VISION

The Church of God of Prophecy is a Christ-exalting holiness, Spirit-filled, all-nation, disciple-making, church-planting movement with a passion for Christian union.

MISSION

Reconciling the world to Christ through the Power of the Holy Spirit.

CORE VALUES

Prayer is the first of the Church of God of Prophecy's five core values. Prayer touches everything, informs all activities, empowers all ministry and service, and permeates the work from beginning to end..

In 1994, the Holy Spirit clearly instructed the Church of God of Prophecy to "turn to the harvest." This was a critical moment for our movement. God had spoken to us, and his call would direct us. The reformations the Church of God of Prophecy experienced since then have solidified our determination to remain aligned with God's harvest priority. One simple result has been a growth in global ministry; worldwide membership is four times that of 1994. Today, the leadership of the Church of God of Prophecy holds God's Harvest call as a core value and a central mandate. It has not been rescinded or completely fulfilled. Neither can it be until all have heard.

Leadership Development is a third core value. The Church of God of Prophecy has used significant resources to create systems that cultivate a culture of excellence and produce competent, skilled leaders. The Church has created stable, reproducible results in its leadership training programs and built accountability into those programs. The Church has also significantly and measurably strengthened collaboration and connectedness among ministry leaders.

The fourth core value of the Church of God of Prophecy is Biblical Stewardship. The Church affirms that everything belongs to God. While he has graciously entrusted individuals with the care, development, and utilization of his resources, Christians are responsible to manage his holdings well and according to his desires and purposes. The Church acknowledges and encourages its members to recognize they are stewards of the resources, abilities, and opportunities God has entrusted to them, and one day, each one will be called to give an account for how what the Master gave was managed. Therefore, it is with joy that the Church works hand-in-hand with God, utilizing that which God had given, to his glory and honor.

The fifth core value of the Church of God of Prophecy is Service. Jesus served. He calls his followers to serve. All across the world, Church of God of Prophecy leaders, churches, and members serve their communities in a myriad of ways. They serve through community events, often partnering with charitable organizations to help those in need. Cleanup campaigns, emergency aid when disaster strikes, youth sports leagues, after-school programs, care for the elderly, food pantries as well as teaching, preaching, giving, cooking, cleaning, helping, providing transportation- there are as many ways to serve as there are Church of God of Prophecy congregations. Our people serve.

GREETINGS

REGIONAL BISHOP

It is with joyful anticipation that we come together one more time, with hearts filled with praise and gratitude. The fellowship will be great, and the blessings of the Lord will be experienced as we lift our hands and hearts in worship, in every session of this convention. Always when the praises go up, the blessings come down. Already, I feel a fresh move of His spirit taking us to a deeper place of commitment and spirituality.

This twenty-first century church must make the commitment to remain Spirit-Filled, Christ-centered, Apostolic and intensely Evangelistic. With missionary zeal we must continue to preach and teach the whole gospel for the whole world with the greatest boldness and confidence. May we also through His power heal the sick, cast out demons and continually expand His kingdom, as we were unequivocally instructed to do.

It must be conceded that the hour is late, and the time is short! We are constantly reminded from Scripture that we are the holy, faithful people of God traveling through this barren land. It must never be denied that we are in the world but not of the world (John 17:16).

As His “called out ones” we, therefore, do not do average and mediocre. We represent always the excellent One! We are yet called upon to partner with Him to redeem fallen humanity. We are sent to walk alongside those carrying the immense weight of anxiety and sorrow. Being the salt of the earth and the light of the world we must consistently, urgently reach the lost and grow the found! We still seek only in all of our deliberations to fulfill the great commission.

I sincerely trust that this convention shall serve as a catalyst to motivate us to stay on track. We must remain on Mission! Let us get on with the urgent task of reconciling all of humankind to Christ. This is No Ordinary Church, deficient in quality or operating in the natural. We are His phenomenal people! May we have a convention like never before. We seek Christ! No more! No less!

Thank you for coming. Let's have Church!

Bishop Dr. Leroy V. Greenaway
Lady Christina Greenaway

GREETINGS PRESIDING BISHOP

To the beloved Church of God of Prophecy family across the Northeast English Region,

It is with great joy that I greet you on behalf of the Church of God of Prophecy International Offices and your global church family as you gather for your 2025 Regional Convention. I am especially encouraged by your theme, “No Ordinary Church - ON MISSION.” This has become a bold declaration of our shared purpose and Spirit-filled identity in these final days!

We live in a world that is fragmented by sin, confusion, and spiritual brokenness. Yet God has called us, as His people, to stand together—unified by His Spirit and focused on His mission—to proclaim the hope, healing, and reconciliation found in Jesus Christ. This is the purpose for which we were formed and the assignment we must fulfill until He returns.

