WHY WE'RE A MILE AHEAD

Our commitment to excellence goes beyond skill and innovation. Each project we take on is marked by a seamless, tailored experience, where our clients enjoy not only the beauty of the finished design but also the ease and care with which it's delivered.

UNDER ONE ROOF

We eliminate the gaps between design and build by offering comprehensive in-house services. From design conceptualization and contracting to carpentry, landscaping, and pool construction, every aspect is seamlessly managed for flawless project execution.

TECHNICAL EXPERTISE

With over 20 years of experience and more than 1,000 completed projects in Dubai, our 80-member team combines technical expertise and creative vision. This blend allows us to deliver exceptional results, setting a new standard in design and construction.

LOWER COST OF OWNERSHIP

We focus on long-term value through sustainable materials and expert craftsmanship, reducing maintenance costs over a 10-year period. Our continued maintenance ensures that everything we build remains flawless and functional for years to come.

DM APPROVALS

Our Dubai Municipality-approved engineers handle all necessary approvals—community, developer, RTA, and DM. We provide detailed drawings, specifications, calculations, and completion certificates, ensuring a smooth approval process from start to finish.

PROVEN REPUTATION

As a leader in luxury landscaping and interior design, we are trusted for transforming both indoor and outdoor spaces. Our commitment to excellence is reflected in our reputation for consistently exceeding client expectations with bespoke design and build solutions.

LANDSCAPING & POOLS

We specialize in crafting outdoor areas that seamlessly extend the interiors, creating a cohesive and sophisticated flow. We carefully consider the unique qualities, surroundings, and architecture of every site, creating designs that provide immediate enjoyment while ensuring long-term beauty and sustainability.

Our landscaping team transforms any outdoor area into a private paradise with stunning water features, shade structures, custom pools, outdoor kitchens, bars, and more.

WE CREATE OUTDOOR LIVING SPACES THAT ARE AN EXTENSION OF OUR CLIENT'S PERSONALITY.

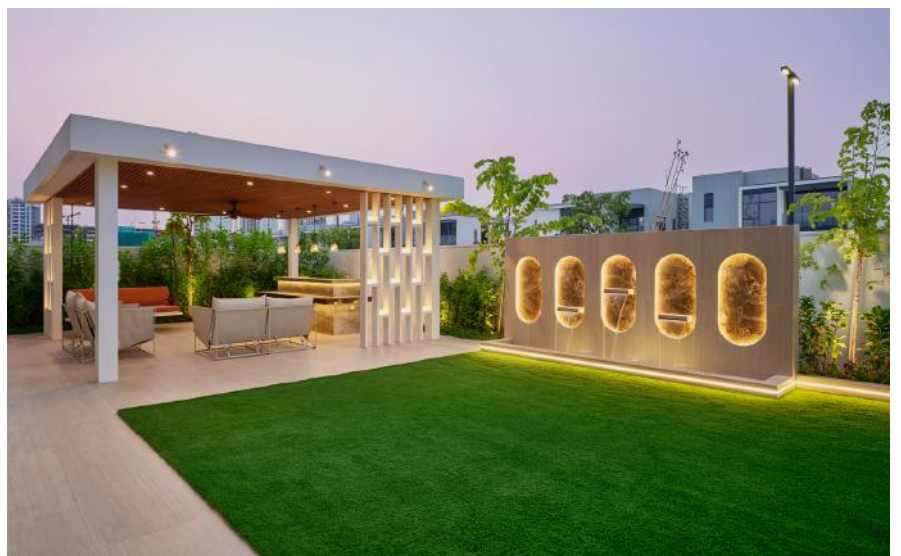

WATER FEATURES

A serene pond, soothing waterfall, or gurgling fountain can become the crowning feature of any garden. Not only do these water features enhance the architectural appeal of a property, but they are also believed to attract wealth and positive energy when positioned according to the principles of Vastu and Feng Shui.

POOLS

SKIMMER POOL

Ideal for areas with limited space, skimmer pools have water levels 15cm below the ground and do not require overflow channels or balance tanks, making them an affordable custom pool option.

OVERFLOW POOL

Maintaining water levels flush with the ground, our custom overflow pools are equipped with overflow channels and balance tanks to regulate water flow, ensuring a sleek and seamless design.

INFINITY POOL

The epitome of five-star luxury, infinity pools extend into the horizon, creating a seamless view that appears to vanish into infinity. These raised pools serve as both a stunning water feature and a cascading visual spectacle from the house.

PLUNGE POOL

Perfect for cooling off on a hot day, plunge pools are smaller but deeper than traditional pools. Our designers can incorporate custom features like waterfalls to elevate their visual appeal.

OUTDOOR KITCHENS & ENTERTAINMENT AREAS

We design and deliver thoughtfully-crafted outdoor kitchens, complete with BBQ grills, gas or charcoal ovens, tandoors, pizza ovens, and more—perfect for hosting and entertaining.

Beyond building outdoor and poolside bars, we enhance your entertaining spaces with bar equipment, outdoor fridges, wine coolers, ice buckets, cocktail stations, and more.

PERGOLA

Our pergolas are designed to elevate outdoor spaces, offering shade and an elegant retreat. With quality craftsmanship, they create the perfect setting for relaxation, dining, or entertaining while enhancing the overall aesthetic.

GLASS PERGOLA

A glass pergola offers a sleek and modern way to enhance your outdoor space, providing protection from the elements while allowing natural light to flow through. It's the perfect fusion of elegance and functionality, creating an airy yet sheltered environment for relaxation or entertaining.
