Mission

Statement

Through our Learn Arabic Like a Madinah Student course, we are committed to delivering a structured, rigorous, and purpose-driven Arabic programme, following the syllabus of the renowned Islamic University of Madinah.

Our mission is to make the opportunity to study the Madinah curriculum accessible to those unable to attend the university itself. We aim to equip students with the tools to understand and apply the Arabic language not only for everyday communication, but as a gateway to the Qur'an, Hadith, and the vast body of classical Islamic literature in its original Arabic.

This is a full, step-by-step syllabus based on a tried and tested programme, one that works, and has worked for so many.
