# YOUR LAKESHORE BUCKET LIST

Don't leave town without checking these must-visit experiences off your list.

## 1. Stroll Mariners Trail

By bike or foot, take the beautiful 7-mile stretch of paved trail between Manitowoc and Two Rivers to enjoy lakefront views, gardens and public art.

## 2. Visit a Museum

Dive into shipbuilding history at the **Wisconsin Maritime Museum**, learn about wood type at the **Hamilton Wood Type & Printing Museum** or admire fine art at the **Rahr-West Art Museum**.

## 3. Explore our Lighthouses

Take a walk out to the **Manitowoc Breakwater Lighthouse** or book a tour with the Wisconsin Maritime Museum. In Two Rivers, explore **Point Beach State Forest** to see the **Rawley Point Lighthouse**.

## 4. Sip a Brew

Take a break from your lakeshore adventure to enjoy a craft brew or two at **Craft Creek Brewing** or **PetSkull Brewing**.

## 5. Enjoy a Scoop

Take a bite out of Wisconsin dairy! Visit the **Cedar Crest Ice Cream Parlor** for a cone of factory-fresh ice cream, **Beerntsen's Confectionary** for creative handmade sundaes in old-fashioned booths and the historic **Washington House** for a traditional ice cream sundae.

# FOUR SEASONS OF FUN

An all-season destination, Manitowoc and Two Rivers have bright flowers along Mariners Trail in the spring, hot summer days perfect for a trip to the beach, colorful leaves in the fall and fluffy snow in the winter.

## SPRING

Explore the gardens, sculptures and lakeside views along **Mariners Trail**

Paint ceramics at **Glaze & Paint**

Enjoy a scoop of **Cedar Crest Ice Cream**

Book a Lake Michigan fishing charter

## SUMMER

Swim at **Neshotah Beach**

Play a round of golf at **Meadow Links**

Go kayaking over near shore shipwrecks

Visit **West of the Lake Gardens**

## FALL

Hike the **Ice Age Trail**

Shop downtown

Go birding at **Van der Brohe Arboretum**

Sip fall-flavored brews from local breweries

## WINTER

Ice skate at a downtown rink

Watch a show at the **Capitol Civic Centre**

Throw axes at **Tapped on the Lakeshore**

Warm up at a museum

# CAN'T-MISS EVENTS

**Festivals are huge in Wisconsin, and the Manitowoc-Two Rivers area has no shortage of them!**

From Wisconsin's only sand sculpting competition to music festivals and holiday happenings for every season, there are so many unique events to experience along the lakeshore. Explore a snapshot of the biggest and best festivals Manitowoc and Two Rivers offer.

## FOURTH ON THE SHORE/SUBFEST

Manitowoc is celebrating Independence Day with a full weekend of fun on the lakeshore to mark America's 250th anniversary! The festivities include days jam-packed with a parade, street party, live music, kids' activities, food trucks and drinks, and moments honoring our veterans. The 4th concludes with the big Festival Foods fireworks show over Lake Michigan.

From the **Wisconsin Maritime Museum** to live music venues to the Salmon Derby, there are so many spots to stop to join in the celebration.

## WISCONSIN SAND SCULPTING FESTIVAL

## WISCONSIN SAND SCULPTING FESTIVAL

A two-day event at Manitowoc's **Red Arrow Park and Beach**, this unique festival brings competitive sand sculptors from across the country to the lakeshore to construct massive works of art. Attendees can watch and chat with sculptors in action, participate in the amateur competition, and even take a dip in the Lake Michigan waves.

## FARMERS MARKETS

### Manitowoc Farmers Market

From the first weekend in May through the last weekend in October, the Manitowoc Farmers Market features seasonal produce, prepared foods, artisan crafts and homemade goods near the riverfront each Saturday from 8:00 a.m. - 1:00 p.m. From November - April, Grow It Forward hosts an indoor market at **The Venue at Union Square** on select Saturdays from 8:00 a.m. - 12:00 p.m.

### Two Rivers Farmers & Craft Market

This weekly open-air market in **Central Park** features fresh fruits, vegetables, honey, flowers, quality crafts and more on Thursday evenings and Saturday mornings from May through October. Many markets also include concerts, food and beverage tents.

## LIVE MUSIC

Especially when the temperatures rise and the patios open up, it's not hard to find live music. **The Wharf**, a year-round, 4,000-square-foot open-air venue along the riverfront with a retractable roof system and indoor bar and seating area, offers free live music weekly as well as ticketed shows throughout the year. The **Capitol Civic Centre**, an iconic downtown venue, is host to a variety of local and national performances, including classical symphony shows and tribute artists.

In Manitowoc, you can also find live tunes at restaurants like **The Fat Seagull**, bars like **Salute to Everyone** and breweries like **PetSkull Brewing** almost every day of the week. Two Rivers' **Whisky D's** regularly hosts live music in their establishment. Summer concert series include Tuesday Tunes in Manitowoc's Washington Park, Two Rivers' Concerts in the Park on Thursday evenings in Central Park West and Bands on the Beach on summer weekends at Neshotah Beach Rotary Pavilion.

## EXHIBITS AND OTHER YEAR-ROUND EVENTS

Throughout the year, our museums have permanent and rotating exhibits on display for visitors to enjoy, plus speakers and unique events. Attractions, like the **Manitowoc Lincoln Park Zoo**, host annual seasonal events like the Easter Eggstravaganza and Zoo Boo. Both the **Lester Public Library** and **Manitowoc Public Library** host regular movie nights, story times and special events and exhibits. You can also catch outdoor movies throughout summer and fall, hosted by **Visit Manitowoc**.

LAKESHORE BALLOON GLOW

### LAKESHORE BALLOON GLOW

An annual family-friendly event along Manitowoc's riverfront, Lakeshore Balloon Glow features glowing hot air balloons, a kids zone, delicious food trucks and cold drinks, a waterski show, fireworks and more.

