The remainder of the combined charge is a facility charge that is retained by the hotel to cover discretionary and administrative costs of the event. All room rental charges are subject to a city occupancy tax of 14%.

Please note that per personal surcharges as described in this document are charges added to your Master Account to pay for costs incurred by the Hotel in connection with additional equipment, administration, and staffing necessary for the event. These surcharges will be solely retained by the Hotel and are not distributed to hourly or tipped employees. Examples include, but are not limited to, early sets, set-up charges, support fees, late end times, outdoor venues, resets, refreshes, cleaning and other services that require staffing above normal levels and/or services outside of the normal scope contracted and paid products.

If the number of guests served is greater than the guarantee, you are responsible for the total number of guests served. If your guaranteed attendance increases by more than 3% within three (3) business days prior to your event, the hotel reserves the right to charge a 15% surcharge on menu prices due to increased costs incurred. Additionally, the contracted menu items may not be available for the additional guests added.
