XII. Meeting Open to the Public (continued)

Ms. Dria Lobosco, parent of a PCTI Senior and President of the PCTI PTSO, distributed a “PCTI PTSO Accomplishments” presentation to the Board and Administration. Ms. Lobosco outlined the many accomplishments of the PCTI PTSO over the past four years including the largest paid membership in documented history, the most eligible seniors ever with 106 seniors up from only 16 four years ago, and a partnership with Chick-Fil-A which included over \$7,500 in gift card donations to teachers and the Class of 2024. They will be distributing just over \$54,000 this year in scholarships including Honor the Trades. Ms. Lobosco also provided overviews of the group’s fundraising, membership, and community events. Ms. Lobosco detailed the 2024/2025 PCTI PTSO Executive Board. Ms. Lobosco expressed her heartfelt thanks to the Board, the Administration, Mr. Garcia, and other PCTI staff members for their continued support of not only the PTSO but also of the families and, most importantly, the students both individually and as a whole. Mr. Coscia and Mr. Maiello thanked Ms. Lobosco for her commitment and dedication to the students, staff, and district.

- V. **Superintendent's Report** – Mr. Maiello presented the Superintendent's written report showing a comparative analysis of the day school enrollment for September 2023 and the enrollment for May 2024, Adult Education highlights, drill reports, suspension reports, Harassment, Intimidation & Bullying logs for each PCTI and Diana C. Lobosco STEM Academy, various club reports, and the following Administrator reports. The Superintendent's report is attached to the agenda for reference.

Athletics' Report – Mr. Nese submitted his written report for the month of May 2024 and is included in the Superintendent's Report attached to the agenda. Included in Mr. Nese's report are highlights pertaining to:

- **Athletes of the Month**
 - Sofia Myka Pangan – Girls' Golf; Sofia's talent shines on the Varsity Golf team. A student of the STEM Biomedical program she also participates in STEM HOSA. Sofia's remarkable achievements this season include:
 - Achieving her first hole in one
 - Achieving a career-low and school-record score of 35 for 9 holes against Wayne Valley
 - Securing a spot in the Girls Golf Tournament of Champions for the second year,
 - Ranking among the top 50 statewide
 - Tying for 9th place at both the Lady Bomber Tee-Off Classic and the Big North Conference tournament
 - Winning first place at the Passaic County Girls Golf tournament by a margin of 6 shots
 - Maintaining an impressive scoring average of 37.2 for qualifying rounds.In her free time, Sofia loves being around friends and family, especially her two dogs, Max and Sparkle. She is also part of a golf program as a coach at the First Tee at Hendricks Golf Course in Belleville, New Jersey. Sofia gave a special shoutout to those who have supported her, "Shout out Coach Lawshe for all the support and love that he put into this year and season. I'd also like to shout out to my teammates because they give me a lot of courage. I'd also like to thank my parents."
 - Sunghoo Jung – Boys' Tennis; Sunghoo is a star varsity tennis player and is also a member of the PCTVS ski team. A student of the STEM Academy Engineering program, Sunghoo founded and is team leader of the robotics team, where they compete every year, he is also a member of Skills USA. In his free time, he enjoys hanging out with friends, playing ping pong and enjoys working out and playing basketball. Next year, Sunghoo plans on attending Rutgers University for Computer Science and aspires to become quantitative finance trader. After a great season Sunghoo wants to shout his team, "I want to shout out to my tennis team and my friends there. They definitely helped me get better since we played a lot. It's like healthy competition."

Communications Report – Mrs. Woods

- **Students of the Month**
 - PCTI:
 - **Salutatorian - Anisah Akther Hussain**, Academy of Health Sciences An exemplary student that is dedicated to the pursuit of excellence in the healthcare field, Anisah's journey is marked by her passion for medicine and commitment to academic achievement. Anisah's choice of the Academy of Health Sciences stems from her lifelong interest in medicine, as she shares, "I chose my CTE as I've always been interested in medicine and wanted to expand my opportunities and experiences in the healthcare field." With a remarkable GPA of 4.619, Anisah's academics and dedication to her studies have truly distinguished her as a standout among her peers. Throughout her time at PCTI, Anisah has been actively involved in a variety of clubs and extracurricular activities, showcasing her well-rounded interests and dedication to service. She is a proud member of the National Honor Society, World Language Honor Society, Gifted and Talented

V. Superintendent's Report (continued)

Club, HOSA, and ERASE, where she has demonstrated her commitment to academic excellence and community engagement. Beyond her school activities, Anisah dedicates her time to meaningful service work, volunteering at a rehabilitation facility and a local Islamic school where she serves as a youth group leader. Through these experiences, she exemplifies the values of compassion in giving back to her community. Upon being named Salutatorian, Anisah expresses her gratitude, stating, "I'm honored to be named student of the month and to be recognized for all the hard work I've put in. I'm glad to be representing my class." Looking ahead, Anisah plans to pursue a Bachelor of Science in Nursing, with a specialization in labor and delivery, as she continues her journey in the healthcare field. Her goals and commitment to excellence are indications to her bright future ahead. For incoming freshmen, Anisah offers valuable advice on perseverance and goal-setting, "keep working towards your goal and remember that the four years go by fast and that each day is one day closer to the finish line." We commend Anisah for her outstanding achievements and wish her continued success in her future endeavors.

