Who we are

CRYOPDP as a company

Part of Cryoport Inc., CRYOPDP is the first choice courier for the Life Sciences and Healthcare industries.

We are focused on supporting your business and the patient's needs. That's the reason why we, through a dedicated team, will plan, manage and implement tailor-made temperature-controlled logistics solutions that will fit your requirements and business goals.

Our mission

CRYOPDP aims to improve the health of people around the world by providing global innovative temperature-controlled logistics and supply chain solutions to the Clinical Research and Cell & Gene Therapy communities.
