A high-angle, minimalist interior scene. In the foreground, a dark-stained, round wooden side table sits on a light-colored floor. On the table, there are two books stacked together; the top book's cover has the text 'GROENHAMAR MODELLEN' printed on it. Next to the books is a small, dark, egg-shaped ceramic vase. To the left of the table, a modern lamp with a dark, conical base and a flat, circular wooden top is visible. The lighting is soft and directional, coming from the upper right, casting long, gentle shadows across the floor and the table's surface. The overall aesthetic is clean, modern, and focused on natural materials.
