

A graphic consisting of several rows of black dots arranged to form a stylized mountain range silhouette. The dots are arranged in a way that suggests peaks and valleys.

AUTUMN • WINTER
COLLECTION

DESIGNED IN BELGIUM

A dark grey square graphic with a dotted white border. Inside the square, there is a pattern of white dots arranged in a stylized, abstract shape that resembles a mountain range or a series of peaks. Below the dots, the text "AUTUMN • WINTER COLLECTION" is written in a clean, white, sans-serif font.

It is still a challenging time for all of us.

But we keep looking to the future
in a positive way.

And this is what we want to show you
in our new AW collection.
We hope you'll like it.

Kind regards,
The Mistral Home family

SUSTAINABILITY

Over the past few years, sustainability has gained tremendous value amongst consumers and amongst us.

We strive to reduce our ecological footprint as much as possible, to raise consumer awareness and to deliver products manufactured in safe and fair conditions.

You can easily identify our sustainable products thanks to the Mistral Home Cares logo.

OUR CERTIFICATES

At Mistral Home we want to know where our products come from, who made them and in which conditions they are manufactured. Through audits we ensure that our partners in the **Far East** continue to meet our requirements regarding **working environment** and **sustainability**.

At Mistral Home we want to ensure the **safety of our products** so you can use them without any concern. The OEKO-TEX certificate is a **reliable product label** for the assessment of the human ecological quality of textiles for customers.

With the **Global Recycled Standard** we assure that the product is made out of at least 20% recycled materials. When a product is made with more than 50% **recycled materials**, the logo can be added. The recycled materials can originate from pre-consumer or post-consumer waste.