- Valedictorian - Hana Mohammad Ighneim, Academy of Health Sciences is an exemplary student who epitomizes excellence in every facet. With an impressive GPA of 4.681, Hana Ighneim's academic accomplishments stand as a testament to her dedication and exceptional abilities. However, it is her remarkable character that truly distinguishes her among her peers. Hana's journey at PCTI's Academy of Health Sciences reflects her passion for the medical field, a passion she has always harbored. Her decision to enroll in this program was driven by her aspiration to pursue a career in healthcare. "I always knew from a young age that I wanted to be in the medical field, and I knew that PCTI had the programs that I wanted." Beyond her academic skills, Hana is deeply involved in various clubs and organizations, demonstrating her well-rounded nature. She serves as the president of the National Honor Society, a member at large and a nationally recognized competitor for HOSA. Additionally, she is a member of the World Language Honor Society, Rho Kappa, Gifted and Talented program, Environmental Club, and holds the position of Class of 2024 class representative. In her spare time, Hana generously dedicates herself to tutoring calculus, cherishing moments with her siblings, and nurturing her newfound interest in baking and most enjoys making cinnamon rolls. Looking toward the future, Hana plans to pursue higher education at NJIT, where she has been accepted into their Out Performance Honors College for Biomedical Engineering on the Pre-med track. With aspirations to attend medical school and specialize in dermatology, she is poised to make significant contributions to the field of healthcare. Hana's advice for freshmen reflects her own journey of growth and achievement: "Never think that anything is beyond your capabilities. You're so much smarter and more capable than you can even imagine." Her remarkable achievements, coupled with her compassionate spirit and determination, make her a shining example of excellence at PCTI. As she embarks on the next chapter of her journey, we are confident that she will continue to inspire and lead with distinction

○ **DCL STEM Academy:**

- Salutatorian - Austin Jeffrey Shepley, Computer Science pathway a distinguished student who chose his CTE, "because it is on the cusp of what was being done in the world, so I was interested to learn more about the field." With an outstanding GPA of 4.59, Austin's dedication and enthusiasm for learning have truly set him apart from his peers. Austin's journey at STEM has been marked by his active involvement in various clubs and extracurricular activities, showcasing his well-rounded interests and abilities. A student-athlete he has been an integral part of the boys' soccer team, the Gifted and Talented Club, the World Language Honors Society, and the National Honors Society.

V. Superintendent's Report (continued)

Additionally, he contributed to the Engineering Club and participated in the VEX Robotics team, demonstrating his passion for innovation and problem-solving. Beyond his school activities, Austin has distinguished himself as an Eagle Scout after 12 years of dedication to the Boy Scouts, showcasing his commitment to leadership and service. He has also participated in STEM competitions such as the Steam Tank Competition and the IMC Prosperity Trading Competition, further highlighting his dedication to academic excellence and intellectual exploration. Being named Salutatorian Austin says, "It feels good, but I was not expecting it. I was just trying to focus on my classes, so this was a big bonus. I'm thankful to my for peers helping me when I'm studying, but my teachers are also a big reason for why I got here. I've had some really amazing teachers." Looking ahead, Austin plans to pursue a dual degree in Physics and Material Science Engineering at the University of Michigan. While in college Austin would like to focus on academic research and even hopes to do study abroad program where during his time abroad he can get further experience in his field of choice. For incoming freshmen, Austin offers valuable advice on the importance of planning ahead, "coming in as a freshman, high school can be pretty scary, and you can become overwhelmed. I think it's best to focus on understanding your whole path through high school, if you want to get the full experience and have the most fun it does help to plan ahead." We commend him for his outstanding achievements and wish him continued success in his future endeavors.

- Valedictorian - George Alexander Oshiro, Biomedical pathway as distinguished himself through exceptional academic achievements and a dedication to extracurricular pursuits. With an impressive GPA of 4.631, George has consistently displayed intellectual prowess and a commitment to excellence throughout his high school journey. As a dedicated student of the STEM Academy's Biomedical pathway, George has eagerly embraced opportunities to expand his knowledge and skills in the field of life sciences, "I chose my CTE because I just had a natural attraction to the sciences, and I was really interested in these different scientific concepts from biology to chemistry and how they interconnect. I'm also really interested in their applications into real-world problems such as eliminating pathogens and just improving human health." As Valedictorian, George reflects on his journey, "It's a surreal experience. I started school thinking I wanted to be in the top ten, to be named number one is an absolute achievement. It's obviously something I am very proud of, and I am grateful to have family, friends, and teachers that have helped me get this far." Beyond academics, George is actively engaged in various school organizations, including the National Honor Society, where he serves as an officer, as well as the World Language Honor Society and the gifted and talented program. He also participates in Biomedical-related activities, demonstrating his commitment to exploring his interests beyond the classroom. In his free time, George generously volunteers with St. Peter's Haven, contributing to food distribution efforts for families in need. His dedication to community service underscores his compassionate nature and desire to make a positive impact beyond the school walls. Next year, George will attend Vassar College where he plans to study either Biochemistry or Molecular Biology. While studying, he looks forward to the opportunity to finding internship opportunities as well as studying abroad. In his future, he looks to become either a pathologist or laboratory researcher, to aid in the fight of eliminating pathogens and improving human health. As George prepares to graduate, his advice for freshmen reflects his own transformative high school experience: "Just strive to push yourself because these four years, as crazy as they've been, they've really changed me. There will be times that it may be difficult but getting out of your comfort zone and putting in the time and effort, I think you can really have the chance to grow and better yourself here at PCTVS." We commend him for his outstanding achievements and wish him continued success as he pursues his academic and professional endeavors.

