...but also **educating** viewers interested in **animal care** and **veterinary practices**.

# Series Synopsis

Vet Maja is embarking on a new chapter as her retiring boss prepares to hand over his small practice to a hospital group. When she meets the ambitious Julia, sent by the company as her potential new colleague, their differing perspectives initially lead to conflict. However, animal emergencies, mysterious illnesses, and personal challenges soon force them to work together.

As they solve puzzles about sick animals, perform emergency operations, and fight to save their patients, Maja and Julia grow into a strong team. Along the way, they discover a deeper appreciation for the work they love - and find new ways to navigate the challenges of their personal lives.

# Dr. Maja Freydank

## Vet.

*Warm-hearted, caring and engaged Vet leading with passion.*

Dr. Maja Freydank is an experienced vet in Naumburg. She is known for her dedication and passion for veterinary medicine.

Maja is a warm-hearted and empathetic person who cares not only for her animal patients but also for their owners. She has a strong bond with her family and tries to balance her professional and private life.

# Dr. Julia Kramer

## Vet and new colleague.

*Committed, determined with modern approaches.*

Dr. Julia Kramer is the new colleague in Maja's practice. She is also a vet and brings a breath of fresh air to the practice.

Julia is committed, determined and has a modern approach to veterinary medicine. She stands by Maja's side and together they master the challenges of everyday practice life.

## 2 Episodes

# Episode 1

On her way to the clinic, vet Maja hits a dog with her car, making her late for a meeting with Julia, a new colleague sent by the clinic group. With Maja's boss retiring and planning to sell the practice, the two vets must find a way to work together.

As they treat the injured dog, they uncover signs of deliberate harm and race to solve the mystery to save its life. In the process, Maja and Julia form a strong team. But will Julia choose Maja's small practice over the corporate group?

# Episode 2

On the farm of dairy farmer Dirk Rothe, Julia successfully delivers a calf, narrowly avoiding a caesarean. When another cow dies shortly after, Maja and Julia suspect a rare cattle disease and work with Dirk and his daughter Lisa to stop it from spreading.

With Dirk struggling to run the farm alone after his wife's departure and Lisa's plans to study medicine, his secret negotiations to sell the farm hang by a thread as more animals fall ill.

Can Maja and Julia save both the livestock and the farm's future?
