FALL 2021 REUNION CLASS HONOREE

III. Brother Robert Bruce Hopkins, 33° MSA

III. Brother R. Bruce Hopkins learned the value of hard work early in life while being raised on or near dairy and vegetable farms and most of the friends he grew up with lived on farms. His father was an Agriculture Teacher. Brother Hopkins began dating his wife, Sandra, a year after high school and have been married for fifty-seven years. In his mind she is still the beautiful, young, kind girl he married.

He graduated from Keystone Junior College with a degree in Education and graduated from Penn State University with a degree in Industrial Arts Education. While doing his student teaching, his father owned an automobile service station where Brother Hopkins worked evenings, weekends and summers. He would go on to teach at Blue Ridge High School for twenty-one years. In 1990, Brother Hopkins left teaching and went to work at automobile dealerships where he has done full time to this day.

Bruce and Sandra have two children, Bradley and Shelly. Bradley graduated from college with a Mechanical Engineering Degree. He and his wife Sharon built a house right next to them in South Abington. Shelly graduated from college with a degree in Nursing. Shelly and her husband Chris, gave Bruce and Sandra two wonderful grandchildren, Julianna who is now fourteen and Addison who is now ten. Shelly and her family also built a house next to them in South Abington.

Along his journey, Brother Hopkins worked for his uncle and cousin, both Masons, on their vegetable farms on evenings, weekends and summers. Vegetable farmers have time between growing seasons for Masonic Lodge meetings and activities. "They, at one time, asked me why I wasn't a Mason? I said, I would be glad to be one but had never been asked to join. They told me I had to ask, so I asked them and was given a petition."

Brother R. Bruce Hopkins was raised to the Sublime degree of a Master Mason on November 9, 1984 in Waverly Lodge No. 301. Brother Hopkins served as Worshipful Master in 1991 and as Treasurer for twenty years.

Brother Hopkins joined the Valley of Scranton and received his 32° on November 16, 1985 and is a past Thrice Potent Master and a past Sovereign Prince. Through his service to Scottish Rite Freemasonry, he was awarded with the Meritorious Service Award on July 24, 1999. Brother Hopkins was made an Honorary member of the Supreme Council, 33° on August 27, 2007. Brother Hopkins has served as the President of the Abington Consistory Club since 1992.

To Brother Hopkins, the best part of Freemasonry has been the fellowship, brotherhood and social interaction between brothers.

ANCIENT ACCEPTED SCOTTISH RITE

This Supreme Council of Sovereign Grand Inspectors General of the Thirty-third and last Degree of the Ancient Accepted Scottish Rite for the Northern Masonic Jurisdiction of the United States of America is the governing body of the Rite. It is founded upon and governed by the Regulations of 1792, the Constitution of 1786 as modified, and the unwritten principles and landmarks of Freemasonry.

The Supreme Council, by its Constitution, recognizes the exclusive jurisdiction of the Symbolic Grand Lodge of each State over the three symbolic degrees.

The Supreme Council of the Thirty-third Degree consists of not exceeding sixty-six active members; also of Emeritus, Past, Active and Honorary Members. Each State in the jurisdiction is entitled to at least two Active Members. The authority of the Supreme Council for the Northern Masonic Jurisdiction extends over the States of Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Ohio, Indiana, Illinois, Michigan and Wisconsin.

The Bodies working under the jurisdiction of the Supreme Council are styled Lodges of Perfection, Councils of Princes of Jerusalem, Chapters of Rose Croix of H.R.D.M. and Consistories of S.P.R.S.

A Deputy of the Supreme Council for each State, who must be a Sovereign Grand Inspector General of the Thirty-third Degree, represents the Supreme Council in his State, and performs the duties, supervision and inspection assigned to him by the Supreme Council or by the Sovereign Grand Commander.