RE: Business Office Accomplishments

It is with pride and distinction that we have served the district Business Office since January 2023. In that short period of time our team has demonstrated proven leadership by providing training and support to the Business Office staff. Prior to our tenure, deficiencies in the district resulted in multiple audit recommendations and the development of a district improvement plan for failure to satisfy QSAC performance indicators, due to inefficiencies and lack of oversight. Our major accomplishments are listed below.

1. Resolved three outstanding grievances for employees who had failed to receive payroll they were entitled to.
2. Instituted procedures for timely filing of all payroll and pension reports, thus eliminating any penalties and interest that had been assessed previously. Prior penalties of \$58, 715 incurred and paid by the district reflect an abatement of \$11, 381.
3. Submitted unfinished Pension Retro Salary Report from 19-20 SY and 20-21 SY resulting in paying Division of Pensions and Benefits \$35,557.75 of employee's pension money that the district was holding and had not been remitted previously.
4. Discovered numerous prior year invoices where no purchase order had been issued and payment had to be taken from current year's funds. Instituted procedures to eliminate this practice.
5. Completed bank reconciliations, Treasurer of School Monies and Board Secretary reports from July 2022 through the current month and ensured these reports were submitted to the Board of Education within 60 days of months' end for approval pursuant to N.J.S.A. 18A:17-9
6. Implemented sick days for part-time workers to be in compliance with NJ State Law.
7. Settled a 4-year contract with the Teacher's Association of Prospect Park.
8. Implemented an attendance day structure for all staff to stop employees from having the ability to take more entitlement days off than they are entitled to, thereby eliminating overpayment to any staff member.
9. Implemented an Accounts Payable system to ensure fluidity between staff in the Business Office. Instituted procedures to ensure the district is using the proper purchasing procurement methods and following all purchasing laws.
10. Passed Fiscal and facilities on the QSAC for the 21-22 SY and 22-23 SY.

Business Administrator

11. Balanced the budget in 23-24 SY after receiving significantly reduced state aid and no tax levy increase.
12. After receiving the 19 audit recommendations from the 21-22 SY, reduced the recommendations to eight for the 22-23 SY in the first six months, and are on track to only receive three for the 23-24 SY.
13. Removed the 3-year hold on employees being able to enroll their partners/children to their health insurance allowing them to enroll at any level of coverage at the time of employment.
14. Prepared and implemented a Standard Operating Procedures (SOP) Manual for Business functions, pursuant to N.J.A.C. 6A:23A-6.6.

We are proud of the professional services we provided to the district. It is our hope that they continue with the policies and procedures we implemented to ensure the district prospers.

Thank you.

**Amended and Restated Agreement
Between
Passaic County Vocational-Technical Schools
and
Cold Spring Harbor Laboratory**

This Amended and Restated Agreement ("Agreement") is entered into as of April 1, 2024 ("Amendment Date") between Passaic County Vocational Technical Schools ("PCVTS") and Cold Spring Harbor Laboratory, ("CSHL") and its operating unit, the DNA Learning Center ("DNALC"), and jointly referred to as the "Parties". Wherein, the PCVTS facility for this program will be referred to as: Passaic County Biotech Innovation Center ("PCBIC").

PCVTS and CSHL entered into an Agreement dated May 1, 2023 ("Original Agreement") pursuant to which the Parties set forth the terms for establishing a co-branded DNA Learning Center to be known as "CSHL DNA Learning Center at PCBIC" ("DNALC-PCBIC") on PCVTS's campus in Wayne, New Jersey.

PCVTS and CSHL now desire to amend and restate the Original Agreement to modify and update certain terms thereof.

For the avoidance of doubt, the Original Agreement is hereby terminated and superseded by this Agreement as of the Amendment Date.

Services Provided by CSHL's DNALC

1. CSHL's DNALC will at its own expense support program development for DNALC-PCBIC as follows:
 - a. Strategic planning, reviewing design and construction documents, and specifying equipment.
 - b. Working with PCVTS and Passaic County Community College to develop grant proposals to support the operation of the DNALC-PCBIC and outreach to local schools.
 - c. Building constituencies and outreaching to schools in Passaic County and surrounding areas of New Jersey and New York.
 - d. Recruiting and training administrative and instructional staff, who are required to have passed appropriate employee screening and background checks.
2. The DNALC will at its own expense be responsible for administering all aspects of the day-to-day operation of the DNALC-PCBIC as follows:

- a. Liaising with PCVTS, parents and school systems, advertising and email campaigns, booking and invoicing field trips and camps, processing applications and reservations, tracking payments, and greeting students and teachers.
- b. Delivering instruction for DNALC-PCBIC academic-year lab field trips, in-school activities, and summer camps based upon the following DNALC curricula: Barcoding Biodiversity, Biocoding, DNA Science, Forensic Detectives, Fun with DNA, Genome Science, Green Genes, Silencing Genomes, and World of Enzymes.
- c. Providing educator training, safety training to students and educators, workshops and classroom support.
- d. Purchasing all lab reagents and supplies (not equipment) needed for academic year and summer programs.
- e. Adhering to all local, state, federal, and PCVTS-specific waste disposal practices and procedures.
- f. Adhering to all local, state, federal, and PCVTS-specific safety practices and procedures.
- g. Providing periodic reports on the numbers of teachers and students using the DNALC-PCBIC, based on a template agreed upon by both Parties.

