Listen here! Every time I let this Queen Touch my Crownn it's nothing less than Greatness! I never know what style I want so the freestyles definitely be on point. I kid you not I will call out of work to get my hair done by Bre, I've went and got my hair done on the clock before. Because it's a trust process! Definitely can't let everyone help keep your crown aligned, but Bre is THE. Sis be booked busy and gone so don't miss your opportunity before baby goes global

Top tier service !! 100 5 Star
