ABOUT US

Established in the year 2023, VARNI PETROCHEM LLP is a rising name in the Indian lubricant oil industry. With a commitment to quality, innovation, and customer satisfaction, we are dedicated to delivering high-performance lubricant solutions that keep machines running smoothly and efficiently across diverse industries.

Based in India, VARNI PETROCHEM LLP was founded with the vision of becoming a trusted and reliable name in the petrochemical sector, specifically in the field of lubricant oils. We offer a wide range of premium-grade lubricants designed to meet the demands of modern machinery, vehicles, and industrial equipment. Our portfolio includes engine oils, hydraulic oils, gear oils, transmission fluids, greases, and specialty lubricants — all crafted to the highest standards of performance and reliability.
