HOME SCASS

PRESIDENT'S WELCOME

Tim Lambert
President of THSC

In recent history, parental rights have come under attack in our culture, and there are many who aim to take away a parent's right to choose their child's educational environment. Taking charge of your children's education is a noble and brave act—and one that we are honored to partner in with you.

We believe that families have a God-given right to raise their children as they see fit!

For the past 37 years, we have worked relentlessly to protect and support families who choose homeschooling as their education model. We are passionate about providing resources to families as well as promoting, defending and advocating for homeschooling in the Texas Legislature and in the courts.

The Texas HomeSchool Conventions are a continuation of these efforts.

In the Exhibit Hall, you will find a variety of teaching resources and materials to assist you in creating the best homeschooling environment possible for your students. The workshops and activities were designed to help you be confident in what your children are learning, structure your home life as you see fit, and create an environment of peace in your homeschool. It is our ultimate goal to ensure that every family in Texas remains free to pursue homeschooling without the threat of oppression. Your support keeps us going as we strive to safeguard those freedoms.

You are vital to Keeping Texas Families Free. Thank you for being here!

In your service and His,

Tim Lambert

GENERAL INFO

Have questions about our convention? No worries. We have you covered! Check out some of our frequently asked questions below. If you still have questions, we have an entire team at our Registration Booths who are ready to serve you!

Stroller and Rolling Book Cart Policy

Most strollers and rolling book carts are allowed in the Exhibit Hall. No side-by-side strollers or wagons are permitted. Due to space constraints and fire marshal regulations, strollers will not be allowed into workshops, but they may be parked in designated Stroller Parking Areas. Stroller Parking areas will not be monitored. Please do not leave valuables in strollers while parked.

Workshop Recordings

Workshops are one of our favorite things that we offer at our convention! Like you, we would love to attend all of them in person. While we can't do that, we have partnered with Resounding Voice who will record and sell all workshop and keynote speaker sessions. We will send out a link after convention for you to pick up your copy!

Pets

No pets of any kind are allowed in the convention center. Registered seeing eye dogs, service animals or mobility dogs are welcome.

Concessions and Dining

We have a wonderful concession stand located inside the Exhibit Hall! You can check out the menu below!

Parking

There are multiple lots around the convention center. You can find the parking map on page 18!

Quiet Room

Sometimes kiddos need a break from all of the action! We get it. The Quiet Room is designed for those who need to step away and reset. The whole family is welcome. The quiet room is located in room 201 B.

Toddler Play Area

When your little ones need to stretch their legs, head to the Exhibit Hall and visit the Toddler Play Area. This area is designed for those who are 1-5 years old. This is a parent supervised area!

Nursing Mother's Room

A Nursing Mother's Room is located in room 201 B, upstairs in the convention center, for your convenience and privacy. Nursing mothers are encouraged to take advantage of the unstaffed Nursing Mother's Room.

Baby Changing Area

Baby changing areas are conveniently located inside the Nursing Mother's Room and Quiet Room. Please bring your own supplies. There are also Baby Changing Areas in each restroom inside the convention center.

West Texas A&M University, a regionally accredited public university, provides Texas home school families with excellent higher education opportunities.

WT offers nationally ranked online and on-campus academic programs with 59 undergraduate degree programs and more than 40 graduate degrees, including two doctoral degrees.

At Texas Home School Coalition we believe that:

Raising children is a family's God-given right and calling.

Empowering parents to raise and educate the next generation of leaders.

A loving family home is the best environment for children.

Homeschooling is one of the best models for educating children. We'll help you take the guesswork out of homeschooling so you can enjoy the journey.

The Family Freedom Project (FFP) is the sister organization of THSC, dedicated to *Keeping Texas Families Free* from heavy-handed government intrusion. FFP was launched out of a desire to address the ongoing assault against parental rights targeting families and children. FFP's mission is to advocate for and defend the liberty of families to raise their children as they see fit.

the Water Gardens

The Fort Worth Water Gardens are a true oasis in downtown Fort Worth, right across from the Convention Center! Unlike most urban parks which are centered around greenspace, the Fort Worth Water Gardens revolves around thousands of gallons of water and numerous, beautiful water features.

Sundance Square

With free parking after 6:00 pm, Sundance Square features a beautiful, easily walkable outdoor plaza with live music, water fountains that kids can play in, and multiple eatery options. It's a must see attraction in Fort Worth!

Local Tip: "Sundance Square" appears as a large section of Downtown Fort Worth on Google maps. Don't get lost trying to find it. You want Sundance Square Plaza at 420 Main Street. If don't want to drive, you can catch Molly The Trolley for a free ride from the Convention Center or you can take a stroll! It's just a quarter mile away.

molly the Trolley

Molly the Trolley is a vintage style trolley that stops by the Fort Worth Convention Center every 15 minutes to give free tours of downtown Fort Worth. If you're looking for a quick, free, easy activity, this is for you! Best of all, Molly stops at Sundance Square Plaza and other downtown Fort Worth attractions so you can easily jump off, see the sites, and catch her again on her next trip around.

Patricia LeBlanc Park

Open sunrise to sunset, this park is a great place to stop with younger kids who just need to burn off some energy!

BUDGET-FRIENDLY ACTIVITIES FOR YOUR FAMILY

Fort Worth Stockyards

While you can tour the stockyards for free and occassionionally find free parking, most activities are paid. Kids love the life-size Cattle Pen Maze (open 'til 6:00 pm). Check out the Stockyards Championship Rodeo Fridays & Saturday at 7:30 PM. If you want to test out your bull riding skills, take a ride on the mechanical bull (available any time after 11:00am). There is no shortage of things to do at the Fort Worth Stockyards!

🔊 Jake's Burgers

You're in cow country. You should try the burgers. Jake's is located walking distance from the convention center just at the edge of Sundance Square Plaza. They have some of the best burgers you'll find anywhere!

Melt Ice Cream Shop

Can one really have too many kinds of ice cream? We think not. Try out this Fort Worth special within walking distance from the convention center for some of the best ice cream around

Altitude Trampoline Park

Interested in flying with style? Altitude trampoline park is a place of fun and adreneline. Stop by and let the kids burn off all of that extra energy! Open until 9:00 pm Friday and Saturday.

PREMIUM ACTIVITIES FOR YOUR FAMILY

Jopgolf - Fort Worth

Want to grab a bite to eat and practice your golf swing? Fort Worth has you covered. Less than 2 miles from the Fort Worth Convention Center, Topgolf offers a great evening of food, fun, and hitting things that you won't want to pass up.

Cowtown Bowling

Cowtown Bowling is an awesome place for a relaxed family evening of fun. Get into a fun family competition during Open Bowl time or break away to shoot some pool on the billiards tables and play a few arcade games with the kids. Either way, it's great opportunity for a fun family evening! Open every day until midnight.

SeaQuest Ocean Adventure

Explore the world's ocean with the 36,000-gallon exhibit of sharks, stingrays, and tropical fish, or travel to the rainforest to see exotic birds and sloths. Your kids can touch, see, and interact with animals from five continents! Open until 6:00 pm on Friday and 7:00 pm Saturday.

The American Journey Experience

We opened a 6 PM and 7:30 PM tour slot for your family on April 18th and 19th! The coupon code "AJEhomeschool" will give guest 15% off tour times and will work for tour slots besides April 18-19
