INTRODUCING VARIETY CRUISES...

The story of Variety Cruises dates back to 1949 when our founder had the vision of showcasing the world onboard seven-day life-enriching journeys at sea. Though we have grown and evolved since, our mission today remains the same.

Variety Cruises remains a family-run business under the leadership of CEO Filippos Venetopoulos (the grandson of Variety Cruises' founder), and is proud to offer experiences that go deeper into each destination. These journeys connect our team of experts with travellers from around the world as we work together to positively impact the communities and natural environments we visit—guided by our core ethos: A Better World at Sea™.

Our signature 360° degree approach starts with designing and building state-of-the-art ships, to crafting and executing our detailed itineraries, while ensuring the safety and comfort of our guests on board their 'home at sea'.

From Greece to West Africa, from Italy to the French Polynesia and beyond, travellers can discover authentic local and indigenous cultures, regional cuisine, ancient sites, remote villages and natural wonders only small ships can reach. All while ensuring our experiences reflect cultural and ecological sustainability and inclusiveness. And throughout, we remain true to our small ship spirit, welcoming fewer than 71 guests on every sailing.

In collaboration with the experts at Wild Earth Travel we invite you to 'go deeper' into the destination as we enter our third generation of small ship cruises.

Variety Cruises offers both individuals and travel groups the opportunity to explore together on group voyages.

PRIVATE CHARTERS

A private charter voyage with Variety Cruises is an unforgettable way to celebrate a special occasion—whether it's an anniversary, birthday, reunion, or a themed journey with like-minded travellers who share a passion for art, fine food and wine, architecture, or history. When you take a charter, the experience is entirely yours. You'll have exclusive use of the vessel, with the freedom to customise the itinerary, dining concepts and shore excursions to suit your group's interests.

SMALL GROUP VOYAGES

Our ships are also ideal for affinity groups and family reunions of 15 to 24 guests—groups that may not be large enough to charter a ship privately. These groups can join a scheduled departure while still enjoying the flexibility to create their own private onboard or excursion programs. Group organisers can reserve cabin blocks on any of our scheduled sailings, ensuring a seamless and tailored experience for their guests.

Our Boats

Our carefully curated recipe includes comfort, safety, and enjoyment as its main ingredients. Variety Cruises is the number one fleet of small ships hosting no more than 71 guests. Designed and handcrafted from inception to sailing by our experienced family of ship-builders with a history spanning over 50 years, with you in mind, Variety Cruises has established itself as the industry expert of yacht cruise experiences.