PADDLE PALOOZA

ETHNIC FEST

SPUTNIKFEST

PUMPKIN PALOOZA

### SPUTNIKFEST

One of the wackiest festivals in America, Sputnikfest celebrates the chunk of Russian Sputnik IV that crashed into 8th Street in Manitowoc in 1962. On the Saturday after Labor Day each September, grab your space suit and land at the **Rahr-West Art Museum** for an out-of-this-world event!

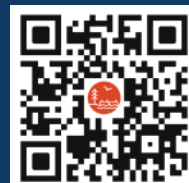

EVERGLEAMS ON EIGHTH

LAKESHORE HOLIDAY PARADE

## CALENDAR OF EVENTS

# WHAT'S NEW

NIGHTMARE OFF 8TH STREET

DOWNTOWN MANITOWOC

New boutiques, restaurants, and events are constantly popping up in our thriving lakeshore communities. You'll want to make time to visit these soon-to-be favorites.

Manitowoc launched a Designated Outdoor Refreshment Area, commonly referred to as DORA, which allows visitors to grab a drink from their favorite, licensed watering hole while taking a walk downtown, exploring the riverfront, parks, public art and local businesses. Participating establishments will serve the drink in a marked cup, allowing you to take it to-go.

Once you've worked up an appetite, check out one of the area's newest restaurants. **Bloom & Brunch** serves beautifully plated breakfast and

lunch dishes in a bright atmosphere. For lunch, don't miss the small but mighty **Hot Daug's**. This retro-themed hot dog joint will impress you with their flavorful selection and Pac-Man consoles. **KC's Kitchen & Cocktails** offers a diverse menu of mouthwatering dishes, from tempura-battered cremini mushrooms to unique handhelds. For a flavorful, fresh pho and pad Thai, check out **Ann's Noodle**. Don't forget the coconut juice, served from a coconut itself. In Two Rivers, stop by **Pop-Start Pizza** for Neapolitan-style pies with a nostalgic twist and big flavor.

New events have launched as well, including **Nightmare Off 8th Street**. This Halloween street festival has kids' activities, live music, vendors, and massive decorations to get you in the spooky mood on the first Saturday of October. Fourth on the Shore, Manitowoc's Independence Day celebration, will be bigger than ever before in 2026 to mark the 250th anniversary of the United States. All weekend long, the lakeshore will be lit up with fireworks, a festive parade, live music, kids' activities and more!

**Red Arrow Park** will see some major upgrades in 2026. Beach access will be expanded, and amenities, like foot wash stations, will be added. The first phase of upgrades is set to wrap up early in summer, just in time for the annual Wisconsin Sand Sculpting Festival in July.

The **Manitowoc County Historical Society** recently finished a major restoration project in the **Pinecrest Historical Village**, the Meeme House. This establishment served as a rest stop for stage coaches in the 1800s, and can now be explored. You can even spend a night in living history by booking the "After Dark" experience.

You can also stay the night in the area's newest hotels and inns. The brand-new **Hampton Inn Manitowoc**, located right off the interstate, features 84 rooms plus a pool, fitness center, hot breakfast and even a self-pouring beer and wine wall. In Two Rivers, the **Violet Inn**, features boutique accommodations and guest rooms that are some of the most peaceful along the lakeshore. A garden level spa and speakeasy lounge complete the property.

RAHR-WEST ART MUSEUM

NESHOTAH BEACH

MANITOWOC LINCOLN PARK ZOO

# FREE FUN

It's easy to have a whole lot of fun in Manitowoc and Two Rivers – for free!

## 1 Visit an admission-free museum

Step back in time without it costing a penny. Named one of the best places to see art in a small town by *USA Today*, see works by iconic artists including Picasso, Warhol, and O'Keeffe and rotating exhibits at the **Rahr-West Art Museum**. In Two Rivers, visit the **Washington House Museum** to learn about the city's history, including the creation of the ice cream sundae.

## 2 Hit the beach

Whether you aspire to swim, play a game of volleyball, or just relax, you can do it all without spending a dime at **Neshotah Beach**. In Manitowoc, bask in the sun at **Red Arrow Beach**.

## 3 Explore gardens

Located right along Lake Michigan, **West of the Lake Gardens** is the perfect spot to enjoy the best vantage point of the shore. Open from late May through early October, these six acres of nature include a Japanese garden, geraniums, koi pond, fibrous begonias, roses and other seasonal trees and flowers. The **Van der Brohe Arboretum and Bird Sanctuary** in Two Rivers features 65 acres of trails, meadows, diverse trees and art installations.

## 4 Check out the zoo

Open all year-round, no matter the weather, you can visit the animals at the **Manitowoc Lincoln Park Zoo**. From a bison to reptiles and coyotes to prairie dogs, there are many creatures to discover.

## 5 Go birding

Manitowoc and Two Rivers have been designated as Bird Cities for efforts to promote healthy bird and human populations. Hot spots for birding are located along the lakefront and at **Woodland Dunes Nature Center**.

A large submarine, the USS Cobia, is docked at a pier during sunset. The ship is white with a dark hull and has the number 2451 on its conning tower. The pier is lined with banners for other submarines: USS Bashier SS 204, USS Pompon SS 267, and USS Peto SS 285. People are walking on the pier, and the sky is a mix of orange and blue.

# ONLY IN MANITOWOC AND TWO RIVERS

The lakeshore is full of unexpected experiences; don't miss out on some of the most unique things to do while you're here!

S.S. BADGER

The Manitowoc-Two Rivers area is a point on the Lake Michigan Triangle, an area of the lake with a high number of mysterious ship and plane crashes or disappearances. Some of these shipwrecks are even visible right off the coast! Learn all about these wrecks and maritime history at the **Wisconsin Maritime Museum**, the largest of its kind in the Midwest. Here, you can tour and even stay overnight aboard a WWII submarine, the **USS Cobia**.

