Who would have imagined that a single trip to Spain would have sparked such a passion for travel as it has in us? After travelling to Spain, Portugal, Italy, London, Russia, Turkey, Egypt, Morocco, Vienna, Austria, Switzerland, Poland, Budapest, Germany, the Caribbean and around the USA, we realized how much we loved the process of planning vacations and decided to turn that passion into a career of our own.

Pristine Travels is a full-service travel site offering personalized and professional services. Save time and hassle by letting us book all your travel needs on behalf of our suppliers such as airlines, car rentals, cruise lines, hotels, packaged tours, entertainment activities, railways, and theme parks. We also provide passport and visa services.

We have achieved several accolades from our preferred vendors such as Globus Tours, Avalon Waterways, Independence by Globus, Cosmos Tours, and Universal Studios; being appointed as a "Specialist" Agent for delivering exceptional knowledge and experience in selling all products.

# Tour Intro

Originally chanted at the toreros during bullfights, "Olé!" is now a term used to congratulate anyone's exceptional performance in sunny and live-in-the moment Spain. Prepare for those two happy syllables to roll off your tongue as you discover the past and modern-day feats of everyone from artists and architects to chefs and winemakers throughout this lively tour of Spain. The most in-depth look at the land of the nonstop fiesta, this 14-day tour leads you from city to city and coast to coast for Picasso and paella, fortresses and flamenco, and Gaudi and the great Rioja wines. Equally satisfying is seeing the legendary backdrops used for some of classic literature's finest prose—from Granada's Moorish Alhambra complex to Pamplona's famous Calle Estafeta, the famous street where the annual "running of the bulls" takes place. Olé!
