

BOOKING MULTI-DESTINATION AND ONE WAY FLIGHTS ONLINE

The latest enhancement to Classic Vacations' online air booking feature enables the booking of multi-destination and one-way flights, in addition to basic round-trip flights.

By default, the system assumes the following:

- ✈ All hotel guests require the same flight itinerary, both inbound and outbound. If you have travelers arriving from different origin cities, each set of travelers will need to be on a separate booking.

FLIGHT BOOKING ONLINE

ARE ALL AIRLINES AVAILABLE FOR ONLINE BOOKING THROUGH CLASSIC VACATIONS?

Classic Vacations offers air bookings online for a curated list of airlines that meet our quality, service, and safety standards.

[View Curated Carriers](#)

CAN I MAKE AN ONLINE BOOKING FOR FLIGHTS ONLY?

No. A hotel booking is required before adding flights.

CAN I MAKE AN ONLINE BOOKING WITH ONE-WAY FLIGHTS?

Yes, one-way air bookings are now supported for online booking with Classic Vacations.

CAN I BOOK MULTI-DESTINATION ITINERARIES ONLINE?

Yes, multi-destination air itineraries are now supported for online booking.

CAN I BOOK MULTIPLE PNRS IN ONE CLASSIC VACATIONS BOOKING?

Yes, you are now able to book multiple PNRS for the same travelers. This means that if you have an open jaw, say SFO-OGG, and HNL-SFO on one PNR you can also book a one-way island hop on a separate PNR in the same Classic Vacations booking.

CAN I BOOK FLIGHTS ONLINE FOR TRAVELERS DEPARTING FROM DIFFERENT ORIGINS?

No. Each origin must be booked separately. Only one PNR (Passenger Name Record) is allowed per booking.

CAN I BOOK ROUND-TRIP FLIGHTS AS PART OF A COURTESY HOLD?

Yes. You can book flights as part of a courtesy hold. The deposit due date will automatically reflect how long you have until we must ticket the exact schedule you've chosen.

CAN I INCLUDE NEARBY AIRPORTS IN MY FLIGHT SEARCH?

Yes. For Multi-Airport Cities (MACs) like London, Paris, New York, and Rome, searches include all associated airports.

PASSENGER & ITINERARY DETAILS

WHAT IS THE PASSENGER LIMIT PER ONLINE BOOKING?

You can book up to nine (9) travelers per booking. For groups of 10 or more, please contact the Classic Reservation Center.

WHAT IF I ONLY NEED A HOTEL FOR PART OF MY TRIP?

With the addition of multi-destination flight options and multiple hotel stays, flight search fields such as destinations and dates will no longer be prefilled. You now have full flexibility to customize travel dates and destinations based on your clients' needs.

CAN I BOOK DIFFERENT AIRLINES FOR OUTBOUND AND INBOUND?

It depends. Within a single PNR, all flights must be operated by the same airline, an alliance partner, or a codeshare partner. If you'd like to use a different carrier for the return flight, you'll need to create a separate PNR for that portion of the booking.

WHAT CABIN CLASSES CAN I BOOK ONLINE?

You can book Economy, Premium Economy, Business, or First Class. Basic Economy is not offered.

CAN I SELECT PREMIUM SEATS AS PART OF ONLINE BOOKINGS?

Not during booking. Default seat assignments are provided by Sabre. To change or upgrade seats, visit the airline's website.

TRAVELER INFORMATION

WHY DO I NEED TO PROVIDE SO MUCH TRAVELER INFORMATION AT CHECKOUT?

Airlines are legally required to collect data for the U.S. Department of Homeland Security via the Secure Flight and APIS programs. Required info includes:

- Full Name
- Date of Birth
- Gender
- Redress Number (if applicable) Optional: Known Traveler Number, Frequent Flyer Number

CAN I SHOP FARES FOR DIFFERENT PASSENGER TYPES?

Yes. Fare results include Adult, Child (2–11), and Infant (under 2). Infant fares vary based on "in-lap" or "in-seat" selection.

IS IT POSSIBLE TO BOOK BOTH LAP INFANTS AND SEAT INFANTS IN THE SAME RESERVATION?

No. All infants in a single booking must be booked either in-lap or in-seat. For mixed options, contact the Reservation Center.

CHANGES & CANCELLATIONS

CAN I CANCEL FLIGHTS ONLINE?

No. Flight cancellations must be done via the Reservation Center.

WILL PACKAGING (FLIGHT + HOTEL DEALS) BE SUPPORTED?

Package booking workflows will be available in a future release. However, Classic Vacations already offers package rates on most preferred hotels.

NEGOTIATED FARES

WILL I BE ABLE TO BOOK NEGOTIATED FARES?

Yes. Depending on the origin and destination, both published and negotiated fares will be available. Each flight option will clearly indicate the fare type. Where both Published and Negotiated fares are available, you can filter based on your preference.

WHAT ARE THE BENEFITS OF BOOKING A NEGOTIATED FARE?

- Many of our negotiated fares offer commission, while most published fares do not.
- **Refundable:** Traveler will receive 100% of the fare returned.
- **Non-Refundable:** Traveler will receive less than 100% of the fare returned. (includes partial refunds).
- Negotiated fares offer more time on courtesy hold due to an extended ticketing window as opposed to published fares, which require full payment within 24 - 72 hours.

MULTI-AIRPORT CITIES

Sorted by ISO Country Code, IATA City Code.

IATA City Code and IATA Airport Code may be the same in some instances, eg. BRU, DFW, MEL, NGO. The column titled 'CC = AC' indicates where this is the case.

There are 41 cities with multiple airports. Of these, 19 airports have the same code as the city.