Mysterious local history doesn't stop at the lake. In 1962, a 20-lb chunk of Russian Sputnik IV fell out of the sky and landed in Manitowoc. This is the earliest documented case of man-made space junk falling back to Earth. What's even crazier is that it landed smack-dab in the middle of one of the busiest streets, right out front of what was then the

community center and now the **Rahr-West Art Museum**. You can see the impact site on 8th Street and a year-round exhibit at the museum, or land in town for Sputnikfest, the first Saturday after Labor Day.

Lake Michigan has its very own cruise experience, the **S.S. Badger Lake Michigan Carferry!** A National Historic Landmark, the Badger sails from Manitowoc to Ludington, Michigan, May to October. On board, you'll find a museum, gift shop, movie lounge, arcade, kids' room, bars, and delicious food options.

One of the most unique landmarks in Manitowoc is Bernice, the "Big Cow," who greets guests outside Cedar Crest Ice Cream Plant and Parlor. Be sure to snap a photo with the 14-foot fiberglass Guernsey cow when you grab your ice cream cone!

For those seeking their first squeaky cheese curd, a trip to **Pine River Dairy** is a must. In its sixth generation of dairy food producers, Pine River Dairy boasts an impressive butter factory and store with over 250 varieties of cheese. They even offer 50-cent scoop ice cream cones! In Manitowoc's downtown, you can grab a bag of their fresh offerings at **On the Surface**.

Fried cheese curds can be found at most restaurants and bars in the area. From **Courthouse Pub's** award-winning curds with a raspberry balsamic dipping sauce to **Pizza Garden's** square variety and the resident favorite, **Late's**, you'll have no difficulty finding the perfect cheese pull and battered crunch.

Manitowoc is home to the **Cedar Crest Ice Cream Plant and Parlor**. A

landmark destination, Bernice, the 14-foot "Big Cow," greets guests from the front lawn and has become an icon of the area. Serving hand-dipped, factory-fresh ice cream, sundaes and shakes, the parlor is a must-visit from March through October. With 36 flavors to choose from, you'll be sure to find your favorite. Cedar Crest ice cream is served across the region, at **Farm Wisconsin Discovery Center's Ice Cream Acres** and **PK's Beans N' Cream**.

**Washington House** in Two Rivers, is famously known as the birthplace of the ice cream sundae. This historic hotel and tavern, dating back to the late 1800s, claims to have created the iconic dessert, blending ice cream with syrup, inspiring sweet traditions across America ever since.

# RAISE A GLASS

Great beer begins here!

The Manitowoc-Two Rivers area boasts a rich brewing history, one that remains strong today with the presence of Briess Malt & Ingredients Co., a supplier of malt to brewers across the globe. For this reason, in 2024, Manitowoc was even deemed the Specialty Malt Capital of the World! Given the accolade, it's no surprise that the local brew scene continues to flourish and grow. Whether you're looking to spend an afternoon brewery hopping or the perfect spot to enjoy a date night, our breweries can't be beat.

**Courthouse Pub** was the first brewpub to make its mark in Manitowoc. In a room off the pub area or from the sidewalk, you're able to see where they brew

in-house. Czech Yo' Self is a crisp, clean Czech Pilsner that is a house favorite.

**PetSkull Brewing**, located in Manitowoc's River Point District, offers a total of 20 beers on tap, including their house favorite Schnitzky, plus seasonal, house-made cocktails on tap. In addition to the great brews, PetSkull offers a menu of shareable party food and a packed schedule of events in both its cozy taproom and outdoor patio. Their entertainment schedule includes live music, metal nights and summer food truck rallies on the boulevard outside.

**Craft Creek Brewing**, a downtown microbrewery, offers a rotating tap list including favorites like the Witty Squirrel and brews that nod to Manitowoc's

industry and history, like the Coal Steamer. From trivia nights to fun, annual events, both breweries are friendly spots to add to your list!

**Cool City Brewing**, located in downtown Two Rivers, offers a rotating selection of beers. Cool City features unique seating throughout, including a patio to enjoy your favorite selection outdoors or a private vault for a small group. Cool City is also a full-service restaurant with food flights.

For wine lovers, **Waterfront Wine Bar** is a must-visit. Located directly on the Manitowoc riverfront, visitors can enjoy a glass of wine on the boardwalk patio or in the calm and cozy interior. In addition to the extensive by-the-glass

WATERFRONT WINE BAR

SUB PUB ON THE WATER

PETSKULL BREWING

COOL CITY BREWING

wine selection, the Wine Bar offers self-dispensing machines where you can sample a pour or enjoy a full glass. In addition to the array of wines, Waterfront Wine Bar offers a full bar and a creative, seasonal cocktail menu. The food menu features charcuterie boards, sandwiches and entrees.

Possibly nowhere else can you experience a “creepeasy” like **The Shrunken Head**. One of the most unique watering holes in Wisconsin, The Shrunken Head is located in **Dead by Dawn’s Dead & Breakfast** in downtown Manitowoc. A reservation-only establishment, you’ll want to book early to ensure you can sample their unique list of libations, including the Poison Apple, Bloody Mammia and Black Magic.

For the trivia buffs, you won’t want to miss their Friday trivia.

In summer, catch a bird’s eye view of the riverfront and lake by visiting the **Sub Pub on the Water** on the rooftop of the **Wisconsin Maritime Museum**. You can sip on local lagers, order takeout or a bite from a nearby food truck, and play games. Museum admission is not required.

If you’re looking for a spot to unleash your competitive side, stop by **Tapped on the Lakeshore**. In addition to sampling the menu of over 20 craft beers on tap, you can try your hand at axe-throwing on their two ranges. Tapped has a variety of other games, including shuffleboard, board games, corn hole and Hammerschlagen.

