July 6, 7 and 8 in Carnation, Washington. This will be an excellent opportunity for all retriever owners to learn and understand the development of a hunting retriever. In August, WWHRC and Cascade HRC will put on our joint hunt test in Carnation, Washington. Please look on Hunt Secretary for more information on all these events.

We hope everyone has a great season and we look forward to seeing you at the upcoming events.

Dog to the line.

Badger takes the gold back to Western Colorado. Thanks, Harley and Badger; job well done.

Copperstate HRC - submitted. Mike Wilson, President, 520-850-7776, wmr5@msn.com. www.copperstatehrc.org. Visit us on Facebook.

Wow, fun test! New location, great water, lots of newcomers and we gave out loads of ribbons. Everyone is excited for more. Thank you to the hunt test chairman, the secretary, the committee and all those wonderful volunteers who helped us put on a smooth-running, realistic hunt test. Shout out to the vet tech students who ran wingers, helped clean up, learned fast and took pride in their work. Wonderful job. Thank you all. Let's keep training and supporting our region and all the HRC family. Special thanks to the wonderful judges who came from many regions to support us. Thank you to the pros who help keep this sport alive and to the sponsors.

Sitting on the bucket for the first time. They worked it out and had a great weekend!

Hey, isn't that the club president? Better hold on tight, she is ready for duck huntin'.

Joe G. showing off obedience skills in the blind.

Dilly waiting patiently as Peyton delivers his bird; the body aches, but the desire still burns.

I'm ready! Where's my duck? Hurry up! What are we waiting on?

Thank you to these and all of our sponsors.

Prado Basin HRC - submitted. Lisa Griggs, President, 760-553-3606, blue-wing@verizon.net. Visit us on Facebook.

We are out training and supporting our HRC family, participating in all the local/regional hunt tests and enjoying the weather.

Lisa running Roco in Started so his owner can judge Finished. Great teamwork, great people, HRC!

Roadrunner HRC - submitted. Mary McNeese, President, 505-554-5809, Albuquerque, NM, mmottertail@gmail.com.

We are getting ready for an upcoming HRC hunt test in April, we are out supporting the regional clubs and more. Our regional rep has been presenting Judges/Handlers Seminars throughout the region. We all appreciate those. It is a great resource and learning experience for all, if you have never been to one.

Judges/Handlers Seminar.

Western State Boykin Spaniel Club - submitted. Dave Sunderland, President, 916-764-9485, sunwun@aol.com.

Getting ready for our upcoming hunt test is always a lot of work and fun. We have been supporting regional clubs, judging and running dogs, and enjoying good competition with friends new and old.

Hunt Reports

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs! Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!
 This issue contains all 2023 Event Reports processed from January 12, 2024 to March 20, 2024.

HUNTING RETRIEVER CLUB, INC. Point Club RECOGNITION PROGRAMS

The 500, 1,000, 1,500, 2,000, 2,500, 4,500 & 5,000 Club Programs are recognition programs for HRC members who own dogs achieving 500, 1,000, 1,500, 2,000, 2,500, 4,500 and/or 5,000 UKC Championship points in the HRC Hunt Test & Upland Hunt Programs.

one jacket will be awarded for each 'qualified' dog. However, additional jackets may be purchased by the owner through the HRC Administrative Secretary. This is to allow co-owners, spouses, family members, handlers, etc. to participate in the recognition of the accomplishment of the dog.

A Certificate of Accomplishment & Letter of Congratulations will be issued & sent to the 'qualified' dogs announcing their induction into these prestigious Clubs. An order form for the jacket will be included with the Certificate.

It is the desire of HRC & UKC, due to the significance of the accomplishments of these Hunting Retriever Champions, that the jackets be presented at a ceremony to the recipients at a National HRC event/by their home HRC Club with special ceremony.

Direct questions to Tammy Cobb, HRC Administrative Coordinator, at 269-364-2054/tcobb@hrc.dog

The HRC member-owner of the dog must be a member in good standing with HRC, Inc. for a minimum of 12 months prior to the time the dog earns the qualifying Championship Points (500th for 500 Club & 1,000th for 1,000 Club, etc.).

HRC recognizes the 100 Championship points that count toward the retriever's HRCH title & all additional points (including Preliminary Hunts) earned in Finished, Grand & Upland Hunt Tests toward the Point Clubs.

The Programs consist of the awarding of a specially designed distinctive jacket embroidered with the HRC logo, owner's name & the qualifying retriever's name. Only

Following are additions to the list of all dogs & their owners that have met the qualifications for the clubs, compiled as of March 15, 2024.

Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
8. They are barred from advertising in any UKC publication or UKC internet site.

Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

ATTENTION ADVERTISERS

YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS. Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.

Please note: The use of trademarked or copywritten material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.
