

MALESATION

Tutto ciò di
cui un uomo ha
bisogno!

La MALESATION è un marchio di **st** RUBBER

LA NOSTRA FILOSOFIA: QUALITÀ E SERVIZIO SENZA COMPROMESSI

Con il marchio MALESATION, ST RUBBER riunisce tutto ciò che eccita gli uomini: da giocattoli innovativi e stimolatori originali a preservativi, lubrificanti e sofisticati masturbatori fino a kit di avviamento completamente confezionati - questo marchio sa cosa vogliono davvero gli uomini! E glielo fornisce con una qualità eccellente!

Creare un marchio solo per uomini non ci bastava nel 2012. Il mercato è pieno di giocattoli, un'altra gamma forse avrebbe retto il confronto, forse no e sarebbe scomparsa dopo pochi anni. Ce ne siamo resi conto. E questo ci ha spronato..

Quando abbiamo iniziato a sviluppare il nostro marchio maschile MALESATION, abbiamo puntato in alto: non volevamo solo creare un nuovo marchio di giocattoli maschili, ma volevamo fare di MALESATION IL marchio per gli uomini. Un marchio che colpisce per la qualità e il prezzo. Un marchio che offre prodotti innovativi. Che suscita curiosità. Che faccia pensare ai clienti in negozio o durante la navigazione online: „Devo provarlo!“.

IL CHE SUSCITA CURIOSITÀ.

Sostenibile ed elegante

Le nostre confezioni di MALESATION convincono per il loro „linguaggio stilistico“ chiaro e attentamente studiato. I colori e la tipografia sono stati abbinati con precisione al marchio e hanno un valore di riconoscimento.

E soprattutto:

le nostre confezioni sono sostenibili e prive di plastica!

A black, teardrop-shaped bulb with a red stem and a red cap. The bulb is centered vertically and horizontally. The background is a dark gray gradient.
