HURRICANCE PREPAREDNESS CHECKLIST

Food and Supplies for Severe Weather

No one wants to think about a hurricane, torando, or other major storm system visiting your area, but it's better to be prepared to protect your home and family. With this checklist, you can ensure you have the necessary materials on hand at home.

KEY SUPPLIES

- ☐ **Water** – 1 gallon per 1 person per day. For a family of 4 for 5 days, you need 20 gallons. Save water in a bathtub for basic sanitation and dishwashing, but do not drink this water.
- ☐ **First Aid Kit** – Band-Aids, bandages, antibiotic ointment, bleach and a medicine dropper so you can create water disinfectant (6 drops of bleach for every 1 gallon of water), hand sanitizer, any necessary medications, hygiene products, and baby products.
- ☐ **Flashlight** – 1 flashlight per family member and the correct size of extra batteries.
- ☐ **Tool Kit** – A basic set of tools: hammer, nails, screws, screwdriver, pliers, and knife.
- ☐ **Sanitation Products** – Toilet paper, moist towelettes, and plastic garbage bags in different sizes. You need to keep waste away from your family and other supplies until local services like water and trash have been restored.

MISCHIEF CREATIONS

All Doll'd Up & Ready to Show

I am Louisiana Artist, Connie Born, and I create MisChief with my whimsical MisChief Dolls. Each doll has my signature button collage "Throw me Something Mister" mouth and reflects the celebration of the People and Culture of Louisiana with a Mardi Gras flair.

My journey began in 1997 when I left my successful career in Sales and Marketing management and created my very first MisChief Dolls. The primitive creations took off quickly after being noticed by Dan Kelly of Kern International, and they exclusively marketed my creations. My dolls entered a whole new dimension in 2015 when I began using exotic materials such as fine Italian and Turkish leathers, vintage sari and kimono silks, metal, crystal and glass beads, and feathers of all kinds. Each one-of-a-kind creation is on display at my **NEW** MisChief Creations ArtworX Collective at 1201 Robert Blvd. in Slidell, LA. I also make custom creations for my collectors, and incorporation of personal items is allowed. It takes no less than 2 weeks to create a custom piece. Creations range from 17" to 22". International shipping is available.

While you're here, come browse all the other fabulous artisans' displays of jewelry, pottery, art, wall hangings, and so much more. Plus there's a new Exotic Succulents collection featuring pottery designed especially for the wonderful wacky world of beautiful succulents.