In Manitowoc, you can enjoy a beverage on the go aboard **Manitowoc Pedalers**, a downtown pedal pub. This eco-friendly city crawler is primarily rider-powered and the perfect vehicle for visiting downtown’s hotspots, craft breweries and even coffee shops. Whether you book the entire bike for a celebration or join with others to meet new people, a pedal pub is one of the best ways to see the city.

You can also sip and stroll in Manitowoc’s Designated Outdoor Refreshment Area, or DORA. Beverages can be purchased from licensed establishments within the designated area downtown so patrons can drink while exploring the riverfront, parks, public art and shop local businesses.

# DOG FRIENDLY

Bring your furry friend along for the ultimate dog-friendly weekend on the lakeshore!

Both Manitowoc and Two Rivers are home to several dog parks and establishments that can easily accommodate you and your pup's next big adventure.

A must-visit dog park is Manitowoc's **Halvorsen Park**. The park features two large enclosed areas with dog toys and training structures — one area for dogs over 40 pounds and one for smaller pups. Another great dog park to visit is the **Paws and Play Dog Park** near the Manitowoc Marina on the walk out to the **Manitowoc Breakwater Lighthouse**. This enclosed park is great for a game of fetch with scenic views of Lake Michigan and the city.

**Zander Park** on the southern side of Two Rivers includes a dog park, too. An adjacent, play area contains natural features for climbing and exploring, and even a storybook trail so the whole family can play.

Dogs are also welcome to feel the sand in their toe beans at Manitowoc's beaches. Dogs can be off-leash on the beach at **Silver Creek Park** and **Lakefront Park**, and on a leash at **Red Arrow** and **Lighthouse Park** beaches. In Two Rivers, furry friends can splash in the waves at **Point Beach State Forest's** pet-friendly beach or the stretch of beach between the Spirit of the Rivers monument and **Lighthouse Inn**.

After you work up an appetite, grab a bite or brew with your companion at one of our area's dog-friendly patios. **Courthouse Pub** offers a "pup" menu with main dishes made from beef, lentils, eggs, carrots, and brown rice and frozen pup treats topped with a milk bone. At **Craft Creek Brewing**, ask for Winston's Brew, a non-alcoholic beer for your dog made with all fresh ingredients.

# MARTIN POTTERY

What began fifty years ago with  
throwing clay at classmates and a  
kickwheel, has developed into a  
lifelong love of creating with clay.  
Martin Pottery was established in  
1988 and features unique  
functional and artistic pieces,  
some made with Lake Michigan  
sand. Mastering the technique  
called agateware (pictured above)  
has inspired Dave's latest  
creations in millefiori (pictured  
below), an intricate method of  
layering clays into one-of-a-kind  
patterns. Visit this little studio  
and gallery on the lakeshore... in  
its 18th year... it's a must-see!

usually open

 1304 Memorial Drive  
Manitowoc, WI 54220

Walking through Manitowoc's charming streets, you'll be enamored by the bright murals, painted utility boxes and sculptures, like Shipbuilder the Badger, who welcomes visitors at the S.S. Badger car ferry dock.

# DISCOVER PUBLIC ART

As you continue downtown, you'll see the vibrant Manitowoc postcard mural above the Visit Manitowoc visitor center and a large-scale portrait of Ruth West, local philanthropist and arts advocate.

Colorful utility boxes dot the downtown through a collaboration between the **Rahr-West Art Museum** and Manitowoc Public Utilities. All are painted by area artists who were inspired by works from the Rahr's immense permanent collection.

Manitowoc's public art extends across town. A park shelter at the **Manitowoc Lincoln Park Zoo** features a wild mural with different animals, including a giant porcupine, wolf and frog. Step in front of the peacock for a fun photo op!

A mural in downtown Two Rivers honors the relationship between their Czech Republic Sister City, Domazlice. The relationship is further recognized with a friendship table sculpture in front of City Hall.

Another Two Rivers mural depicts native birds in homage to their Bird City designation, and a 110-foot-long mural along the South Breakwater Trail features Lake Michigan fish.

# EXPERIENCE OUR HISTORY AND MUSEUMS

Museums in Manitowoc and Two Rivers span our region's rich maritime history and fine arts.

Whether you spend thirty minutes or an entire afternoon, you're sure to enjoy stepping back in time.

Inside the Rahr-Vilas mansion, the **Rahr-West Art Museum** boasts a collection of works by Georgia O'Keeffe, Andy Warhol, Pablo Picasso and other renowned artists. The museum features a series of annual exhibits, including Art of Tablesettings and Christmas in the Mansion, as well as rotating exhibits and events, making this admission-free museum a great stop at any time of year. The Rahr-West is also the home to Wisconsin's wackiest festival, Sputnikfest!

At the **Hamilton Wood Type & Printing Museum**, the world's largest collection of wood type, you can tour the equipment, take part in a class and even print from the museum's vast collection. The rotating gallery exhibits provide an in-depth history about America's typography and printing. A working museum, the Hamilton hosts visiting artists who print with the museum's world-class wood type collection.

**Rogers Street Fishing Village** and the **Great Lakes Coast Guard Museum** sit along the East Twin River in Two Rivers. Out front, you'll find an iconic 1886 pierhead lighthouse. Inside, dive into shipwreck exhibits and artifacts, including treasures from the 1887 *Vernon* wreck and the *Rouse Simmons* from 1912. Plus, it's the hub for the Two Rivers commercial fishing fleet — perfect for maritime enthusiasts.

To learn about the area's agricultural history, visit the **Historic Farm Museum**. The museum, dedicated to the hard-working farmers of Wisconsin, features displays of farm equipment and the state's rich, rural farm heritage. View rooms of an 1800s farmhouse and wood carvings by Dick Hazaert, a retired dairy farmer.