PCVTS's Responsibilities For DNALC-PCBIC

1. PCVTS agrees to provide, free of any lease, rental or other cost to CSHL, a facility of approximately 5,473 square feet in its new Biotech Innovation Center as the site of the DNALC-PCBIC. This facility will include two teaching laboratories, one research/supply chain laboratory, one prep laboratory, a bioinformatics classroom, and a staff office.
2. PCVTS will at its own expense construct and equip the DNALC-PCBIC according to specifications provided by CSHL. PCBIC will maintain and replace laboratory and office equipment and furniture as needed over the term of the collaboration. CSHL has provided PCVTS with an equipment list, attached as Exhibit A.
3. PCVTS will, at its own expense, provide phone and IT technology services needed to support the DNALC at PCBIC.
4. PCVTS will, at its own expense, provide utilities, repairs, custodial services and any necessary personal protective equipment for the DNALC-PCBIC.

Trademark

During the Term of this Agreement, CSHL shall grant to PCVTS the non-exclusive, noncommercial right to use the name "DNA LEARNING CENTER," a registered trademark owned by CSHL ("the Trademark"). The non-exclusive license granted by CSHL to PCVTS under this Agreement is limited to use of the Trademark in connection with the DNALC-PCBIC, which will be operated by CSHL and which is the subject of the Services provided by CSHL hereunder. Rights to the Trademark may not be transferred or sublicensed by PCVTS to any other party at any time without the prior written consent of CSHL. The licensing of the Trademark under this Agreement is conditioned on PCVTS's reasonable efforts, consistent with its current educational plans, to adhere to DNALC quality standards in educational methods and materials, as communicated to PCVTS by CSHL. PCVTS agrees that it will not alter, modify, dilute or otherwise misuse the Trademark or bring it into disrepute.

Hours of Operation

For school year programs, the DNALC-PCBIC hours of operation shall be between 8:00am and 6:00 pm on days when PCVTS is open for business. For summer camps, the DNALC-PCBIC hours of operation shall be between 8:00am and 6:00pm on days when PCVTS is open for business. Occasional evening and Saturday activities will be scheduled mutually with PCVTS to provide PCVTS with sufficient notice of such activities.

Tuitions

CSHL shall retain all income from tuitions charged for DNALC-PCBIC lab field trips, in-school activities, summer camps, and other programs to help offset the administrative and instructional costs of the DNALC-PCBIC.

Compensation

In consideration of the license to use DNALC intellectual property at DNALC-PCBIC and the services provided by the DNALC, PCVTS shall pay CSHL an annual fee of two hundred ten thousand dollars (\$210,000) per year ("Annual Fee") in advance to support the DNALC-PCBIC during the term of this Agreement and any extensions agreed to by the Parties. With the exception of the first Annual Fee, which was invoiced and paid to CSHL pursuant to the Original Agreement, additional Annual Fees will be invoiced on July 1 of each year during the Term of this Agreement, beginning July 1, 2025. Invoices for each Annual Fee will be due and payable within 30 days following of the date of invoice.

Term

1. This Agreement shall commence on July 1, 2024 ("Effective Date"), and, unless terminated earlier as set forth below, will extend for an initial term of five (5) years ("Initial Term"), with automatic one-year renewals thereafter (each a "Renewal Term" and collectively with the Initial Term, the "Term") unless either Party notifies the other

Party in writing of its intention not to renew the Agreement at least 9 months prior to the end of the Initial Term or any Renewal Term. Each successive one-year period during the Term of this Agreement shall be referred to, for purposes of this Agreement, as a Contract Year.

2. PCVTS shall have the right to terminate this Agreement, in its sole discretion, with or without cause, upon one year's prior written notice to CSHL; provided that such written notice may not be given until at least 24 months after the Effective Date. Upon receipt of any such notice to terminate the Agreement, CSHL shall cease all work not necessary for the orderly wind-down of the DNALC-PCBIC. If such termination becomes effective prior to the end of a Contract Year, PCVTS shall be entitled to a pro-rata refund of the Annual Fee paid for such Contract Year.
3. Either Party may terminate this Agreement upon or after the breach of any material provision of this Agreement by the other Party if the other Party has not cured such breach within sixty (60) days after written notice thereof by the non-breaching Party. If such termination becomes effective prior to the end of a Contract Year, PCVTS shall be entitled to a pro-rata refund of the Annual Fee paid for such Contract Year.
4. Expiration or termination of this Agreement shall not relieve either Party of any obligation accruing prior to such expiration or termination. In the event of termination by either Party, CSHL shall be entitled to retain a portion of the Annual Fee for DNALC's services completed prior to the effective date of termination, for contractual commitments made prior to the notice of termination to the extent that liability for such commitments cannot be mitigated, and for such reasonable costs and expenses as are necessary to wind-down the DNALC-PCBIC.

Reporting

Each Party shall designate appropriate liaisons who will be responsible for implementing the terms of this Agreement and to serve as the primary points of contact for fostering the development of collaborative activities and projects.

Limitation of Liability

In no event shall either Party be liable to the other for any consequential, indirect, incidental or special damages arising from or related to this Agreement or the DNALC-PCBIC.

Independent Contractor

In executing this Agreement, the Parties intend to create an independent contractor relationship. Nothing herein shall be construed as creating a partnership, joint venture, agency or any other relationship.

Amendment

This Agreement may not be modified or amended without the mutual written consent of the Parties.

Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey and the intellectual property laws of the United States, without reference to any rules of conflict of laws.

By signing below, you are agreeing to the terms and conditions of this Agreement.

COUNTY COLLEGE OF MORRIS
Titans Express Dual Enrollment Program for
Out of County School Districts
MEMORANDUM OF UNDERSTANDING

This Agreement is made and entered into effect on February 13, 2024 ***Passaic County Vocational School District*** and **COUNTY COLLEGE OF MORRIS (CCM)**.

