

WESTERN RIDGE

Because one day simply isn't enough for the most important day of your life...

2026/2027 Wedding Brochure

FROM OUR FAMILY TO YOURS

Less than an hour's drive from Brisbane and nestled atop a sweeping valley within our 300 acre estate, Western Ridge offers a unique experience beyond what photos can capture; an unforgettable, multi-day Wedding celebration, with jaw-dropping, unobstructed panoramic sunrise and sunset views that will have you and your guests saying, WOW, all weekend long.

We fell in love with the view long before we dreamt of sharing it, and every time the sky ignites, we're reminded why we open our gates to let couples celebrate the most important day of their lives set to this perfect backdrop.

When you book Western Ridge you're not just buying a wedding package —you're borrowing our favourite place on earth to use as your blank canvas. Think of it as a long-weekend getaway with everyone you adore: festival style glamping, lawn games at golden hour, barefoot dances under festoon lights, slow breakfasts that turn into story-swapping brunches and fireside chats that are cherished for years to come.

We provide all the essentials, allowing you to maximise your budget while crafting the perfect weekend with your own catering, styling and timing that makes the day truly unique to your love story. This all culminates in time and space to reconnect - really what a wedding should be about!

All we ask is that you treat the land as kindly as it will treat you. Laugh loudly, love deeply, and leave only the echo of a brilliant weekend behind - Western Ridge is the ultimate start to the rest of your lives together.

We can't wait to hand you the keys to our mountain and watch it become part of your love story.

With warmest wishes,

- Deanne Ramsey

We can't say enough good things about this venue—it was truly amazing. From the moment we arrived, the breathtaking views completely captured us. The natural beauty, combined with the peaceful, laid-back vibe, made it exactly what we were looking for in a wedding setting.*

Deanne was incredible—so thoughtful and supportive throughout the entire process. She checked in with us regularly and always offered a helping hand whenever we needed it. You can really tell she cares about making each wedding special - Brodie & Richard

What an absolute perfect wedding destination!! We had our wedding at Western Ridges on the 14/06/2025. It was the best decision we made. The views are priceless, the homestead is magical and perfect and the whole venue itself is stunning.

Deanne is a pleasure to deal with and nothing was too much to ask for. She has thought of everything which just made our whole experience even more enjoyable. Thankyou to Western Ridge for making our day absolutely perfect! - Grace & Zack

We had the most incredible experience at this venue, and it truly wouldn't have been the same without Deanne. From the very beginning, her communication was open, warm, and incredibly helpful. She went above and beyond to ensure every detail was just right, and it showed in how perfectly the day came together. The venue itself is absolutely stunning, beautifully maintained, easily accessible, and the perfect backdrop for our special day.

Everything was ready to go, and we didn't have to worry about a thing. It was a dream come true. Deanne is genuinely one of the most amazing people to work with, so organised, thoughtful, and passionate about what she does - Dennisey & Montell
