

Our teams

Children are welcomed by a team of professional educators in each centre.

The educational team supports and encourages...

- CHILDREN'S PARTICIPATION

Children express their ideas and create their own activities with adult support.

- THE RIGHT TO BE DIFFERENT

Adults support children in accepting difference, so that everyone feels genuinely at home in the group.

- ENJOYING BEING TOGETHER

Children make friends, learn to get to know each other and share what they want and what interests them.

- CONFIDENCE

Adults have confidence in children's abilities, which helps them to form strong bonds and face experiences calmly.