Whereas, ***Passaic County Vocational School District*** and **CCM** are chartered to provide comprehensive educational services primarily to the residents of Morris County; and

Whereas, ***Passaic County Vocational School District*** and **CCM** wish to enter into an educational alliance that offers enhanced educational opportunities for county residents at both the secondary and post-secondary levels, whereby the high school seeks to provide courses for college credit to their students;

Whereas, some of the courses as part of this Memorandum of Understanding will lead to a Certificate of Achievement in a specific program of study at the postsecondary level;

Now, therefore, ***Passaic County Vocational School District*** and **CCM** wish to confirm, in writing, the terms of mutual and individual responsibilities of this Joint Agreement as follows:

I. PURPOSE

This Agreement represents a statement of the ongoing relationship between ***Passaic County Vocational School District*** and **COUNTY COLLEGE OF MORRIS**.

II. PARAMETERS OF AGREEMENT

The core parameters of this Agreement include:

- a) **CCM** and ***Passaic County Vocational School District*** agree to collaborate on the delivery of educational services for the students of ***Passaic County Vocational School District***. This collaboration shall include the offering of mutually agreed upon college courses either under the heading of *Titans Express Dual Enrollment* or the *Challenger Program*.
- b) This Agreement encourages students to complete the following educational pathways:
 - i. The completion of a Certificate of Achievement in a related program or,
 - ii. Possible continuation toward an Associate Degree at **CCM** or,
 - iii. Possible continuation toward a four-year baccalaureate degree as appropriate.
- c) Making available to students at both institutions, the facilities and equipment needed for optimal course or extracurricular activity, with the exception of intercollegiate sports. Services include, but are not limited to, use of the **CCM** library, online tutoring services, and student support services, such as counseling, academic advisement, and transfer services. Services for students with disabilities will continue to be provided by ***Passaic County Vocational School District***.

III. TITANS EXPRESS DUAL ENROLLMENT

- a) The primary location of the Titans Express Dual Enrollment program will be at **Passaic County Vocational School District**. The dual enrollment courses taught at these locations are identical in content to **CCM** courses (inclusive of textbooks and grading criteria as determined by CCM academic department) must be equivalent in rigor to courses taught by **CCM** faculty and will meet all **CCM** course objectives and learning outcomes. **CCM** academic departments will be responsible for college course content and curriculum using pertinent syllabi and course outlines.
- b) **Passaic County Vocational School District** shall recommend certified **Passaic County Vocational School District** faculty members to participate in the Titans Express Dual Enrollment Program. Such faculty must hold a minimum of a Masters' Degree in the discipline area being taught or completed 18 hours of graduate level courses in the discipline. For courses in Career and Technical disciplines (A.A.S. degrees) the degree requirement may be waived in consideration of industry credentials and experience and will be approved by both **CCM** and **Passaic County Vocational School District** to teach the **CCM** courses. Should **Passaic County Vocational School District** have a change in faculty, **Passaic County Vocational School District** will seek **CCM** approval for a replacement faculty. Being this agreement is out-of-county **CCM** faculty will not be available to teach the course(s).
 - i. If the **CCM** course is being taught by a **Passaic County Vocational School District** faculty member, a **CCM** faculty member will be selected as a mentor to the **Passaic County Vocational School District** faculty member. This individual will be assigned to periodically observe the **Passaic County Vocational School District** class and provide support to the **Passaic County Vocational School District** faculty member.
 - ii. While faculty from **Passaic County Vocational School District** who teach in the program must be approved by the appropriate **CCM** academic department, they are not considered employees of **CCM** and will receive no remuneration from **CCM**. However, **CCM** requires all Titans Express Dual Enrollment instructors to meet the qualifications of adjuncts of academic departments by having a completed personnel file to include an application, resume, transcripts and documentation of any certificates/certifications earned.
 - iii. Final selection of courses and faculty will be made by appropriate **CCM** personnel.
 - iv. In the case where **CCM** faculty are instructing at the high schools, course schedules will follow the **CCM** semester schedule. **CCM** faculty will be instructing based on the **CCM** academic calendar, not the high school's academic calendar.
- c) The following courses and teachers have been reviewed and approved for the first round of the Titans Express Dual Enrollment Program with **Passaic County Vocational School District** subject to compliance with academic department requirements regarding textbooks and examinations.** Future courses will be appended to this Memorandum of Understanding.

*This collaboration grants PCTI students an opportunity to receive dual enrollment credits transcribed by CCM under the equivalencies above. Students who completed Dance I, II, and III at PCTI are eligible for these dual enrollment courses. Eligible students may register for 10 credits of CCM Courses (i.e., DAN-137, DAN-138, DAN-141, DAN-142, DAN-135, and DAN-136) while concurrently enrolled in Dance IV at PCTI. Upon successful completion of Dance IV at PCTI, students will be awarded the corresponding CCM credits.

** This collaboration allows PCTI students to attend a master class, and attend and/or perform with CCM students in a dance production.

