# BEST EVER CHOCOLATE CHIP COOKIES

14 tablespoons softened  
1 cup granulated sugar  
½ cup light brown sugar  
2 eggs  
1 teaspoon vanilla extract  
2½ cups all-purpose flour  
1 teaspoon baking soda  
½ teaspoon salt or sea salt  
3 cups chocolate chips (any combination/ variation)

1. Preheat oven to 350°F and line baking sheets with parchment.
2. Partially melt butter (microwave halfway or warm in oven until half melted); let cool.
3. Beat cooled butter with sugars until light and fluffy.
4. Mix in vanilla and eggs one at a time.
5. Add flour, baking soda, and salt; mix on low just until combined. If dough is too wet, add up to 3 tablespoons extra flour, 1 tablespoon at a time.
6. Fold in chocolate chips. Scoop (1/4 cup for large, 1.5 tablespoons for medium), spacing to allow spreading.
7. Bake one tray at a time: 10–12 minutes for large cookies, 8–9 minutes for small. Cool on a wire rack.

## This Year Give The Gift of a Brighter Financial Future

When you think of meaningful gifts, few compare to the gift of investing in someone's future. Giving an account can be a gift that lasts a lifetime!

A Custodial account for a child

An Individual or Roth IRA account for a loved one

A Joint account to build a shared future

It's personal and practical  
You're not just giving them money, you're giving a foundation for financial independence.

It grows with them  
Unlike short-term gifts, investment accounts can potentially turn today's contribution into tomorrow's opportunity.
