## HOLIDAY SAFETY TIPS FROM THE LA VERNE POLICE DEPARTMENT

The holidays are a time for celebration, but they can also bring unique safety challenges. The La Verne Police Department is committed to ensuring that our community enjoys a safe and secure holiday season. Whether you're shopping, traveling, or celebrating at home, keep these tips in mind to protect yourself and your loved ones:

### 1. Shopping Safety

- **Stay alert:** Be aware of your surroundings and avoid distractions like your phone while walking to your car or through parking lots.
- **Park smart:** Always lock your car doors and avoid leaving valuables, especially shopping bags, in plain view. Store them in the trunk or take them with you.
- **Shop in pairs:** Whenever possible, shop with a friend or family member. There's safety in numbers.

### 2. Home Security

- **Lock up:** Whether you're at home or out running errands, always keep doors and windows locked. Consider using timers on indoor lights to give the appearance that someone is home.
- **Protect your packages:** With the increase in online shopping, porch pirates are on the lookout for unattended packages. Consider having packages delivered to a secure location or ask a trusted neighbor to pick them up for you. Many delivery services offer options for in-store pick-up or scheduled deliveries.
- **Break down boxes:** Don't advertise new purchases by leaving large boxes out on the curb. Break down boxes and place them inside your trash or recycling bins to avoid drawing attention to valuable items you've received.

### 3. Traveling Safely

- **Plan ahead:** If you're traveling out of town, let a trusted neighbor know, and ask them to keep an eye on your home. Suspend newspaper deliveries and arrange for mail to be held.
- **Secure your home:** Before leaving, ensure all windows and doors are locked, and set your alarm system if you have one.
- **Avoid social media:** Refrain from posting your travel plans on social media. Wait until you return home to share your vacation photos.

### 4. Holiday Celebrations

- **Drink responsibly:** If your celebrations include alcohol, make a plan for a safe ride home. Use a designated driver, rideshare app, or public transportation.
- **Fire safety:** Keep flammable decorations away from candles, fireplaces and heaters. Ensure your Christmas tree is watered regularly to reduce the risk of fire.
- **Watch your pets:** Holiday foods and decorations can be hazardous to pets. Keep chocolate, tinsel, and other potentially harmful items out of reach.

### 5. Personal Safety

- **Secure your belongings:** Whether at home or in public, avoid carrying large amounts of cash. Use credit or debit cards whenever possible.
- **Be cautious with strangers:** Be wary of strangers approaching you for any reason during the holidays. Scammers often use the season of giving as an opportunity to take advantage of people.
- **Stay informed:** Sign up for local alerts to stay informed about potential threats or suspicious activity in your area.

Chief Gonzalez and the La Verne Police Department wish you a happy and safe holiday season! By staying vigilant and following these simple tips, we can all work together to ensure that this time of year is filled with joy and peace. If you ever need assistance, don't hesitate to reach out to us at (909) 593-2531.

Stay safe and Happy Holidays!

## WATER AND SEWER RATE STUDY

### Keeping La Verne Flowing: How You Can Shape the Future of Water and Sewer Services

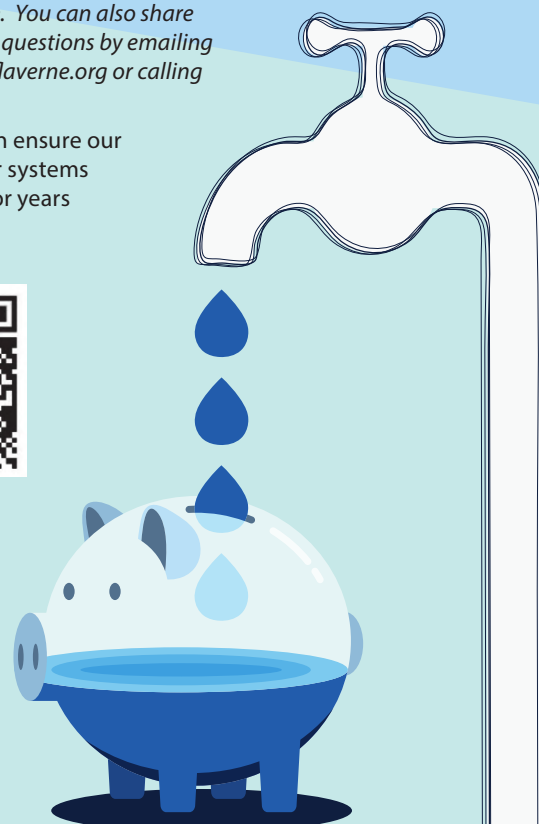

Water and sewer services are critical to our daily lives and keeping them reliable is one of the City's top priorities. But have you ever wondered how the rates you pay for these services are set?

Since the last rate adjustment in 2019, the cost of providing water and sewer services has gone up more than 18% due to inflation. To ensure we can continue to operate, maintain, and improve these essential services, the City is conducting a rate study (also called a cost-of-service study). These studies are typically done every 3-5 years to ensure transparency and help us plan for the future, including maintaining infrastructure, meeting new state and federal regulations, and upgrading technologies.

This process involves collaboration between City staff, financial experts, community members, Ad Hoc Water & Sewer Rate Study Committee Members, and the City Council, all within the guidelines of California Proposition 218. And we need your input! The City will be hosting workshops and community events in the coming months, giving you a chance to learn more about how rates are determined, why they're important, and the potential consequences if they don't keep up with rising costs and regulatory demands. We also invite you to join us for our Ad Hoc Water & Sewer Rate Study Committee meetings.

