The YMCA of Central New York is proud to partner with AccessCNY to provide support services to children with special needs through the Office for People with Developmental Disabilities (OPWDD). Through this partnership, the Y is able to provide 1:1 or shared support counselors to children who qualify at no additional cost to the family. Campers of all abilities are able to enjoy summer camp in a safe, supportive, and inclusive environment.

What a delight to have Austin participate at Camp Evergreen thanks to the Access and Ability support. Camp would be impossible without this provision. With his 1:1 he gained courage to endure crowds; worked through anxiety and tried new activities; overcame uneasiness and made new friends. He is already looking forward to next summer and, with support, conquering new challenges.

## GIVE THE GIFT OF CAMP

Through help from generous donors, we are able to offer scholarships and financial assistance to campers and families who need it. You can make the difference in someone's life by giving the gift of summer day camp.

[ymcacny.org/giving](https://ymcacny.org/giving)

## MEMBERSHIP

Everyone knows the Y as a place to camp, swim, or exercise, but we're so much more. At the YMCA of Central New York, we're working side-by-side with our neighbors to address critical community needs that help kids develop into smart, resilient adults, for people to improve their health and build a sense of community, and for our most vulnerable young people to get the care and support they need.

[ymcacny.org/membership](https://ymcacny.org/membership)

## SCHOLARSHIPS

Financial Assistance and Scholarships are available to help offset the cost of membership and summer day camp. **Anyone can apply.** A link to the application will be provided in your camp welcome email. You can also talk to your camp director for more information.

All camp policies can be found in our Camp Family Handbook. This handbook is available on our website and goes over important information surrounding your child's camp experience.

## BASIC POLICIES

Registration is happening in two waves this year: member-only registration beginning January 21st, and open registration beginning January 28th.

In order to qualify for member pricing, you must have a family membership for the YMCA of Central New York at the time of registration and sustain your membership through your summer day camp season. Youth memberships qualify for early registration, but not for member pricing.

If you have to cancel your membership before summer day camp, you will be charged the non-member rate for your summer day camp weeks, even if you rejoin before the summer.

Help is always available. Contact your camp director, visit our website, or stop by your branch for assistance.

CAMP Y-NOAH

## ***Camp Y-Noah— Where adventure, friendship, and discovery come together!***

At Camp Y-Noah, every day is packed with fun and learning. Campers spend most of their time outdoors exploring our playground, open sports fields, volleyball court, and pavilion, while also enjoying access to our indoor pool, gymnasium, and play space for those times the weather calls us inside.

Each day brings new adventures — from arts and crafts and STEM challenges to team-building games, field activities, and water and sensory play.

Our mission is to help every camper grow — building confidence, friendships, problem-solving skills, and a true sense of belonging.

At the heart of everything we do are the YMCA's core values of Honesty, Respect, Responsibility, and Caring — guiding both our staff and campers to be their best selves, every day.

Come play, explore, and grow with us at Camp Y-Noah — where every day feels like an adventure!

## CONFIDENCE THROUGH COMPETENCE

The Evergreen experience frames its program through the belief that a camper can build confidence through skill development. The ability to gain a new skill, overcome a fear, achieve a goal, or learn life skills gives a camper the feeling of accomplishment that will transfer back to their lives outside of camp.

Activities at camp are designed to teach these skills through exposure and practice. Activities include, but are not limited to:

- Archery
- Team Building
- Ecology & Nature Education
- Hiking & Outdoor Living Skills
- Carpet Ball & 9-Square
- Sports & Adventure Games
- Swimming & Boating
- Visual & Performing Arts
- Themed Games & Activities

Whether you are trying something new or working towards a long term goal, we are here to help your camper develop!

LEADERSHIP PROGRAMS

Shape your future in our Leadership Programs.

Our young leaders spend their camp day training, teambuilding and gaining valuable tools for the future. They develop leadership skills, personal values, teambuilding, and communication skills along the way. Successful completion of the program empowers participants to apply to become a Counselor (must be 16 years old) the following summer. This program is not limited to those who want to become camp counselors but is open to anyone who is interested in nurturing their leadership potential.

Some camps require a multi-week commitment. Please check with your desired camp for more information. All participants must commit to one Saturday training before the camp season begins.
