Blissful Art Quakes is a handcrafted scented candle manufacturing brand based in Behala, Kolkata, West Bengal, India. Established in 2023, the brand specializes in handmade scented jar candles created using organic soy wax and gel wax.

About Us

Blissful Art Quakes is a handcrafted scented candle manufacturing brand based in Behala, Kolkata, West Bengal, India. Established in 2023, the brand specializes in premium handmade jar candles created using organic soy wax and gel wax. Each product is thoughtfully designed to deliver elegant aesthetics, clean burning quality, and long-lasting fragrances. Our product range includes beautifully crafted scented jar candles suitable for hotels, spas, wellness centres, boutiques, and premium gifting. With a strong focus on customization and quality craftsmanship, Blissful Art Quakes ensures every candle reflects refinement, warmth, and sensory balance.

Handcrafted scented candles using organic soy wax and gel wax.

Elegant designs with long-lasting, soothing fragrances. Custom candle solutions for hotels, spas, boutiques, and gifting.

At Blissful Art Quakes, we believe in creating more than candles—we create moments of peace, joy, and sensory balance. With every flame we light, we aim to spread warmth, elegance, and positive energy. Quality, sustainability, and customer satisfaction remain our core values.
