A Little Bit About Us

Florida Hat Company is a family business, which started over 40 years ago. The owner, John Siroky, is a second-generation hatter, who has been designing and selling hats for most of his life.

Located in sunny Tampa, Florida, we service an expansive range of resorts, boutiques, gift shops, amusement parks, zoos, aquariums. etc.

At FHC, we are a close-knit team! We work together to ensure your order ships out quickly. We hold high standards in the packing, shipping, and overall quality of your hats. Our employees are trained to skillfully maximize each box for shipping, without compromising the condition of your hats.

We offer a wide range of prices and open stock (no minimums!), allowing you to buy exactly what fits your needs.