To get involved or stay informed, visit our website at [www.cityoflaverne.org/ratestudy](http://www.cityoflaverne.org/ratestudy), or simply scan the QR code. You can also share your thoughts or questions by emailing [ksanchez@cityoflaverne.org](mailto:ksanchez@cityoflaverne.org) or calling (909) 596-8744.

Together, we can ensure our water and sewer systems remain strong for years to come.

## CODE ENFORCEMENT

City ordinances are designed to maintain a healthy, safe, and clean environment, carry out land use policy and preserve the quality of life. *Please call (909) 596-8788 or email [codeenforcement@cityoflaverne.org](mailto:codeenforcement@cityoflaverne.org) if you have any questions or concerns.*

## SANDBAGS

During heavy rainfall, sandbags can provide an effective barrier to help divert water away from homes and buildings. When La Verne faces such weather, the La Verne Fire Department will open sandbag pick-up locations for residents, schools, and businesses at the following sites:

- Public Safety Facility, 2061 Third Street
- Fire Station 3, 5100 Esperanza Drive

Shovels and bags will be available at these locations. Since filling and loading sandbags is typically a two-person job, please bring someone to assist you.

There is a limit of 10 sandbags per household or business. Please note that once sandbags are taken, they cannot be returned. We encourage you to only take the number of sandbags you truly need, based on the specific needs of your property.

We recommend following the La Verne Fire Department on social media to receive updates for when these sites will be activated.

## Annual Audits: How They Help Keep Our City Accountable

### Preparation

Auditors meet with City Officials to understand finances, programs, and operations.

### Data Collection

Auditors gather financial records to assess how public funds are managed.

### Review & Analysis

Auditors examine the City's finances and operations for accuracy and compliance.

### Findings Report

Auditors create a detailed report that outlines their findings.

### Follow-Up

After the audit, the City works on implementing any recommendations made.

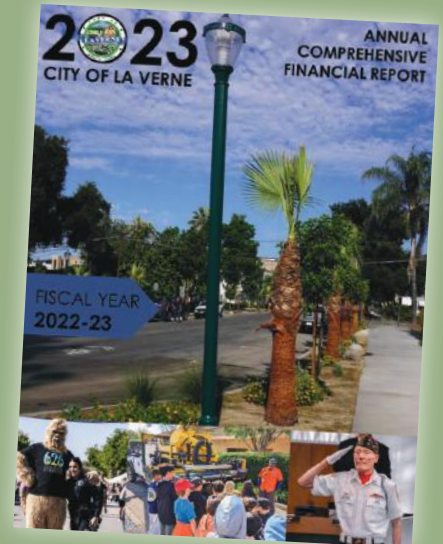

### A Closer Look at How Audits Verify Responsible Use of Public Funds

Annual audits play a key role in keeping our community strong and thriving. Think of them as a report card that helps make sure our City's money is being used wisely and effectively. Conducted by external financial experts, regular audits strengthen public trust by confirming that local government operations comply with legal and regulatory standards.

City audits highlight areas for improvement in budgeting and spending, promoting responsible fiscal management. They provide valuable insights that help decision-makers improve processes and allocate resources more effectively, enhancing our community. Audits are essential for keeping the City on track, fostering growth, and meeting legal requirements.

The City of La Verne is currently undergoing the audit for fiscal year 2023-24 (July 1, 2023 through June 30, 2024). Following a competitive Request for Proposals process, Badawi & Associates was awarded a multiyear contract in 2023 to provide auditing services to the City. These audits are conducted in compliance with Government Auditing Standards set by the Comptroller General of the United States, ensuring transparency and accountability in the City's financial practices. Once complete this audit will be presented before City Council and available online.

The latest audit is available on the City's website at [www.cityoflaverne.org/budget](http://www.cityoflaverne.org/budget)

## Water Saving Tips

1. Water your lawn only when it needs it. Step on your grass... if it springs back when you lift your foot, it doesn't need water. So set your sprinklers for less frequent watering... **saves 750 to 1,500 gallons a month.** Better yet, in times of drought, water with a hose.
2. Fix all plumbing and irrigation leaks... **saves about 20 gallons a day** for each leak stopped.
3. Don't run the hose while washing your car... use a bucket of water and a quick hose rinse at the end... **saves 150 gallons each time.** That's a significant amount of water if you wash your cars frequently.
4. Run only full loads in the washing machine and dishwasher... **saves 300 to 800 gallons a month.**
5. Use a broom instead of a hose to clean driveways and sidewalks... **saves 150 gallons or more each time.** At once a week, that's more than 600 gallons a month.
6. Don't water the sidewalks, driveway, street, or the side of your house. Adjust sprinklers so the water lands on your lawn or garden – where it belongs... **saves 500 gallons a month.**
7. Put a layer of mulch around trees and plants. Shredded leaves/bark, peat moss or gravel slows down evaporation... **saves 750 to 1,500 gallons a month.**
8. If you have a pool, use a cover to cut down on evaporation... it will also keep the pool cleaner... **saves 1,000 gallons a month.**
9. Water during the cool parts of the day. Early mornings are better than evenings since it will help prevent fungus and mildew growth... **saves 300 gallons a month.**
10. Take your car to a car wash if you can... generally, most car washes filter and recycle a high percentage of the wash/rinse water which is very resource efficient.

This initiative emerges as a direct countermeasure to the escalating incidents of "smash and grabs" affecting retail establishments along major travel routes in California.
