Fitrah Muhammad believes that all people are created with purpose, the right to freedom, and the pursuit of life, liberty and happiness.

At an early age of 15, she accepted the leadership of the late Honorable Elijah Muhammad (ra), a great social reformer who raised the consciousness of his people.

She continued her journey as a student of the late Imam W. Deen Mohammed (ra), often spoken of as “America’s Imam”, who led the largest conversion of African Americans in history from a hybrid form of Islam to universal Al-Islam, consistent with the Holy Qur’an and the prophetic teachings of Prophet Muhammad (pbuh).

In 2014, Ms. Muhammad founded the Study Al-Islam Program, a weekly educational series dedicated to the advancement of knowledge, a clear understanding of the Qur'an, traditions of Prophet Muhammed (PBUH), the Arabic language, and the insightful, scriptural, and contemporary language of Imam W. Deen Mohammed (ra).

“The Quran was revealed to Prophet Muhammad to show the function and purpose of everything in creation and its relationship to life”. - Imam W. Deen Mohammed (ra)

“Fitrah presented opportunities that were historic and had a global impact. In December 2009, Fitrah organized a free open-air concert to thousands of Cuban fans. Kool & The Gang were the first American musicians to receive permission to perform on this communist-run island during the Presidency of Barack Obama. After the devastating 2010 earthquake in Haiti, Fitrah organized a delegation which included one of the founding members and management of Kool & The Gang to assess the scope of work needed to rebuild the city of Petit-Goave. Recently, Fitrah coordinated the induction of a Kool & The Gang exhibit in the Smithsonian African-American Museum in DC”.

Dennis Thomas, Original Member of
Kool and the Gang

“In all of these interactions it has been a pleasure to collaborate with her. She is thoughtful, well organized, and attentive to detail. Ms. Muhammad has spoken in various settings where I have been present including at the Board of the Directors of the IFC, so I can also testify that she is very skilled at oral presentations and clearly also in written communication as well. Since the IFC is a very diverse interfaith organization I can also affirm that she has strong outreach experience in this area of interfaith work. She is both a good team player and a leader with especially strong skills in the area of programming”.

Interfaith Conference of Metropolitan Washington