Manitowoc and Two Rivers are known for and defined by the waters in more ways than one. These waters have supported significant commercial fishing for the local economy. Today, this heritage stays alive with a popular

**ROGERS STREET FISHING VILLAGE**  
*Photo: Debra Jones*

**HAMILTON WOOD TYPE & PRINTING MUSEUM**

USS COBIA

fish market, **Susie-Q Fish Company**. The market started with two smokehouses and later added four more, smoking salmon, trout, whitefish, herring and carp.

Wisconsin's Maritime Capital, Manitowoc, boasts a rich shipbuilding history, which remains a key piece of the city's persona today. A historic port city since the 1800s, Manitowoc has built and welcomed steamships and schooners along the shores for generations. In the 1920s, every business along the Manitowoc River was a shipbuilding company, dock or maritime contractor. Manitowoc

remains a working port, and companies like Burger Boat continue to produce custom yachts over 150 years later.

In late 2022, Manitowoc was designated an American World War II Heritage City by the National Park Service because of the contributions made by Manitowoc's businesses and citizens during the war. Part of those efforts includes submarine building. The Manitowoc Shipbuilding Company was recognized by the Navy as one of the best in the country and was asked to turn out submarines fit for battle, even though they had never made one before. In total, Manitowoc

made 28 submarines to support the war effort. Other companies that were involved in wartime production include Aluminum Goods Manufacturing, Burger Boat, Lakeside Packaging and Heresite Protective Coatings. Citizens supported the effort through war bonds, too.

Manitowoc's WWII heritage can still be explored today at the **Wisconsin Maritime Museum** and through annual events, like **Subfest**. While at the museum, you can step back in time as you tour and even sleep aboard the docked **USS Cobia** submarine, which was active in WWII. The museum is filled

with other exhibits and artifacts that engage and educate visitors of all ages about the Great Lakes and Wisconsin's storied maritime past.

Under the waves of Lake Michigan, in the very backyard of these museums, some of these vessels and their unique stories still lie. In 2021, the **Wisconsin Shipwreck Coast National Marine Sanctuary** was designated to protect and celebrate the region's maritime history. With 40 known, protected historic shipwreck sites up and down the shores of Lake Michigan, and another

estimated 100 yet to be discovered, Manitowoc and Two Rivers are the perfect places to learn firsthand about the vessels that played a central role in our nation's history, with the large concentration of shipwrecks in the waterways.

You can even see some of the wrecks on a clear, calm day. The sanctuary includes waters off of **Point Beach State Forest**, where 12 shipwrecks lie near Rawley Point. Buoys continue to be added in the near-shore shipwreck area for a unique paddling experience.

To learn more about and interact with the region's history, visit the **Manitowoc County Historical Society**, a living history museum. The museum consists of 60 acres featuring a welcome center with local history exhibits and research services, and the outdoor **Pinecrest Historical Village**, a collection of over 30 historic structures from Manitowoc County's earliest settlers. Step back in time as you physically step into these buildings and see what houses, stores and blacksmiths were like over 100 years ago.

# FUN FOR THE WHOLE FAMILY

In addition to Manitowoc and Two Rivers' museums, your family can find adventure with a splash or a little friendly competition at one of the area's many attractions. Plus, many of the family hot spots are completely free or low-cost.

Looking for a way to burn energy while indoors? Inside a three-story renovated theater, **Strand Adventures** is a family-friendly entertainment complex with a 30-foot rock climbing wall, ninja gym, laser tag, bounce houses and arcade.

For younger kids, plan a trip to **Little Sips Play Cafe** to have safe and fun educational play on the indoor playset. Geared for children 0-6, this new space is a blast for littles and parents. The cafe offers snacks, bakery and delicious coffee from Higher Grounds.

Soak up the sun at a go-to summer spot: the **Manitowoc Family Aquatic Center and Mini Golf Course**. You can beat the summer heat with various spray features, two water slides, a tube drop slide, diving board, lazy river, splash pad, sand play area and concession stand. On cooler days, hit up the warming pool or 18-hole mini golf course.

Nearby, make a date to roller skate at **Rollaire Skate Center**. Public skating sessions and skate rentals are available throughout the week. They even have a snack bar for after you've worked up an appetite on the skate floor.

To immerse yourself in all things agriculture, stop at the **Farm Wisconsin Discovery Center**. In this massive red barn just off I-43, you can walk through the 10,000 square feet of interactive, educational exhibits that showcase the origins of our food and the modern technology that keeps it safe.

The **Manitowoc Lincoln Park Zoo** is home to a cougar, bison, prairie dogs and more! This is a free, public zoo with exhibits throughout and an education building with various reptiles and bees to make your visit fun and educational.

Mini golf is also available at the **Village Inn on the Lake**. Open to the public, you don't have to be a hotel guest to sink a hole-in-one at this nautical-themed course.

Need to cool off? The whole family can enjoy the splash pad in Two Rivers' **Central Park**. In the winter, this same splash pad becomes an ice skating rink! Bring your own skates or rent a pair downtown.

STRAND ADVENTURES

MANITOWOC FAMILY AQUATIC CENTER

CENTRAL PARK

# CATCH A WAVE

MANITOWOC BREAKWATER LIGHTHOUSE

With an expansive Great Lake and the Manitowoc River, there is no shortage of water for industry, recreation, exploration and education. Dive into how you can experience the area's waterfront!

Manitowoc and Two Rivers have many spacious beaches to play along the Lake Michigan shoreline. **Neshotah Beach** in

Two Rivers offers 50 acres of sandy beach plus trails, concessions, playground equipment and a family-friendly zip line in Neshotah Park. On the weekends, there's often live music at the beach pavilion.

