### Minimac Employees visits Blind school to ‘feel’ the Holi colors

[07-03-2023, Pune, Maharashtra] - As a part of the CSR drive 2023, Minimac Systems, a Clean-tech company with a mission to reduce the industrial oil hazardous waste, visited The Poona School and Home for Blind Boys. ‘WeCare’ campaign of Minimac is aimed at spreading love and bringing a positive societal change.

As per the reports, there were more than 150 students who were taken care by the institution. The administrators and warden helps the visually impaired to develop their personality and character as well as help them in their education, sports and other extracurricular activities. Minimac team had a great time talking to the kids, playing Holi with them and distributing chocolates.

“It was a wonderful experience for me and my team. The kids were great and full of positivity, I could see sparkle in their eyes. Holi is a festival of happiness & colors, and we made sure that the kids enjoy to the fullest. Most importantly, they appreciated our gesture. I would like to congratulate the school for doing such amazing work”, said Ms. Bhavti Patadia, Head of Branding and Marketing, Minimac Systems.

The Founder and MD of Minimac Systems, Mr. Anshuman Agrawal, said, “Social harmony can be strengthened by sharing love and joy of festivals with others. Minimac is proud of the outcomes of its CSR initiatives and we intend to extend the support and contributions. We would like to advocate the concept of charity, even a small contribution matters to bring a societal change.”
