Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

I was recently watching a news story entitled, “It is the way the game is supposed to be played so, why is it such a big deal?” The story took place in June of 2016 at the Indiana State Baseball Championships, during which a player from the winning team went onto the mound to console the losing pitcher, who was laying on the ground visibly upset, rather than embarking in a celebration with his teammates.

At the end of the story, the newscaster made a point to say, “The actions of the player reflected on the coaches and the parents of the kid. Somebody is doing something very right.” Adults in the player’s life, leading by example.

When the newscast finished, I pondered about why the story made the news. I was happy that the actions of the boys made national headlines, but saddened that acts of sportsmanship are not the norm. The realization that stories like this are highlighted because they are seen as something special and extraordinary was disheartening to me.

Throughout this year, the NMAA and our member schools are focusing on the importance of sportsmanship by coaches, players and spectators. When you attend a game as a spectator, remember that you too are setting an example for the kids on the court or field and for the individuals around you. Remember that it takes just one person to make a difference and the way you act can set an example for your community.

Be mindful of the example you set in whichever role you play in interscholastic athletics – as a coach, a parent, a player or a spectator. Be POSITIVE and support your team, without being negative towards opponents or contest officials. We need to all be a part of changing the culture of interscholastic athletics so that doing what is right is no longer newsworthy. Competing with Class should be the rule, not the exception.

Let us all band together and lead by example. Show the youth of today that sportsmanship matters. Show our student-athletes the proper way to win and lose. Show our “leaders of tomorrow” that their character far outweighs their performance. In New Mexico, our news story should always read, “It is the way the game is supposed to be played so, why is it such a big deal?” In New Mexico, let good sportsmanship and positive behavior always be the norm.

Sincerely,

Sally Marquez
NMAA Executive Director

The Pendley Sisters, Legends of Diamond

Shelby and Nicole Pendley look alike. Their mannerisms are the same. They both excel in the same sport, but they are very different. The New Mexico Activities Association is proud to recognize Shelby and Nicole as the 2019 Legends of the Diamond. The path to softball success started with Shelby who took up the game at the age of 8. Her younger sister, Nicole, would soon follow her footsteps. It wasn't long before these two became known in softball circles as a dominant duo.

Shelby was an All-Pac-12 First Team player at the University of Arizona, but after one season she decided to transfer to Oklahoma. In her first year with the Sooners, she was the 2013 Big 12 Player of the Year, 2nd Team All-Region and National Fastpitch Coaches Association 2nd Team All-American. She also helped Oklahoma win the NCAA Softball Championships that season. Her junior year at Oklahoma, Shelby earned NFCA 1st Team All-American honors along with 1st Team All-Region recognition. 2015 proved to be Shelby's best season at Oklahoma. Her senior year she led the team in batting average, hits, doubles, homers and RBIs. She led the Big 12 in home runs and ranked 5th nationally. That year Shelby posted the third highest slugging percentage and home run total in Big 12 and OU single-season history. Needless to say, she was voted the 2015 Big 12 Player of the Year and named NFCA 1st Team All-American. She holds the second-best slugging mark (.841) and 6th best batting average (.401) in Big 12 history.

After a successful college career, Shelby pursued a career of professional softball. She was drafted second overall in the 2015 National Pro Fastpitch College Draft by the USSDS Pride. She went 4-4 in her pro debut, including her first career home run. She is currently playing professionally in Japan.

Although known as the "younger sister", Nicole made a name for herself. In 2014, she helped Rio Rancho High School win their first state softball title since 2003. That same year, in fact the same day, Nicole won a state title in both softball and the javelin at the state track and field championship. Nicole was a five-year starter with the Rams and set the school's single-season home run record (19) as a junior.

Not many people get the opportunity to play alongside their sister and these two got to do it twice, in high school and college. After her stellar high school career, Nicole decided to join her sister at Oklahoma. Much like her older sister, Nicole was a standout player for the Sooners. Nicole finished her career ranked sixth in games played (254) and RBIs (189), seventh in home runs (47), eighth in at-bats (730), ninth in total bases (422) and runs (177) and tenth in extra base hits (83) and hits (240). She was named to the 2016, 2017 and 2018 All-Big 12 Second Team. In 2018, she was named the Most Outstanding Player at the Big 12 Championship. Nicole helped Oklahoma win the NCAA National Title in 2016 and 2017.

Both now play softball professionally and run camps to help teach and inspire other young softball players.

Here is more from our interview with Nicole Pendley:

Nicole, how did you first get involved in softball?

Shelby played, so I don't know if I really had a choice. I was young and wanting to do what Shelby did and it drove her nuts.

What was it like playing with your sister?