In Manitowoc, **Red Arrow Beach**, **Lighthouse Park Beach** and **Lakefront Beach** are beautiful stretches of sand to relax on, walk along the waves with your pup or simply enjoy the scenery. Red Arrow will see accessibility improvements and new amenities in the first half of the year to better serve visitors and residents alike for years to come.

Whether you're hoping to catch a few fish or just catch a wave, set sail on one of over a dozen charters, available in both Manitowoc and Two Rivers. These operators have experience with catching king and coho salmon, rainbow, brown and lake trout.

At the **Manitowoc Marina**, outdoor enthusiasts can rent kayaks and paddleboards to paddle around the lake and riverfront or traverse a portion of the Manitowoc River Water Trail, which extends 25 miles along the Manitowoc and Little Manitowoc Rivers with scenic, historic and cultural views. Launches

CHARTER FISHING

MANITOWOC MARINA

SS BADGER

Photo: Bill Chizek

are available along the river at **Manitou Park**, **Schuette Park**, the River Point District and **Wisconsin Maritime Museum's** riverwalk.

In Two Rivers, the East and West Twin Rivers extend to Mishicot and Shoto, creating a 20-mile-long "U" shape water trail. Kayak launches can be found at **Veterans Park** along the West Twin River, **Paddlers Park** on the East Twin River and at **Woodland Dunes**. Both kayaks and paddleboards can be rented at **Miles Marina** for a tranquil experience alone or engaging lessons with a master.

Lighthouses have helped guide sailors and vessels safely into harbor for centuries. The five-story **Manitowoc Breakwater Lighthouse** is privately owned by Phil Carlucci, but graciously maintained locally. Each Independence Day and on select days throughout the summer, there are lighthouse tours so the public can enjoy this lakeside beauty and learn more about the lighthouse's history. The **Rawley Point Lighthouse**, is another must-see lighthouse located in **Point Beach State Forest**.

You can also experience the lake by taking a one-of-a-kind Great Lakes cruise across Lake Michigan aboard the **S.S. Badger Lake Michigan Car Ferry**. Sailing from mid-May through mid-October each year, the 410-foot National Historic Landmark is one of the last steam engine car ferries. With daily sailings, there are so many opportunities to sail between Manitowoc and Ludington, Michigan. Plus, four times a season, you can sail up and down our coastline during their Shoreline Cruises. Once you step aboard, you, too, will be shouting "Big Ship, More Fun!"

# GET OUTSIDE

Whether you have a couple hours, days or weeks, there is much to do on land along the lakeshore, too. Play a round of disc golf, hike our trails while leaf peeping in the fall or snowshoe when the temperatures drop.

The region is a hiking destination and home to a variety of trails. Stretching along the shores of Lake Michigan between Manitowoc and Two Rivers is seven miles of the **Mariners Trail**. With gorgeous views all year-round, biking, hiking, skating or walking this popular trail is a must. Along the way, you can expect groomed gardens, sculptures, beaches, bathrooms and free parking.

The historic **Ice Age Trail**, a statewide 1,000-mile path carved out by glaciers thousands of years ago, also runs through the region. Our favorite locations to hike this trail include **Lower Henry Schuette Park**, **Woodland Dunes** and **Point Beach State Forest**. Hike during the annual Mammoth Hike Challenge in October or anytime!

The State Forest is home to 3,000 acres with miles of hiking and ski trails, a limestone bike trail, an equestrian trail, miles of sandy beachfront, campsites and the **Rawley Point Lighthouse**. **Woodland Dunes Nature Center and Preserve** has seven miles of trails across 1,500 acres of preserved habitat – perfect for families and birders. The on-site Nature Center has a hands-on education room and gift shop.

Manitowoc's **Camp Vits** is a hidden gem. Arguably one of the most beautiful and heavily wooded trails, this is a must-visit every season of the year. Start at Vetter Trailhead and enjoy the shade of large trees, hilly terrain and bridges. Bike in the summer, enjoy beautiful orange and red fallen leaves cast across the trail in the fall and snowshoe in the winter.

Disc golf is also a great way to spend a day in the area. **Silver Creek Park** has a nationally ranked 36-hole hilly course with open prairies, wooded areas and lookouts to Lake Michigan. When the temperatures drop in winter, this park offers sledding hills and fat tire bike and snowshoe trails. In Two Rivers, toss discs

