SUMMER VIBES

Luis Henke

A PART OF ME

SUMMER IS MORE
THAN A WHITE
T-SHIRT, COLOURFUL
BERMUDA SHORTS,
AND SANDALS.
SUMMER CAN BE SO
MUCH MORE.

WE FIGHT FOR
YOUR RIGHT TO LOOK
GREAT EVEN ON THE
HOTTEST DAYS.

SINCE 30 YEARS.

JUST ONE MORE
PAGE TO TURN.

*Then summer
begins.*

WHEN A BRAND
BECOMES A LEGEND.

In just 30 years.

Dear Climbing Comrade,

Summer always awakens a longing for vacations, travel, and the warm, sunny south. But why wait to go away when you can bring the spirit of the Mediterranean right into your home?

Our new summer collection celebrates that very essence. Here, the bold Mediterranean flair that defines our brand truly comes to life.

Our style is unmistakable, yet always full of surprises: daring, playful, and independent!

With this in mind, we wish you endless joy exploring our "limitlessly refreshing" creations.

**Warmly, Michi, Johanna
and the entire
Luis Trenker Team**

Feel the summer!

We've reinvented summer.

Especially on hot days, it's important to stay cool. And it's easy – with this extraordinary summer collection. Exquisite materials such as fine-ribbed corduroy, casual cotton jersey, pure délavé linen and the highlight, exceptionally lightweight suede goat leather, create a pleasantly airy feel when worn.

The striking interplay of patterns and colours, bold prints, iconic graphics, and patchwork of different designs and textures captivate with their refined craftsmanship and intricate detail—turning heads wherever you go. In the city, on the beach, or in the mountains.

The Colours of Summer.

Bright blue like a cloudless summer sky, zesty green like ripe limes, golden yellow like sun-warmed sand, and rich burgundy like long-stemmed roses – these are the shades of summer that inspire us, bringing a fresh, radiant glow to your look.

Our vibrant colours, paired with meticulous details, elevate the expressive charm of our high-quality fabrics. We embrace flowing materials such as viscose and cotton-silk blends, airy cotton-linen mixes, flexible cotton-stretch fabrics, and – most striking of all – luxurious fine leather in a herringbone weave. Each piece is crafted to feel like a summer dream brought to life.

TRADITION & INNOVATION

Die Krone von Lech & Luis Trenker

Just like Luis Trenker, we like to embrace tradition and keep it alive through each and every innovation. In what is now the fifth generation as a family-run business, we at Krone keep writing the story that began in 1741, carrying it into the future with pride, responsibility, courage, and a lot of sensitivity – all to give you a holiday brimming with style & taste.
