

BOWIESTAR VILLY KLEPPE

PREFACE BY VILLY KLEPPE

Bowiestar is more than an album; it's my personal ode to a true icon. David Bowie's music has been a guiding light, inspiring countless artists, including myself.

Through these songs, I celebrate his artistry, his daring creativity, and the profound impact he's had on the world of music. Each track carries a piece of my admiration, reflecting the essence of his legacy. I hope this tribute resonates with you as deeply as Bowie's genius has with me.

Thank you for joining me in honouring the star who forever changed the sound of our lives

PT. 1

Heard the news today
Can't believe it's true
You are now a star Blackstar

My tears will never stop
Don't know what to say
You are now a star Blackstar

Chorus
I see the light shining so bright
I don't know what to say
There's a star in the dark Blackstar

Walking in the rain
Mr. Bowie has passed away
You are now a star Blackstar

Chorus

Heard the news today
Can't believe it's true
You are now a star Blackstar

2.ANGEL IN THE SKY (GUITAR)

I see the light
Shine so bright
In my life so much pain

Hard to know
Which way to go
I see an Angel in the sky

Chorus
Hallelujah hallelujah
You are my Angel in the sky
In the sky

Feel the wind
In my face
Hard to live without you

See the light
Shine so bright
I see an Angel in the sky

Chorus
I see an Angel in the sky
Chorus

I can see from my window
Fat old sun falling down
In my life so much sadness
So afraid to be alone

Chorus
I will go where the wind blows
I will go now

In my head there's a picture
Of a man who will die
Could be me maybe you
Blow his worries to the sky

Chorus

In my life so much sadness
So afraid to be alone

Chorus

I can see
Many stars

Chorus

In the sky
I see hope
Do I see cloud nine

Chorus

Feel so cold
Feel so sad
Will it never stop

Chorus

I'm walking in the darkness
Lookin at the stars
I wonder where are you now
Do you think of me

I saw an Angel

Many times when I'm feeling sad
Think of you what we really had
You are gone don't know what to do
Where are you will I meet you when I'm dead

Many times sit and think of you
Look at pictures that I took of you
Maybe I must start to live my life
How can I go on when I'm all alone

Chorus

I saw an Angel shining in the dark
Will you stay will you go away
I saw an Angel is it really you
Wanna say to you I miss you

LIVING IN A HOUSE

There's a light
In the sky
Wonder what it is

Is it Venus
Is it not
Maby it's a dream

Close my eyes
Start to think
Feel so strange

I can see
Ziggy Stardust
Looking at me

Chorus
We are living in a house
There's so much we can do
We are living in a house
Living in a house

Open my eyes
See the sun
I'm feeling good

I can see
A beautiful bluebird
Is it Bowie I see

See the light
Shine so bright
In my life so much pain

Hard to know
Which way to go

Many people cry
Cry for me
When I'm dead

When I walk alone
I can see some people
They all look so sad
Don't they know how to live