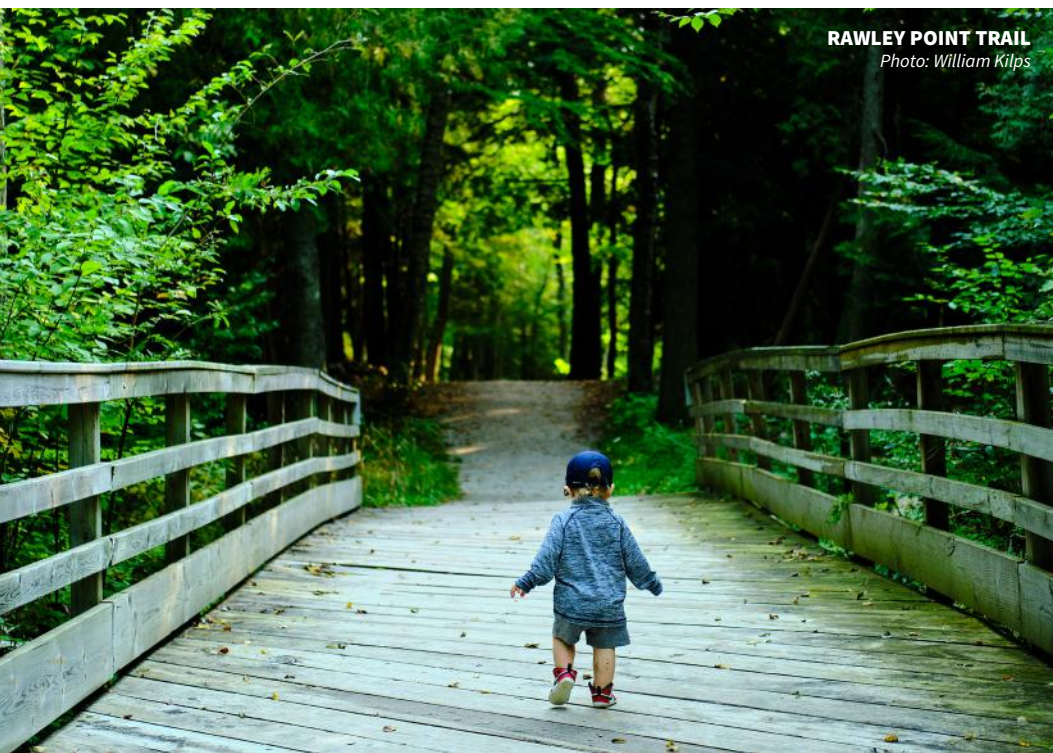

RAWLEY POINT LIGHTHOUSE

around at **Picnic Hill's** 13-hole course, overlooking **Neshotah Park and Beach**. Pickleball is on the rise, and courts have popped up around the community. Take a swing on the courts at **Rheume Park** or at **Citizen Park**, where there are also basketball and tennis courts and baseball fields, too.

Whether you're competitive, just learning or hoping to enjoy a laid-back weekend round with friends, you can find a golf course that fits your needs in the area. **Meadow Links Golf Course** is a good option for a par 70 course with minimal

water hazards. Just outside the cities is **Seven Lakes Golf & Dining**, a par-three course with a dining option open every night of the week. **Autumn Ridge Golf Course**, hilly and well-groomed, is a favorite for those looking for a challenge. **Eastwin Valley Golf and FootGolf Course** is a great pick if you want to try something new.

In the winter, ice skate in downtown Two Rivers' **Central Park** on the year-round synthetic ice skating loop. Skate rentals are available, or you can bring your own. A public ice rink can also be found at **Burger Boat Park** in Manitowoc.

# YOUR PERFECT WEEKEND

Get inspired for what to do,  
where to eat and places to explore.

## FRIDAY

Begin your vacation by smashing away stress and throwing paint at **CRushed Smash & Art Studio**.

Check into your accommodations and freshen up for a night on the town.

Enjoy dinner and drinks at **Courthouse Pub**, then catch a show or live music at one of Manitowoc's most iconic venues, the **Capitol Civic Centre**.

Sip a nightcap at **Stage Door Pub**, just around the corner from the theater.

## SATURDAY

Start your morning with a flow at **Waves Yoga Studio**, the area's only hot yoga studio, and then walk over to the Manitowoc Farmers Market for coffee and fresh offerings from local farmers, growers, bakers and artisans.

Hop in the car and drive along the shores of Lake Michigan to tour **LondonDairy Alpaca Ranch** and learn more about the alpacas and their unique fibers.

Grab lunch at **Kurtz's Pub & Deli** and then soak up some sun at **Neshotah Beach** before evening falls.

End your day at **Port Sandy Bay** for a classic Wisconsin fish fry or homemade thin-crust pizza.

## SUNDAY

Stop by **Hartman's Bakery** to start your day with a sweet treat, or grab goodies to take home with you!

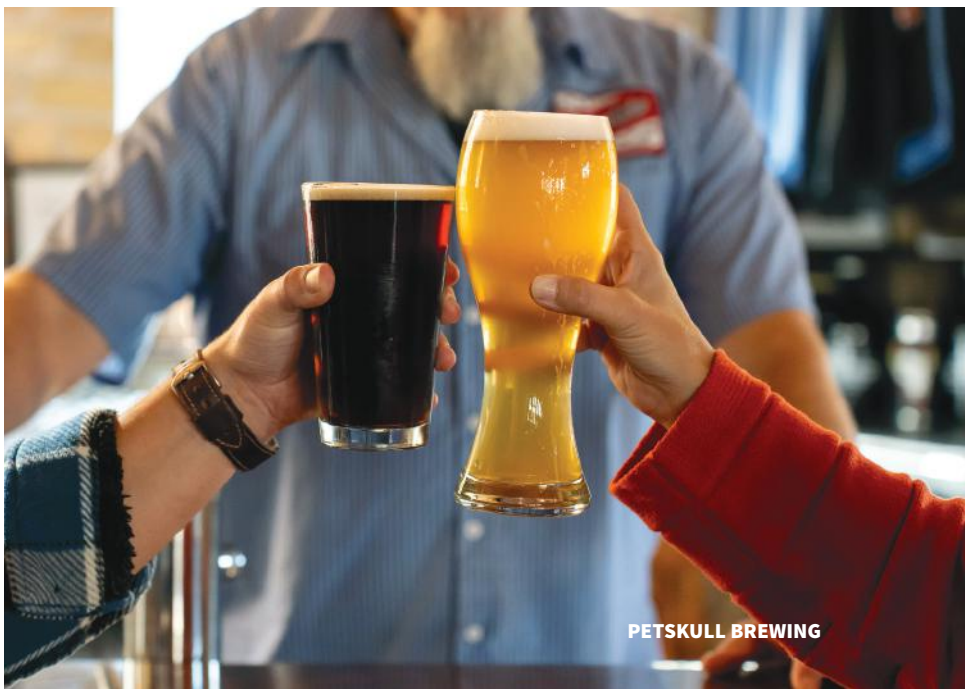

Take some time to tour the **Wisconsin Maritime Museum's** expansive exhibits and board the **USS Cobia**, a real WWII submarine.

Stroll shops downtown and top the weekend off with a sundae at **Beerntsen's Confectionary** or brew at **PetSkull Brewing**.

