SPRING • SUMMER

collection

Once again this year, our **Belgian design team** has developed numerous beautiful new products for the 2025 spring/summer collection. Carefully selected fabrics and colour combinations bring the fresh and vibrant atmosphere of spring and summer to life.

This collection is not only stylish and trendy but can also serve as a **source of inspiration** for custom-made products. Be surprised and inspired by the upcoming summer and discover the possibilities of our latest creations!

The Mistral Home family

Colours in this catalogue are illustrative and may vary slightly from reality.

MISTRAL HOME CARES

At Mistral Home, we care about **the environment, the society and our products.**

In 2020, Mistral Home embarked on a structured approach to organisational carbon emissions. Our Carbon Reduction Management Plan was created to clearly outline how we can **reduce our carbon footprint.** Reduction measures are always calculated according to the Science Based Target Initiative.

Alongside this, we also focus on the **human aspect of sustainability.** Both for our employees and everyone involved in production, we strive for the best possible working conditions. We also set aside a nice budget every year to support good causes.

MARCH

By blending basic colours like off-white, sand and dark grey with subtle stripes and fine textures, you can craft a stylish duvet cover. Using a hint of eucalyptus green adds some colour and freshness to the design.

A basic stripe, simple yet very sophisticated.

PEVA tablecloth BEACH STRIPE taupe

DESIGNER'S FAVOURITE

MARAIS grey is designer Johann's favourite because it's refined, elegant and stylish. It has the look of a yarndyed fabric but it's a faux uni print.