- d) Initially, eligible students and their parent(s) and/or guardian(s) shall be informed about the opportunities for student participation in the Titans Express Dual Enrollment Program by **Passaic County Vocational School District**. CCM agrees to provide all reasonable support to **Passaic County Vocational School District**, including providing materials to **Passaic County Vocational School District** for distribution via printed brochures, emails, website links, or other methods of digital communication.
- e) The student and his/her parent/guardian must exercise the option to participate in Titans Express Dual Enrollment Program by completing **CCM's** Application Form and delivering it to **CCM** via **Passaic County Vocational School District**.
- f) Students who meet all of the following criteria are qualified to initially participate in the Titans Express Dual Enrollment Program:
 - i. The student is a high school student within the **Passaic County Vocational School District**.
 - ii. The administration of **Passaic County Vocational School District** shall determine eligibility of students for enrollment and participation in the Titans Express Dual Enrollment Program for each new registration period. Students who are interested in being considered for the Titan's Express Dual Enrollment program must have the written endorsement of the administration from **Passaic County Vocational School District** and must meet the standard **CCM** admissions requirements.

- iii. The student is making satisfactory progress toward fulfilling applicable secondary school graduation requirements and has the appropriate academic background.
 - iv. To remain eligible to continue participating in the CCM Titan's Express Dual Enrollment program (after course completion), the student must maintain a minimum of a C in the class.
 - v. Students may drop or withdraw from a course in adherence to CCM drop and withdrawal dates (10% of term and 75% of term, respectively), in the case of withdrawal, a "W" indicating a withdrawal from the class will be on the student transcript. After the withdrawal date, regardless of grade earned, students will not be able to drop/withdraw the CCM course.
- g) Necessary course materials, including textbooks and other supplies will be available for purchase through the **CCM** Campus Store and will be the responsibility of the student to obtain.
 - h) The tuition cost for the Out-of-County Titan's Express Dual Enrollment program is determined by location. Tuition payment is the responsibility of the high school. CCM will invoice **Passaic County Vocational School District** at the rate provided below:
 50% of the current **CCM** out-of-county tuition rate and fees, per credit hour is applied.
\$164 per credit + \$144 fee = \$308 * 50% reduction = \$154 per credit hour

IV. OTHER CONSIDERATIONS

- a) **Passaic County Vocational School District** students wishing to take other classes on the campus of **COUNTY COLLEGE OF MORRIS** may do so as stipulated under **CCM's** Challenger Program. The cost of the course will be at the appropriate **CCM** tuition rate, inclusive of all course and college fees, and is the responsibility of the student/parent/guardian.
- b) **COUNTY COLLEGE OF MORRIS** shall be responsible for recording grades on a **CCM** transcript. Credit hours earned by the student – whether a part of the Titan Express Dual Enrollment Program or taken as part of **CCM's** Challenger Program - to be transcribed and applicable to the appropriate certificate or associate degree program at **CCM** should the student matriculate upon completion of high school.

V. TERM OF CONTRACT

The term of this Agreement shall be from August 2024 to June 2025. In the event this Agreement is not renewed by one or both parties, it is expressly understood that the program will continue in operation for such period to allow students enrolled in the program to complete their studies.

It is understood and agreed that the parties may revise or modify this Memorandum of Understanding with written Addendum or other amendments to which both parties are in agreement.

**DUAL ENROLLMENT ARTICULATION AGREEMENT BETWEEN
PCTVS/DCL STEM ACADEMY AND PASSAIC COUNTY COMMUNITY COLLEGE**

Whereas the parties to this agreement believe that planning and working together can strengthen their course offerings, provide new opportunities to students, increase the number of students they serve, encourage more students to earn a college degree, now therefore be it **AGREED** between:

Passaic County Community College

And

PCTVS/DCL STEM Academy

This articulation has been agreed upon for the following Passaic County Community College (PCCC) course(s) listed in the addendum and being taught at PCTVS/DCL STEM Academy.

The course(s) will be offered to students in good standing in accordance with NJ Department of Education and the PCTVS/DCL STEM Academy Board of Education guidelines and approvals, and carry the traditional number of college credits that students receive for taking the same course at the college.

Student Eligibility and Participation

Students who meet all the following criteria are qualified to participate in the Dual Enrollment Program:

- The student has parental consent to participate in the PCCC Dual Enrollment Program.
- The student is high school junior or senior, or by recommendation from the appropriate school counselor.
- The student is making satisfactory progress toward fulfilling applicable secondary school graduation requirements, as determined by the school district.
- The student has the appropriate academic background for the particular Concurrent/Dual Enrollment course. This includes one or more of the following:
 - The student has a grade point average of "C" or better
 - The student has taken Advanced Placement classes
 - The student has scored a 450 or better on the Evidenced-Based Reading and Writing portion and/or a 500 on the Mathematics portion of the SAT
 - The student has scored a 22 on the ACT Reading portion or an 18 on the ACT English portion
 - The student has scored a 22 on the ACT Mathematics portion
 - The student has the documented recommendation of a high school teacher and/or school counselor.
- If needed, the Accuplacer Placement Test could be administered to determine college course level readiness. For Mathematics and English courses, students must meet qualifying pre-requisites as determined by PCCC Department Chairperson(s).
- Any 12th grade student who has a high school grade point average in college preparatory coursework of 3.0 or higher will be placed at college level with the presentation of an official high school transcript. Any 11th grade student requiring college level placement may qualify using one of the standardized test score methods described above, including SAT, ACT, or Accuplacer.
- Grades will be reflected on the PCCC transcript at the end of year or once the individual student has completed the high school course in accordance with PCCC grading policies.

Instructor Qualifications and Approval

The course will be taught by high school faculty with appropriate and approved credentials by PCTVS/DCL STEM Academy in accordance with NJDOE certification and licensure, and PCCC in accordance with the college guidelines (Appendix B). In that regard, the qualifications of prospective dual enrollment instructors will be approved by the appropriate PCCC Department Chairperson or Dean, thus ensuring the PCCC Departments minimum requirements for teaching the college level course.