CRUSHED SMASH & ART STUDIO

MANITOWOC FARMERS MARKET

PETSKULL BREWING

A romantic wedding scene featuring a bride and groom in a light blue suit and white dress, embracing and kissing in front of the historic Sepia Chapel. The chapel's stone facade, arched windows, and tall bell tower are visible against a dramatic sunset sky with soft clouds. The bride holds a large bouquet of flowers, and the groom's hand rests on her waist. The overall mood is warm and intimate.

# A VENUE FOR EVERY OCCASION

Whether you are seeking a traditional venue to host your wedding or hunting for a one-of-a-kind space, Manitowoc and Two Rivers will exceed your expectations.

**The Venue at Union Square**, located in the heart of Manitowoc's downtown, is a modern and industrial wedding venue and meeting space. The historic beauty, and original Cream City brick walls, high ceilings and bright natural light create a picturesque atmosphere that sets the stage for any event.

Manitowoc's casual-chic waterfront vibe serves as the perfect location for many corporate events and full-scale weddings. The **Wisconsin Maritime Museum** offers indoor and outdoor rentals with a view, perfect for groups and parties of a variety of sizes.

Find more traditional spaces at the **Holiday Inn**, **The Inn on Maritime Bay** and the **Hampton Inn**. All offer meeting rooms in a variety of sizes to accommodate meetings, events and weddings. **Lighthouse Inn on Lake Michigan** has a banquet hall available for weddings, retreats and corporate events with stunning Lake Michigan views.

**Sepia Chapel** combines preserved historic elements with a modern palette. Chandeliers hung from soaring ceilings and a water feature make this the ideal venue for weddings, corporate events, reunions, private dinners and more.

Of course, the best choice of all may be to have your special day with nothing more than Lake Michigan behind you and sand in your toes. That is certainly an option, too!

**CONTACT US!** For assistance in finding a location to host a meeting or conference, sporting event or to bring a motor coach group to the area, contact our teams! They can assist with site visit planning, room blocks and reservations, group discounts at attractions and more.

# STAY FOR AWHILE

From full-service hotels with lakeside views to spooky bed & breakfasts and chic vacation rentals, you can rest easy knowing there's a property perfect for your next stay.

If you're searching for a hotel in the heart of Manitowoc's downtown and within walking distance of the S.S. Badger, **The Inn on Maritime Bay** is an excellent option. The property features renovated rooms and breathtaking views of the riverfront, Lake Michigan and the Manitowoc Breakwater Lighthouse. In late 2025, **Hampton Inn Manitowoc** opened off I-43, complete with a pool, fitness center and conference facilities. The swanky interior design and new amenities leave a lasting impression. **AmericInn by Wyndham Manitowoc**, **Harbor Town Inn**, **Holiday Inn** and **Quality Inn** are all conveniently located off the interstate and a few minutes drive from the region's tastiest restaurants, best attractions and event venues. Holiday Inn is the largest hotel with 204 rooms, ensuring enough space for everyone in your large group or event.

Two Rivers' largest hotels all offer stunning views of the water and are conveniently located on or near recreational trails and parks. The **Village Inn on the Lake** provides attractive amenities to travelers, including an RV camping area and miniature golf. **Lighthouse Inn on Lake Michigan** provides one-of-a-kind accommodations and delicious dining at its **Water's Edge Restaurant**. **Cobblestone Inn and Suites** is within walking distance of downtown restaurants and entertainment. The recently renovated **Cool City Motel** is a budget-friendly option in proximity to the best restaurants and attractions in Two Rivers.

COBBLESTONE INN AND SUITES

HAMPTON INN MANITOWOC  
Photo: Hampton Inn

The brand-new **Violet Inn** offers boutique accommodations and even a garden level spa and speakeasy lounge.

Two Rivers is home to **Still Bend, Frank Lloyd Wright's Bernard & Fern Schwartz House**, where beautiful design and history meet. It was featured on Netflix's *World's Most Amazing Vacation Rentals* and received the stamp of approval from *Conde Nast Traveler*. Whether you're a Frank Lloyd Wright enthusiast or just seeking a unique overnight stay, Still Bend is a dream getaway.

For visitors in search of historic charm, Manitowoc's **Toll House Bed & Breakfast** is the perfect accommodation. Renovated and returned to its former glory, Toll House is an elegant reflection of a bygone era both inside and out. Featuring three luxurious private rooms filled with Victorian elegance and modern amenities, the comfort and beauty of this B&B can't be beat. Guests will be treated to freshly brewed coffee and a lovingly homemade breakfast each morning.

**Red Forest Bed and Breakfast** is a welcoming stay with an enchanting ambiance and distinctive architecture. From a vibrant garden to carefully curated decor within, every detail has been selected to ensure a delightful visual experience for those who choose this bed & breakfast to be home base for their lakeshore adventure.

Manitowoc also uniquely offers a dead & breakfast. **Dead by Dawn's Dead & Breakfast** is the first and only bed & breakfast where guests are assured they will not get a good night's sleep. Located in the oldest commercial structure in downtown Manitowoc's historic district, guests can choose from themed rooms for their stay. After check-in, guests are invited to join an "unhappy" hour at the house watering hole, **The Shrunken Head**, then treated to haunted theatrics in the evening and are served a "goremet" breakfast in the morning.

There are also a variety of vacation rentals to fit whatever getaway you have planned. Affordable apartments, modern condos in the heart of downtown and homes with lakefront views dot the cities of Manitowoc and Two Rivers. The coolest Airbnb is actually a Sub Bnb. You can stay aboard the **USS Cobia**, a real WWII submarine, year-round at the **Wisconsin Maritime Museum**. Complete with a personalized tour, bedding and toiletries and a light breakfast, you can't experience this adventure anywhere else!
