A message from the Director,

What an incredible journey it has been bringing High School Musical to life! From auditions to rehearsals, our talented cast and crew have put in their heart and soul, and the result is something truly special. I cannot begin to express how proud I am of our school community. The level of talent we have in Charters is exceptional. From year 7 to 13, every single cast member has brought their all.

A few thank yous to everyone involved...

- To my amazing cast, you are truly incredible! Witnessing you put in such hard work and push and challenge yourself is truly incredible. You have made me exceptionally proud, and I am sure from the audience reaction, you will hear how truly amazing you all are! GO WILDCATS!!!
- To Mr Hoare, thank you for your magical musical directing skills! It is evident from the stunning vocals of our cast (even the teachers!!) that you have brought magic to the stage. Going above and beyond with the backing tracks for the cast to practice at home and teaching the beautiful harmonies.
- To Mrs King, thank you for everything you do. From your set and lighting design to your leadership of the back-stage team and everything you have done to ensure this production meets its highest potential; you are truly amazing, and it would not be possible without you.
- To Mr Wium, for your support on ensuring the vocals sound amazing and your support in the show band! Everyone has really appreciated your knowledge and expertise!

-To our amazing Technology Department, Mr. Bennie and Mrs Matthews, for building the set, it looks incredible and provides a new level of professionalism to the production.

- To our incredible Art Department, Mrs Lee-Wragg, Miss Wootten and Mrs Wilson, for painting all of our set, it looks amazing and brings the world of East High School to life!

- To Mrs Richardson, textiles club and supporting staff members including Mrs Kramer for making our Jocks and Cheerleaders costumes. They look fantastic, I have no clue how you do it! and Mrs Hembrow for your prop and set creation, it is hugely appreciated!

- To the backstage and tech team for your commitment and professionalism.

- To Mrs Herbert and Mrs Reid-Smith for all your hard work and efforts in marketing and fundraising for the show!

- To our amazing site team for opening the site for us on weekends.

- To the parents and carers of the cast for their commitment to rehearsals and supporting us along the journey. Also, to Mrs Salter and Mrs Stanley for supporting us with sponsorships and Mrs Jary for your amazing skill on the sewing machine!

Now, sit back, relax, and let the magic of High School Musical sweep you away. It's time to *stick to the status quo...* but with a little bit of *wildcat* spirit!

Miss Annesley