- If the pre-approved teacher is no longer conducting the dual enrolled class, the high school must submit to the PCCC Department Chairperson or Dean, the replacement's transcripts, and curriculum vitae for approval. College credit will be granted only upon approval of the replacement teacher's credentials.
- Instructors and the PCTVS/DCL STEM Academy must adopt the grading scale and policy of the college found in the college catalog <https://catalog.pccc.edu> . This does not preclude the High School from its separate Board approved grading scale, but rather incorporates the college grading scale for students wishing to receive college credit for the course(s) listed in the addendum.
- Instructors will receive an honorarium per course for administrative duties.

The PCCC Dual Enrollment staff and/or appropriate Department Chairperson will conduct semi-annual observations and/or meetings on a as needed basis to discuss the course progress, assessment of student learning, concerns, and review assignments. This includes reviewing any assessments, mid-terms, finals and/or Advanced Placement Examinations (If applicable) for dual enrollment purposes before they are administered unless created/given by the college. Advanced Placement courses will administer examinations set forth by the national college AP approved curriculum.

Curriculum/ Course Syllabus

The high school agrees to incorporate the college course content, outcomes, assignments, assessments including final exam as outlined by the specific PCCC course syllabi. The dual enrollment course taught on the high school campus is equivalent in rigor to courses taught on the PCCC campus (Appendix A).

- Any variation in policy must be authorized by the PCCC Department Chairperson.
- This in no way alters the base PCTVS/DCL STEM Academy Board approved curriculum for courses listed in the addendum in accordance with NJDOE mandate or Advanced Placement curriculum but rather it is in addition to it.
- PCTVS/DCL STEM Academy affirms that the corresponding course at the high school equals or exceeds the minimum number of in class minutes at the college as per the reference chart below.

PCCC Course Name	# of credits	In Class Time (Min/wk)	# of Weeks	Total Min In class	Min in Lab/wk	Total Min Lab	Expected out of Class time (Min/Week	Total Min Out of class	Total minutes
Example EN 101	3	150	15	2250	0	0	300	4500	6750
Example MA121	4	200	15	3000	0		400	6000	9000

Example Science w/ Lab CH 103	4	150	15	2250	150	2250	300	4500	9000
--	---	-----	----	------	-----	------	-----	------	------

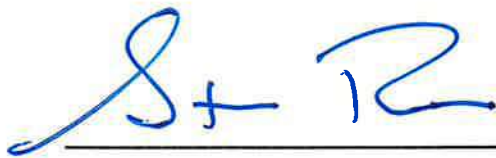

- Students at the college are expected to do work outside the classroom. The standards call for every credit hour (50 minutes) of direct faculty instruction (with or without lab) as per NJ Administrative Code (9A:1-1.2), the student is expected to have 2 hours of work per week outside of the class, including reading, class preparation, homework, studying, etc. If the high school course exceeds the college minimum weekly minutes, then the additional minutes will fulfill the out of class college expectation. Students must complete the applicable English and/or Math prerequisites with a grade of "C" or better.

Enrollment and Tuition

- Each individual student will have the course paid for via district, family or grant payment.
- This agreement shall be governed by laws of the State of New Jersey, including but not limited to N.J.S.A. 18A and N.J.A.C. 6A.
- As a dual enrollment student at PCCC, students enrolled will have until the 60% point in the term to withdraw from the course without penalty. Students will communicate this to their HS teacher and to the PCCC Director of Dual Enrollment. Failure to withdraw by this point, will result in the student attaining the college grade at the conclusion of the term and the grade entered in their PCCC transcript.
- Students enrolled in a dual enrollment program will have access to the same tutorial services as PCCC students.

The duration of this agreement is for the **2023-2024** school year and each year the two parties will meet to discuss renewal and updating the agreement via an addendum. This agreement will expire at the end of 2026-2027 academic year. The high school must submit a course curriculum as approved by the PCTVS/DCL STEM Academy with additions as approved by the appropriate Department chairperson or Dean at PCCC as a prerequisite for each forthcoming year.

Re: Bid 23.24-27 – C Wing Bathroom Renovation
Subject: Bid Recommendation

Ladies and Gentlemen:

On May 15, 2024, bids were received, opened, and read publicly for the above-referenced project. Lanyi & Tevald, Inc., (L&T) was the “apparent low bidder” with a bid submitted in the amount of Five Hundred Sixty Thousand Dollars and Zero Cents (\$560,000.00).

Review of L&T’s bid by this office provides that they are the “Lowest Responsible Bidder”. While this bid was over budget, it does not “substantially exceed(s) the board of education’s appropriation for the goods or services” and may be accepted in accordance with N.J.S.A. 18A:18A-22.

A&A recommends that a contract be awarded in the amount of Five Hundred Sixty Thousand Dollars and Zero Cents (\$560,000.00) to Lanyi & Tevald, Inc., of 6 Powder Horn Drive, Warren, New Jersey 07059.

Should you have any questions or require additional information, please do not hesitate to call.

Sincerely,

Joseph L. Clarizio, LEED AP
Vice President

Ladies and Gentlemen:

On May 15, 2024, bids were received, opened, and read publicly for the above-referenced project. Power With Prestige, Inc., (PWP) was the “apparent low bidder” with a bid submitted in the amount of Two Hundred Thirty-Seven Thousand Dollars and Zero Cents (\$237,000.00).