A Council of Deliberation in each State possesses the legislative and judicial powers not reserved to the Supreme Council and not inconsistent with the Constitution and Regulations. It is composed of the active and honorary members of the Supreme Council resident in the State, Past Commanders-in-Chief of Consistories, the Past presiding officers of each Coordinate Body, the first three officers of the Consistories and Chapters of Rose Croix,

and the first four officers of Councils of Princes of Jerusalem and Lodges of Perfections. The Deputy of the State is the ex-officio Commander-in-Chief, in Pennsylvania; the Council of Deliberation meets annually.

HONORARY MEMBERS

A Sublime Prince of the Royal Secret, not less than thirty-three years of age, may be elected at an Annual Meeting of the Supreme Council, a Sovereign Grand Inspector General of the Thirty-third and Last Degree, Honorary Members of the Supreme Council. Such election shall be unanimous vote of the Active Members present taken by secret ballot.

ACTIVE MEMBERS

A Sovereign Grand Inspector General may be elected an Active Member of the Supreme Council by secret ballot of the Active Members at an Annual Meeting thereof. Each nomination for Active Membership shall be made in the Executive Session and shall be in writing signed by one or more Active Members of the Supreme Council. The election shall not take place until and Executive Session held on a subsequent day.

Three negative votes shall reject a nominee. Each Active Members so elected shall be a representative of the Supreme Council in the State of his residences at the time of the election, except as hereinafter otherwise provided, and shall assist the Deputy in the performance of his duties. Each State in the Jurisdiction shall be entitled to at least two Active Members. The Active membership of the Supreme Council shall consist of not more than sixty-six members.

EMERTI MEMBERS

Any Active Member whose Active Membership shall be vacated by resignation retirement, removal from the stated, or otherwise shall become thereby an Emeritus Member, provided, however, that an Active Member residing in a Metropolitan area at the time of election as Active Member and later moving into a suburb of such Metropolitan area in an adjacent State of the United States, shall not thereby lose his Active Membership.

DECLARATION OF PRINCIPLES

This Supreme Council reaffirms its unswerving loyalty to the fundamental purpose of Freemasonry, which purpose from time immemorial has been to improve and strengthen the character of the individual man, and through the individual, the character of the community, reinforcing those spiritual and moral values which gave the community its strength and stability.

This Supreme Council believes that this purpose is to be attained by laying a broad basis of principle upon which men of every race, country, sect, and opinion may unite.

Believing that good and true men can be trusted to act well and wisely, this Supreme Council considers it the duty of the Fraternity to impress upon its members the principles of personal righteousness and personal responsibility to enlighten them as to those things which make for human welfare, and to inspire them with that feeling of charity, or well-wishing toward all mankind which will move them to translate principle and conviction into action.

To that end Freemasonry requires of its members a belief in God and encourages faith in God's divine purposes and worship of God in conformity with the dictates of individual conscience. It stands for truth and justice, liberty and enlightenment, fraternity and philanthropy.

This Supreme Council expects of its members strict obedience to the laws of the land and respect for our country's flag.

Such principles unite men and encourage the pursuit by them individually and collectively of worthy endeavors and the attainment of the purposes inherent in them. In that unity human character achieves its highest unfolding and provides man's best hope for peace on earth and good will among men.

To the furtherance of these principles, all of our ritual is directed and all our efforts are aimed. To their furtherance each Master Mason has pledged himself, and at the portal of the Scottish Rite has renewed that pledge.

This Supreme Council discountenances and rejects any attempt by any international groups or confederations of Scottish Rite Supreme Councils to legislate for the individual Supreme Councils.

Recognizing that principles unite men, that programs sometimes divide them, and that preservation of unity of purpose and devotion to principle is essential to Freemasonry, the Supreme Council affirms its continued adherence to the ancient and approved rule of Freemasonry which forbids the discussion within tiled doors of creeds, politics, or other topics apt to excite personal animosities.

This Supreme Council further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but exceedingly dangerous to its unity strength, usefulness and welfare for Masonic Bodies in their official capacity to take formal action or attempt to exercise pressure or influence for or against any particular legislative project or proposal, or in any way attempt to procure the election or appointment of Government officials, whether executive, legislative, or judicial, or to influence them, whether or not members of the Fraternity, in the performance of their official duties.

