## Acknowledgement of Country

New South Wales Combined High Schools Sports Association would like to begin by acknowledging the Cabrogal Clan, Traditional Custodians of the land on which we gather for these championships, the Darug Nation and pay our respects to their Elders past and present. We extend that respect to Aboriginal and Torres Strait Islander peoples here today.

# Welcome message from NSWCHSSA President

---

Sport continues to play a pivotal role in shaping the Australian character, particularly among the youth of today. This influence extends beyond the realm of cross country to encompass all sporting disciplines coordinated by the New South Wales Combined High Schools Sports Association (NSWCHSSA). The Association remains steadfast in its commitment to offering a diverse array of sporting activities and opportunities to students enrolled in public high schools across the region.

For over 130 years, NSWCHSSA has been instrumental in providing competitive platforms across various levels, thank you to the dedication of passionate educators who tirelessly nurture the athletic potential of their students. I extend my sincere gratitude to the principals, coaches, managers, parents, officials, and participants whose unwavering efforts have contributed to the resounding success of our championships. Your contributions, often voluntary, are invaluable and deeply appreciated.

The year 2024 holds particular significance as it marks an Olympic Year, igniting aspirations among many of our athletes who aspire to pursue this prestigious pathway. To these athletes, I offer my heartfelt encouragement and best wishes as they pursue their dreams in both current and future endeavours.

It would be remiss of me not to acknowledge the tireless work of our Executive Officers whose commitment has elevated NSWCHSSA sport to its esteemed status as one of Australia's premier programs. My gratitude also extends to the parents and students whose continued engagement and participation enrich our sporting community.

To all competitors, I urge you to reflect on the significance of your achievements thus far. Qualifying for the NSWCHSSA level represents a remarkable milestone, underscoring your dedication and perseverance. It is essential to recognise the support network that has propelled you to this elite level of competition. Congratulations on your accomplishments, and I wish you continued success as you embark on the next chapter of your sporting journey.

Deputy Principal, Brisbane Water Secondary College

## Convener's Message

---

On the occasion of this Combined NSWPSA / NSWCHSSA / All Schools Cross Country Championships, it gives us great pleasure to welcome competitors, team managers, officials and spectators to this year's championship.

Our thanks are extended to the staff of Sydney International Equestrian Centre for providing the associations with a high quality venue, which reflects the importance of these Championships.

This is an exciting new venue for our event. We hope that the athletes enjoy the challenging course.

To have gained selection to represent your sporting association is the culmination of many hours of dedicated training in your chosen sport. It is also a wonderful opportunity to interact with others from all over New South Wales.

At all times it is important to appreciate the efforts of all competitors, remembering that to be able to compete in these championships is a great achievement in itself. To all competitors we wish you the best of luck and hope your stay in Sydney will be an enjoyable one.

Each Multi-Class athlete must compete in their association uniform.

Each Multi-Class athlete must have at least a national provisional classification by the governing body to compete at the state championship. The governing bodies, classification categories and how classifications are verified are as follows:
