SOUTHWEST NATIONAL PARKS

Orbridge

Dear OBU Alumni and Friends,

Venture with us through the iconic landscapes of America's Southwest on an awe-inspiring journey led by a premier guide from Orbridge's Expedition Leader team—many of whom have served as U.S. National Park Rangers—along with experienced local guides whose expertise brings the landscapes, wildlife and history of this region to life like no other. This comprehensive tour blends breathtaking scenery with rich narratives, offering a deep connection to the land, its people and its past.

Unveil the mesmerizing geological marvels tucked within our treasured national parks—including the Grand Canyon, Bryce Canyon and Zion—where the intricate dance of uplift and erosion has etched an extraordinary tapestry across the Southwest plateau. Delve into a world where hoodoos, slot canyons, arches, buttes and mesas stretch across the horizon in a breathtaking display of nature's artistry. Immerse yourself not just in the land's grandeur, but also in the stories of the resilient Americans who helped shape the history of "Red Rock Country."

Our customized itinerary extends far beyond the surface featuring exclusive opportunities to engage with Native American history through music, storytelling, and meaningful discussions that bring the region's heritage to life.

PLUS: Join the optional post-tour—Salt Lake City to Denver aboard *Canyon Spirit*—to take advantage of additional guided touring at Canyonlands National Park and Arches National Park. Enjoy nature's wondrous scenery in comfort and style during two days of rail travel in premium SilverLeaf class.

Space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly. To reserve visit okbu.orbridge.com or call (866) 639-0079.