CORE VALUES

REVERENCE FOR GOD

For Masons, belief in a higher power is a prerequisite for membership. But what does it mean to practice reverence for God daily? Of course, this can mean many things to many people, and the act of reverence can vary greatly by one's religion or personal spirituality.

However, with the daily challenges and stresses of life, it is easy to forget we are all one family in the eyes of the Supreme Being. Reminding ourselves of this allows us to slow down and truly honor and respect all of God's creations, big and small, every day.

INTEGRITY

What does your heart tell you in the small but important decisions we face every day? Integrity isn't simply being honest and having moral principles most of the time or just on the big things in life. It is an approach to living, and a lifelong journey. As Scottish Rite Masons we strive, with authenticity and humility, to develop our personal code of honor and of self as men and as Masons.

JUSTICE

It is said that justice is integrity's closest cousin. Personal justice involves one's own ethics and is often referred to as conscience. Striving to live a life of unwavering integrity allows us to clearly see what is fair and reasonable. Applying fairness without contingencies provides moral clarity, imbues empathy, and increases an internal sense of contentment.

TOLERATION

America was built on religious, political and social tolerance. Admittedly, it can be hard to be tolerant when faced with people that oppose our strongest, most steadfast beliefs. This is where Masons can make a huge

difference in society and in the lives of others. Rather than dismissing opposing beliefs and lifestyles, we can choose toleration as a moral virtue. Avoiding defensiveness opens our eyes and ears to differing points of view. It is a moral obligation that allows us to come away with a greater understanding of all people, and become better men ourselves.

DEVOTION TO COUNTRY

Masons are among the most patriotic citizens in the nation. But devotion to country goes further than pride in the flag. Devotion to country is standing up for the rights of our fellow Masons and our fellow citizens. It's having the courage to hold our leaders accountable to our founding fathers' ideals, no matter from which side of the aisle they come. As a Mason, you can help others from all walks of life share in the pride that comes from standing together as one.

SERVICE TO HUMANITY

Of all the Scottish Rite values, this may be the one that comes most naturally to Masons. By our very nature, we live to serve our brethren and our communities. Taking time to share, teach, mentor a new Mason, and lead by example are hugely valuable services you can provide to the world and to our Brotherhood each and every day. But with work, family and other commitments, it's not always easy to find the time. And that's ok. Service is more than a tally of volunteer hours.

As Masons, we are in service when we actively apply our values in our everyday lives. Living our truth in harmony with our values is, by extension, an enormous service to our families, our Brothers, and the world around us.

The Degrees conferred by the Lodge of Perfection are known as the Ineffable Degrees. The degrees are intended to extend the lessons of the first three degrees in Symbolic Freemasonry. They convey the various attributes of God as they affect man and teach lessons in morality.

LODGE OF PERFECTION, 4° - 14°

11° SUBLIME MASTER ELECTED

The lesson of the Eleventh Degree is that the true and faithful brother sooner or later will receive his just reward. The Drama depicts an incident during the reign of King Solomon which condemns, in the strongest and most uncompromising manner, improprieties by those holding public office. It reminds us that public office is a public trust, and that public officials owe a special obligation to those whom they are chosen to serve.

14° GRAND ELECT MASON

The final and climactic lesson of the Lodge of Perfection is revealed, a belief in the one living and true God and a deep reverence for his Holy Name. It is a profoundly religious degree, not promoting a particular doctrine, but encouraging each of us to worship God at an altar of our individual choice. It is expressive of the deep spiritual roots of the Ancient Accepted Scottish Rite and of our constant endeavor to attain that perfection of character embodied in the concept of a loving Heavenly Father.

