

# FAQs BOSIET vs T-BOSIET

## Infographic

### WHO WILL REQUIRE BOSIET OR T-BOSIET?

If you are a first-timer working offshore or your BOSIET / T-BOSIET certificate already expired, you will need to attend BOSIET / T-BOSIET course.

### WHAT IS THE DIFFERENCE BETWEEN BOSIET AND T-BOSIET

In general, BOSIET is for those working in international waters. T-BOSIET on the other hand specifically for those working in tropical regions such as Malaysia, Singapore, Brunei and others.

### HOW LONG ARE BOTH COURSES?

Both courses last 3 days and cover theory and practical exercises.

### WHAT IS THE VALIDITY OF THE COURSE?

The certificate validity for both BOSIET and T-BOSIET is 4 years.

### IF THE CERTIFICATE HAS EXPIRED, WHAT NEEDS TO BE DONE?

If your certificate has exceeded the validity date, you need to retake the BOSIET or T-BOSIET course, which lasts for 3 days.

However, if your certificate has not yet reached the expiry date, you only need to undergo a 1-day refresher course (FOET or T-FOET).

### IS IT POSSIBLE TO RENEW BOSIET / T-BOSIET EARLY?

Yes, you can renew your certificate before the certificate's validity date.

### WHAT ABOUT THE CERTIFICATE?

You will receive a certificate upon completing the training and passing the conducted assessment\*.

### WHAT WILL BE LEARNED IN THIS COURSE?

there are 4 modules in the BOSIET / T-BOSIET course:

1. Safety Induction
2. Helicopter Safety & Escape
3. Sea Survival
4. Firefighting and Self Rescue

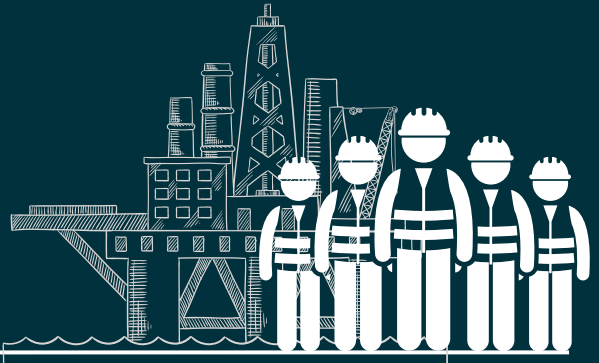

### WHERE CAN I TAKE BOSIET OR T-BOSIET?

You can take the course at:

- MSTS Pasir Gudang, Johor
- MSTS Cherating, Pahang
- MSTS Miri, Sarawak
- MSTS S'pore, Singapore

# Soalan Lazim BOSIET VS T-BOSIET

## Infografik