Review of PWP’s bid by this office provides that they are the “Lowest Responsible Bidder”. While this bid was over budget, it does not “substantially exceed(s) the board of education’s appropriation for the goods or services” and may be accepted in accordance with N.J.S.A. 18A:18A-22.

A&A recommends that a contract be awarded in the amount of Two Hundred Thirty-Seven Thousand Dollars and Zero Cents (\$237,000.00) to Power With Prestige, Inc., of 40 Swartswood Road, Newton, New Jersey 07860.

Should you have any questions or require additional information, please do not hesitate to call.

Sincerely,

Joseph L. Clarizio, LEED AP
Vice President

Board Action: May 20, 2024

INFORMATION:

Specifications were prepared, advertised, and bids invited from vendors for Baking Products. Bids were received on Wednesday, May 1, 2024, with the following results:

Vendor	Amount Bid
Ace Endico	Unit Prices
Mivila Foods	Unit Prices

RESOLVED that Bid No. 24/25-08- Baking Supplies is recommended by the Superintendent to awarded to the vendors listed below based upon their lowest responsible bids, as listed below.

Ace Endico, 80 International Blvd., Brewster, NY 10509

Mivila Foods, Inc., 226 Getty Ave, Paterson, NJ 07503

The procurement process is in compliance with Federal regulations 2 CFR 200.318 et seq., and purchases are made using National School lunch Programs funds. Quantities are estimates and will be adjusted as needed. Unit prices are for purchase through June 30, 2025.

FURTHER RESOLVED that authorization is granted to notify the lowest bidder and receive written confirmation thereof.

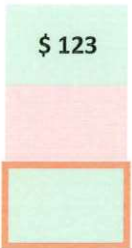

Baking Supplies Specifications (BT-26GU)

Legend

The green cells with bolded numbers indicate that this bid was the lowest price. However, they may not be selected because the vendor changed the specifications.

The orange cells indicate that this item from that vendor was selected.

The green cells with orange outline indicate that this item from that vendor was selected, and has the lowest price.

Re: Bid 23.24-27 – C Wing Bathroom Renovation
Subject: Bid Recommendation

Ladies and Gentlemen:

On May 15, 2024, bids were received, opened, and read publicly for the above-referenced project. Lanyi & Tevald, Inc., (L&T) was the “apparent low bidder” with a bid submitted in the amount of Five Hundred Sixty Thousand Dollars and Zero Cents (\$560,000.00).

Review of L&T’s bid by this office provides that they are the “Lowest Responsible Bidder”. While this bid was over budget, it does not “substantially exceed(s) the board of education’s appropriation for the goods or services” and may be accepted in accordance with N.J.S.A. 18A:18A-22.

A&A recommends that a contract be awarded in the amount of Five Hundred Sixty Thousand Dollars and Zero Cents (\$560,000.00) to Lanyi & Tevald, Inc., of 6 Powder Horn Drive, Warren, New Jersey 07059.

Should you have any questions or require additional information, please do not hesitate to call.

Sincerely,

Joseph L. Clarizio, LEED AP

Board Action: May 20, 2024

INFORMATION:

Specifications were prepared, advertised, and bids invited from vendors for Baking Products. Bids were received on Wednesday, May 1, 2024, with the following results:

Vendor	Amount Bid
Ace Endico	Unit Prices
Mivila Foods	Unit Prices

RESOLVED that Bid No. 24/25-08- Baking Supplies is recommended by the Superintendent to awarded to the vendors listed below based upon their lowest responsible bids, as listed below.

Ace Endico, 80 International Blvd., Brewster, NY 10509

Mivila Foods, Inc., 226 Getty Ave, Paterson, NJ 07503

The procurement process is in compliance with Federal regulations 2 CFR 200.318 et seq., and purchases are made using National School lunch Programs funds. Quantities are estimates and will be adjusted as needed. Unit prices are for purchase through June 30, 2025.

FURTHER RESOLVED that authorization is granted to notify the lowest bidder and receive written confirmation thereof.

Baking Supplies Specifications (BT-26GU)

Legend

The green cells with bolded numbers indicate that this bid was the lowest price. However, they may not be selected because the vendor changed the specifications.

The orange cells indicate that this item from that vendor was selected.

The green cells with orange outline indicate that this item from that vendor was selected, and has the lowest price.

Re: Bid 23.24-30 – Auditorium Office Renovation
Subject: Bid Rejection

Ladies and Gentlemen:

On May 15, 2024, bids were received, opened, and read publicly for the above-referenced project. Lanyi & Tevald, Inc., (L&T) was the “apparent low bidder” with a bid submitted in the amount of Seven Hundred Sixty Thousand Dollars and Zero Cents (\$760,000.00).

Review of L&T’s bid by this office provides that they are the “Lowest Responsible Bidder”. However, this bid was over budget and “substantially exceed(s) the board of education’s appropriation for the goods or services.”

A&A recommends rejection of this bid in accordance with:

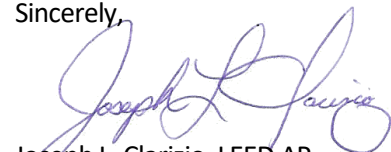

N.J.S.A. 18A:18A-22 (a) The lowest bid substantially exceeds the cost estimates for the goods or services

N.J.S.A. 18A:18A-22 (b) The lowest bid substantially exceeds the board of education's appropriation for the goods or services;

N.J.S.A. 18A:18A-22 (d) The board of education wants to substantially revise the specifications for the goods or services

Should you have any questions or require additional information, please do not hesitate to call.

Sincerely,

Joseph L. Clarizio, LEED AP
Vice President