In high school, we butted heads quite a bit. We're very different. We're about polar opposites. We have very different styles. Once we got older, we learned how one another worked. We know what work style works for us. Our interests outside of softball are different.

What do you mean when you say your work styles are different?

I'm kind of a laid-back approach. If it's not working, I take a step back. For Shelby, if something's not working, she wants to fix it right then and there.

What sort of different interests do you have?

I like to do yoga. She's more strictly about softball and lifting.

Nicole, you competed in track too and won a state title in the javelin the same day your team won the softball state championship. What was that day like?

It was kind of hectic. Everyone around me was more stressed than I was. I threw the javelin in the morning and ran a relay as well. My coach changed my shoes for me, he was panicking. I had about five minutes to take it in and then remember changing in my car going over there to the softball field. I missed half of the warmup and had to get ready quickly. We were facing Onate and there was an 'if' game. They beat us the first game (6-3) and we went to game two.

I pitched every inning of both games and we won the state title (9-4 final). My adrenaline was there for a little bit, but shortly after I was tired. Everyone wanted to celebrate and I was on the couch tired.

Nicole, you and your sister played together at Oklahoma after a couple seasons together in high school. What was it like reuniting on the field at the college level?

My sister was the first reason why I chose Oklahoma, but I love the culture of town and the team. It felt like home. We still kind of butted heads at the beginning, we had to figure each other out. She was the senior and leader of the team and I was the freshman. She played short and I played center field. We would hit gloves before every inning. I hit behind her in the batting order, and sometimes she hit behind me, so that was really cool.

What is your goal at this point?

I would like to inspire young athletes to create an identity for themselves. I hope to play for a few years and continue to hold camps with my sister.

2018 State Championship Recap

ARTESIA HOISTS BLUE TROPHY FOR FIRST TIME SINCE 2001

In the 2018 NMAA State 5A Softball Championship game, the Artesia Bulldogs (29-4) beat the Farmington Scorpions (20-11-1), 13-0, to earn the school's fifth state title in the sport of softball and the first since 2001.

The Bulldogs forced an "if game" with the Scorpions earlier in the day, winning 13-0. The two teams faced each other three times in the championships, as Farmington beat Artesia earlier in the second round, 4-2.

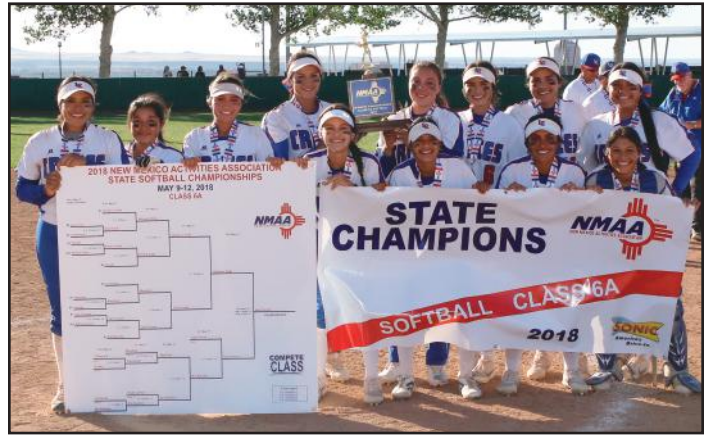

The Bulldogs' Kali Crandall pitched a complete game, allowing no runs on two hits, walking one batter and striking out six.

For the first time since 2013, the Las Cruces Bulldawgs (21-11) hoisted the blue trophy with a 12-2 win over the Volcano Vista Hawks (21-7) at the 2018 NMAA State 6A Softball Championships. This was the second state championship in the sport of softball for Las Cruces.

The Bulldawgs' starter, Anisah Triste, pitched a complete game, allowing two runs on seven hits, while striking out seven.

The Bulldawgs forced an "if game" with the Hawks earlier in the day with an 8-6 victory.

Following a scoreless first inning, Las Cruces put one run on the board, following a walk by Anali Rios. Rios would score on a fielder's choice three batters later to give the Bulldawgs a 1-0 lead. Volcano would threaten in the bottom of the second but could not push a run across the plate, as the score remained 1-0 after two.

Las Cruces then added three more in the top of the third, highlighted by a leadoff homerun from Heaven Pioquinto, giving the Bulldawgs a 4-0 lead.

A double by Anisah Triste in the top of the fifth gave Las Cruces a runner in scoring position with no outs. Triste then scored on a single by Brooklyn Monsivaiz, as the Bulldawgs extended their lead to 5-0. Volcano Vista answered in the bottom of the fifth with a homerun by Jacklyn Gallegos to start the inning. Jaden Encinas then doubled and scored one batter later on a single by Bella Mendoza, making it a 5-2 lead for Las Cruces.
