DENTAL EXAMS

Access to health care is one of the necessities that our students would be without were they not part of the Education Support Program. Volunteers like you increase the quality of the care they are able to receive.

TRIP ACTIVITIES

Expedition group volunteers had the chance to do a wide variety of tasks that had been requested by the program managers. Using the skills and enthusiasm each diverse group brings, all sorts of needed tasks are accomplished when the volunteers come to visit!

Painting:

Main Study Rooms at the Kirkos, Gulele, Alemgena, and Kality Education Support Centres. And at the Library and one Classroom of Gindo Education Support Centre.

Shelving:

Secured for Gindo and Kality Centers

Repairs:

Plaster, Doorways, and Walls as part of painting prep.

Computer Lab Installation:

For Gindo Center Library.

Art Projects with students:

Student Gifts:

T-shirts, soccer jerseys, and blanket distribution to students.

HOME VISITS

Kirkos Kality Gindo Gulele Alemgena

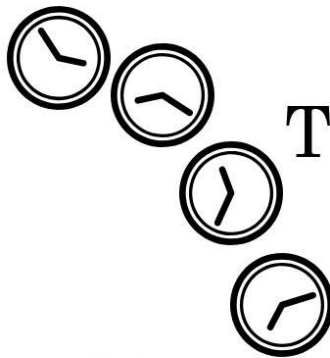

I will leave Ethiopia a much richer person than when I arrived. We have much to learn from these wonderful people, who in the midst of terrible poverty maintain a precious dignity and a happiness that surpasses anything I have witnessed in our western world.
