WELCOME

KEN HAY, NETBALL SCOTLAND

Hosting the Celtic Cup in Glasgow is a proud moment for Scottish netball. This event underscores our commitment to promoting the sport and providing our athletes with high-level competitive opportunities, and fans with the best netball. We look forward to welcoming teams and fans to what promises to be a thrilling showcase of skill and fair play.

KAREN ROLLO, NETBALL NI

The Celtic Cup means a huge amount to Netball NI, our Warriors get to compete against our nearest rivals on the court, and we are working in complete collaboration with one another, striving to create a new brand of competition that meets the needs of our three nations. We recognise the need to showcase our sport and our teams against challenging world netball nations on home soil and this is just the beginning of what we know will become an unmissable event in the world netball calendar.

VICKI SUTTON, WALES NETBALL

The Celtic Cup presents a unique opportunity for our Welsh Feathers to compete against different styles of International Netball on UK soil. The tournament which is the first of its kind highlights a truly collaborative approach amongst the Celtic Nations and we have enjoyed working with Netball Scotland and Netball Northern Ireland to bring the event to fruition.