COUNCIL PRINCES OF JERUSALEM, 15° - 16°

15° KNIGHT OF THE EAST

In the year B.C. 586, by order of Nebuchadnezzar, King of Babylon, thousands of the more prominent Jews were deported from Palestine and settled in colonies in various parts of Babylonia. Cyrus the Great, who conquered Babylonia in B.C. 538 and founded the Persian Empire, issued a decree permitting the captive people to return to their homeland and to rebuild their shrines.

Inspired by such leaders as Zerubbabel, Ezra and Nehemiah, the travelers endured the hardships of the long journey, and joined with their loyal brethren in Jerusalem to rebuild the Holy City and the Temple of their God. The second Temple was completed and dedicated in B.C. 516.

DEGREES

The Degrees of the Chapter of Knights of Rose Croix are known as the Philosophical Degrees as they do not use historical or biblical scenes to convey their lessons. The two degrees are designed to encourage a Scottish Rite Mason to examine his own life and find and apply the major truths outlined in the Bible.

17° - Knight of the East and West
18° - Knight of the Rose Croix of H.R.D.M.

CHAPTER ROSE CROIX OF H.R.D.M., 17°- 18°

18° KNIGHT OF THE ROSE CROIX OF H.R.D.M.

The Rose Croix Degree teaches that the new Temple is in the heart of man where God is worshiped in spirit and in truth. The new Law is a law of love which all men everywhere may understand and practice. The Word is found and the Sealed Book is opened. The Rose Croix Degree bears the impress of its deeply religious background.

It is not concerned with theological or ecclesiastical controversies. It is not dogmatic. It uses events from the life of Jesus of Nazareth to teach the lesson of this degree. It affirms the broad principles of universality and tolerance — principles which were confirmed by the Nazarene as He taught both Jew and Gentile that they were children of the same Heavenly Father.

HAUTES GRADES ACADEMIC (HGA)

HGA is a program designed to promote the education, knowledge, and engagement of members in the Scottish Rite, NMJ. The Scottish Rite was known as the Hauts Grades in its early beginnings.

The program is made up of three exciting levels:

Level One: The candidate will delve into the ritual of all twenty-nine Scottish Rite, NMJ degrees

Level Two: The essay portion of the curriculum will allow for self-reflection and review of Scottish Rite degrees selected personally by the candidate.

Level Three: A written research paper on a topic of the candidate's choice, which will be pre-approved and reviewed by the HGA committee. Research topics can vary between history, ritual, and the philosophy of the Scottish Rite.

At full completion, the graduate will earn the honor of becoming a Scottish Rite Hauts Grades Academic, and will be entitled to include the letters HGA after his name. A certificate and HGA jewel will also be awarded upon completion, but an enriching educational experience is the overall goal.

OATH OF FEALTY

Before receiving the degrees of the Scottish Rite, every candidate must sign the Oath of Fealty:

"I, the undersigned, do hereby promise on my word of honor, and swear true faith, allegiance, and fealty to the Supreme Council of Sovereign Grand Inspectors General of the Thirty-third and Last Degree of the Ancient Accepted Scottish Rite of Freemasonry for the Northern Masonic Jurisdiction of the United States of America, sitting at its Grand East in the Town of Lexington, Massachusetts, of which the Illustrious Peter J. Samiec, 33° is Sovereign Grand Commander, and will support and abide by its Constitutions Orders, and Decrees.

"That I will hold allegiance to the said Supreme Council and be loyal thereto, as the supreme authority of the Rite; will hold illegal and spurious every other Body that may be established within its jurisdiction, claiming to be a Supreme Council, and every other jurisdiction that does not hold its powers from said Supreme Council, and will hold no communication whatever in Scottish Rite Masonry with any member of the same nor allow him to visit any Body of the Rite of which I may be a member; and I will dispense justice to my brethren according to the laws of equity and honor.

"And should I violate this, my solemn vow and pledge, I consent to be expelled from Scottish Rite Masonry, and all rights therein and in any Body of the Rite, and to be denounced to every Body of the Ancient Accepted Scottish Rite in the world as a traitor and forsworn.

"And may God aid me to keep and perform the same. Amen."
