

HOME CREATIONS CONSERVATORIES, ORAGRIES AND GARDEN ROOMS

Abbey & Burton Glass

Est. 1972

For over 50 years, we've helped homeowners transform their living space with beautifully crafted conservatories, home extensions and garden rooms. Combining modern design with trusted craftsmanship, our spaces add light, comfort and year-round enjoyment to your home. From stylish contemporary extensions to relaxing garden retreats, every project reflects our commitment to quality and a reputation you can trust.

ORANGERIES

A bespoke orangery creates a stylish, multi-purpose space. Perfect as a lounge, dining area, home office or garden room. Designed for year-round use, our orangeries in Derby and Burton quickly become the heart of the home where everyone loves to gather.

WHERE ARCHITECTURE MEETS EVERYDAY LIVING

Our modern orangeries in Derby and Burton feature slim sightlines, large glazed atriums and elegant roof lanterns that fill your space with natural light while maintaining excellent thermal performance. Available in PVCu, aluminium or hardwood, with a wide choice of colours and finishes to perfectly complement your home.

Your **New Space** Ready Sooner Than You Think ...

Extending your home can be simple, fast and completely stress-free. With one dedicated team managing the entire process, you won't need to juggle architects, builders or multiple trades and your project stays on time and on budget.

EXTENSIONS

Using advanced offsite manufacturing, your extension is built with precision while minimising mess, disruption and delays. With no weather setbacks and a significantly faster build time than traditional construction, you can enjoy your new space sooner.

BUILDING YOUR EXTENSION

FIVE TIMES FASTER TO BUILD

Our lightweight extensions can often use your existing base, keeping costs low and build times short. Built off site and installed in days with minimal disruption.

ULTIMATE DESIGN FLEXIBILITY

Rebuild your space with total design freedom. Move windows and doors, add walls for privacy, and create a room that works exactly how you want.

HIGH QUALITY FINISH

A high quality finish every time, with precision manufacturing and advanced panel technology for strength and performance.

CONSERVATORIES

Our full turn-key service covers every detail of your conservatory project from electrics and flooring to heating, steps and patios. Managed entirely in-house, we ensure consistent quality and a smooth process from start to finish.

CREATE YOUR SPACE

LEAN TO CONSERVATORY

Lean to conservatory roofs are a simple glazed solution, ideal for sun rooms, bungalows, porches or areas with limited space. With a flexible roof pitch, they suit both traditional and modern homes while maximising natural light.

GABLE END CONSERVATORY

Gable end conservatories feature a traditional apex roof with a fully glazed front, creating a bright sunburst effect and a striking, grand appearance inside and out.

COMBINATION CONSERVATORY

Combination conservatories blend two roof styles to create a bespoke space that maximises your layout and complements your home. Options like P shaped or T shaped designs offer flexible layouts, ideal for larger or more unique spaces.

VICTORIAN CONSERVATORY

Victorian conservatories are a popular, elegant style with a classic multi faceted design, ideal for adding traditional character to any home. Versatile and attractive, they can be tailored to suit both large gardens and smaller spaces.

DAY TIME

Garden rooms are an increasingly popular way to create extra space at home, whether you need a peaceful retreat, home office, studio, gym, playroom or independent living space for family or guests.

Built using high quality structurally insulated panels, our garden rooms are strong, energy efficient and designed to full residential standards for comfortable year round use.

NIGHT TIME

Whatever your vision, we can design a bespoke garden room tailored to your home and lifestyle.