Our mission, reconciling the world to Christ through the power of the Holy Spirit, is not a slogan or strategy, but the very heartbeat of heaven. From rural villages to bustling cities, from emerging church plants to established congregations, the Spirit of God is stirring His people to rise in unity and declare that Jesus still saves, heals, delivers, and is coming again.

What makes our mission powerful is not our numbers, our talents, or even our passion. It's the presence and power of the Holy Spirit. We are a Pentecostal people, birthed in the fire of Acts 2, fueled by divine power, and committed to carrying the Gospel to the ends of the earth. Just as the early church was “of one accord and in one place” when the Holy Spirit fell, so I believe that as you gather for this convention—united on mission—you will experience fresh outpourings of His Spirit in your midst.

This kind of unity doesn't come from human effort alone. It is birthed in prayer and empowered by the Spirit. When God's people come together in one mind and one mission, the result is unmistakable... revival is birthed, strongholds are torn down, and the lost are drawn to Jesus.

My prayer is that this convention will be a moment of alignment. A gathering where God renews your vision, deepens your unity, and infuses your mission with fresh fire from above. I pray for every worship service, message, altar call, and personal encounter to be marked by the undeniable presence of the Holy Spirit. May pastors be encouraged, leaders empowered, and every believers sent forth with new boldness.

With prayer and great expectation,

Tim Coalter
Presiding Bishop

GREETINGS

NORTH AMERICA GENERAL PRESBYTER

Dear Brothers and Sisters in Christ,

I greet you in the name of our Lord and Savior, Jesus Christ. It is a joy and an honor to greet you during this special time of your state convention. Your dedication to God's work and commitment to His mission are truly commendable.

This is an exciting season for the Church of God of Prophecy across North America as we move forward with our Multiply 2030 initiative. Our prayerful goal, to plant 500 new churches and strengthen 2,000 existing churches by the year 2030, is beyond numbers. It's about lives transformed, communities reached, and disciples made to reconcile the world to Christ through the power of the Holy Spirit.

Rejoice with me as we have reached more than 10% of our 500 new churches goal! More and more churches and missions are being planted across North America. Several states and regions have begun to teach "Healthy Church Dynamics", a training from our parachurch organization Dynamic Church Planting International (DCPI). This course will equip our leaders with the tools to see their church flourish and become a *mother church*.

I want to thank you for your faithful service and for the ways you are already contributing to this vision. I ask and encourage each of you to join me in prayer for the Multiply 2030 initiative, laborers into the harvest, an outbreak of divine healing in our congregations, and the greatest strategy and partnerships with para-church partners to emerge.

As you gather in these days of convention, may you be refreshed, inspired, and empowered by the Holy Spirit. May this convention serve as a catalyst for renewed passion and strategic collaboration as we pursue the Multiply 2030 initiative together. Let us remain steadfast, knowing that our labor in the Lord is not in vain.

Brian T. Sutton, D. Min.
North America General Presbyter

Pastor Idriss's desire as a church is to be within the community proclaiming the Word of Christ and providing good deeds whenever possible to the community.

SPEAKERS

Minister Telnave Felix, born and raised in Haiti, immigrated to the United States in 1994. Though he grew up Catholic, his experiences participating in the local church led him to convert to Protestantism in 1998. His fervency for God was revealed through his passion for teaching children about the Bible in 2006. His talents were not wasted once it was clear that God had chosen Felix to communicate His Word on a grander scale. In 2010, Telnave Felix was appointed to the board of trustees of Grace Tabernacle Church of God of Prophecy, Roosevelt French in Long Island, New York. Feeling called to improve his knowledge of the Bible, Telnave Felix attended Gordon Conwell Seminary, earning an M.A. in Religion alongside his wife, Minister Verdele Felix, while continuing to learn firsthand from his senior pastor, Bishop Etienne Carelus. He became a licensed minister in 2020, associate pastor of his local church, and a guiding figure in the church.

Minister Jefferson Espinal, a servant of God, committed to preaching, teaching, and expanding the Kingdom of God through leadership and outreach. I am currently studying at Spirit Life Seminary and Steven Academy, where I continue to grow in biblical knowledge and spiritual leadership. God has given me the privilege of working closely with pastors and leaders, that have been helping and teaching me. My heart is to teach people around the world, bringing the message of hope, salvation, and transformation through Jesus Christ.

I am joyfully married and the proud father of a beautiful daughter. With my family, I continue to serve the Lord with passion, humility, and a deep desire to see lives changed by the power of the Gospel.
