TIGER COTTON

A LABEL FREE COLLECTION BY NEUTRAL®

Only 1.4% of the world's cotton is certified organic – we're here to change that!

That's why we started Tiger Cotton®, a project in collaboration with WWF India. Our goal is simple: To support cotton farmers in converting from conventional to organic farming, benefiting both people and the planet.

So far, more than 4,000 farmers have joined – and Tiger Cotton® has now grown into a full-scale, label free product line with 16 versatile products!

The best of all? They're made from 100% organic in-conversion cotton and certified with top standards such as EU Ecolabel, SA8000, and Oeko-Tex.
